REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Avisen Securities, Inc.
Sacramento, California

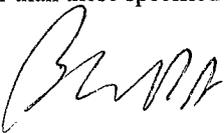

I have audited the accompanying statement of financial condition of Avisen Securities, Inc. as of December 31, 2014 and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of Avisen Securities, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Avisen Securities, Inc. as of December 31, 2014 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended December 31, 2014 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of Avisen Securities, Inc.'s financial statements. The supplemental information is the responsibility of Avisen Securities, Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Notes to Financial Statements December 31, 2014

Note 1: GENERAL & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

GENERAL

Management has reviewed all subsequent events through February 13, 2015.

The Company is subject to audit by the Internal Revenue Service for years ending December 31, 2011, 2012 and 2014.

Avisen Securities, Inc. (the "Company") was formed in 2002 under the laws of California, as a "C" corporation.

The firm received its independent broker dealer registration on August 20, 2003 and is currently registered in twenty four (24) states as well as with The Financial Industry Regulatory Authority (FINRA), Securities and Exchange Commission (SEC), The Commodity Future Trading Commission, National Futures Association, and the Municipal Security Rulemaking Board (MSRB) and SIPC.

The Company conducts business as an introducing broker dealer. The Company deals on an agency basis in the trading of exempt and non-exempt government securities and accepts trades in equities, corporate fixed income and municipal issues. Trades are cleared on a fully disclosed basis through Pershing.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Trades are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

Property and equipment purchases over \$500 individually are capitalized. Depreciation is calculated using straight line method over a useful life of five (5) and seven (7) years.

Cash equivalents include highly liquid investments purchased with an original maturity of three months or less. The Company maintains its cash in blank deposit accounts, which at times may exceed uninsured limits. The Company has not experienced any losses in such accounts.

AVISEN SECURITIES, INC.

Notes to Financial Statements
December 31, 2014

Note 1: GENERAL & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Securities owned are valued at market. The resulting differences between cost and market are included in income.

The Company and its stockholders have elected "C" company status under the federal and state tax laws.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

COMPREHENSIVE INCOME

The Company adopted SFAS No. 130, "Reporting Comprehensive Income," which requires that an enterprise report, by major components and as a single total, the changes in equity. There were no other comprehensive income items for the year ended December 31, 2014.

CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counters-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is Company's policy to review, as necessary, the credit standing of each counter party.

Management estimates that 80% of the revenues were generated in the State of California and 20% in the State of Nevada.

Note 2: NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital Rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but by December 31, 2014 the Company's net capital of \$18,157 exceeded the minimum net capital requirement by \$13,157 and, the Company's ratio of aggregate indebtedness \$48,230 to net capital was 2.66 to 1, which is less than 15:1 ceiling required.

Note 3: FIXED ASSETS

At December 31, 2014 fixed assets consist of the following:

Property & Equipment	\$	150,511
Less: Accumulated depreciation		(91,454)
	\$	<u>59,057</u>

AVISEN SECURITIES, INC.

Notes to Financial Statements
December 31, 2014

Note 4: LEASE OBLIGATIONS

The Company leases office space in Reno, Nevada for a period of sixty months beginning August 1, 2011. Future minimum lease payments are as follows:

Year	Amount
2015	40,376
2016	23,961

Note 5: INCOME TAXES

The component of the income tax benefit for the year ended December 31, 2014 is as follows:

Tax benefit at December 31, 2014	\$ (562,595)
----------------------------------	--------------

The Company's effective tax rate differs from the federal statutory rate due primarily to state taxes and nondeductible expenses. At December 31, 2014 deferred tax assets and liabilities were not significant.

The net Federal tax receivable of \$562,595 is included in other assets.

The \$800 income tax provision is for the State of California annual minimum tax.

Note 6: GOING CONCERN

The firm is a development stage company and has not earned enough revenue to support its direct expenses. The viability of the firm is a function of the shareholder's capital and future capital contributions, as well as its ability to meet a projected business plan.

The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2014, as applicable with the amounts reported in Form SIPC-7 for the year ended December 31, 2014 noting no differences;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Directors
Avisen Securities, Inc.
Sacramento, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Avisen Securities, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which Avisen Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provision") and (2) Avisen Securities, Inc., stated that Avisen Securities, Inc., met the identified exemption provision throughout the most recent fiscal year without exception. Avisen Securities, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Avisen Securities, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
