**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Managers  
Teckmeyer Financial Services, LLC  
Omaha, Nebraska

We have audited the accompanying financial statements of TECKMEYER FINANCIAL SERVICES, LLC (a Nebraska limited liability company), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income and changes in members' equity, changes in liabilities subordinated to claims of general creditors, and changes in financial position for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Teckmeyer Financial Services, LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Teckmeyer Financial Services, LLC as of December 31, 2014, and the results of its operations and its changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital and Aggregate Indebtedness and Reconciliation of Net Capital and Aggregate Indebtedness Per Audit Report to Client's Focus Report have been subjected to audit procedures performed in conjunction with the audit of Teckmeyer Financial Services, LLC's financial statements. The supplemental information is the responsibility of Teckmeyer Financial Services, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

TECKMEYER FINANCIAL SERVICES, L.L.C.  
NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Teckmeyer Financial Services, L.L.C. (Company) is registered as a broker-dealer under the Securities Exchange Act of 1934.

The Company is a brokerage firm located in Omaha, Nebraska, whose principal business activity is the trading of securities and mutual funds on behalf of clients. The Company's revenues are derived primarily from commission revenues from the trading of these securities and mutual funds. It is regulated by the Securities Exchange Commission and is under the jurisdiction of FINRA (Financial Industry Regulatory Authority). FINRA is the largest independent regulator of securities firms doing business in the United States.

Organization

Teckmeyer Financial Services, L.L.C., is organized as a limited liability company in the State of Nebraska. The period of duration or life of the Company is thirty years ending May 1, 2025.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less (temporary investments) to be cash equivalents.

Revenue Recognition

The Company earns revenue from third party clients for providing services as a distributor of mutual funds and other investment products. Commission revenue includes revenue earned on mutual fund sales that are recognized on a trade-date basis and trailer fee revenue that is recognized on an accrual basis as these fees are earned.

Commissions Receivable

Commissions receivable have been adjusted for all known uncollectible accounts. No allowance for bad debts is considered necessary at year-end.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Furniture and Equipment

Furniture and equipment are stated at cost. Major expenditures for property and those which substantially increase useful lives are capitalized. Maintenance, repairs, and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income.

Depreciation

The Company provides for depreciation of furniture and equipment using annual rates which are sufficient to amortize the cost of depreciable assets using the straight-line method over their estimated useful lives, which range from 3 to 10 years.

Income Taxes

The Company has elected, with the consent of the members, to be treated as an S corporation under the Internal Revenue Code for income tax purposes. Therefore, the income and expenses of the Company are reported on the individual members' personal income tax returns. Accordingly, the financial statements do not include any provision for income taxes.

The Company utilizes the provisions of FASB ASC 740-10, *Accounting for Uncertain Tax Positions*. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings. Management does not expect the interpretation will have a material impact (if any) on its results from operations or financial position. The Company's U.S. federal, state, and local income tax returns of the Company for 2011 and after are subject to examination by the IRS taxing authorities.

Advertising

Advertising costs are expensed as incurred. Advertising expense was \$11,291 for the year ended December 31, 2014.

Compensated Absences

Full-time, year-round employees are entitled to paid vacation depending on the length of service and other factors. Accrued vacation pay at December 31, 2014, was deemed immaterial and not accrued.

NOTE 2. LEASES

The Company conducts its operations with office space under an operating lease agreement. The three year lease term expired on February 28, 2014 and the Company is currently on a month-to-month basis. The current monthly rent above is \$4,466.

TECKMEYER FINANCIAL SERVICES, L.L.C.  
NOTES TO FINANCIAL STATEMENTS

NOTE 2. LEASES (Continued)

The Company leases its postage meter under an operating lease agreement. The lease provides for 42 quarterly lease payments of \$161 with final payment due in April 2016. The total rent expense for the above agreements for the year ended December 31, 2014, was \$53,592.

The following is a schedule of future minimum rental payments required under the lease as of December 31, 2014:

	Postage Meter
2015	644
2016	161

NOTE 3. RETIREMENT PLAN

The Company maintains a 401(k) salary reduction plan for all eligible employees. Employees are eligible to participate in the plan upon completion of one year of service. Employer contributions are made based on a percentage of the participants' wages. The Company's expense was \$7,140 for the year ended December 31, 2014.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that members' equity may not be withdrawn if the resulting net capital ratio would exceed 10 to 1). At December 31, 2014, the Company had net capital of \$130,095, which was \$80,095 in excess of its required net capital. The Company's net capital ratio of aggregate indebtedness to net capital was .5014 to 1 at December 31, 2014.

NOTE 5. BRANCH OFFICE AGREEMENT

On April 20, 2000, the Company entered into a branch office agreement with Midwest Capital, Inc. Under the terms of the agreement, Midwest Capital, Inc., shall become a branch office of the Company within the meaning of NASD Rule 3010(g)(2) and shall be subject to the supervision by the Company in respect to the applicable federal and state securities and insurance laws and regulations.

Under the terms of the agreement, the Company will provide its supervision, products, and services to Midwest Capital, Inc., and each broker of Midwest Capital, Inc., will become an independent contractor of the Company. As compensation for its services, the Company will be paid 12.5% of all gross commission revenue from Midwest Capital, Inc. The

NOTE 6. CONCENTRATION OF CREDIT RISK

The Federal Deposit Insurance Corporation insures balances up to \$250,000. At times the balances in the Company's accounts may exceed this limit.

The Company is a member of Securities Investor Protection Corporation (SIPC), a non-profit organization that assists investors when a brokerage firm closes due to bankruptcy or other financial difficulties. SIPC works to return customers' cash, stock and other securities, and other customer property that may be missing from their account. It does not cover individuals who sold worthless stocks and other securities but rather helps customers when stocks and other securities are stolen or put at risk when a brokerage fails for other reasons. Securities in accounts transacted by the Company are protected in accordance with SIPC rules up to \$500,000, including \$250,000 cash.

The Company is engaged in various brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

NOTE 7. SUBSEQUENT EVENTS

In preparing the financial statements, the Company evaluated events and transactions for potential recognition or disclosure through February 25, 2015, the date the financial statements were available to be issued.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Managers  
Teckmeyer Financial Services, LLC  
Omaha, Nebraska

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Teckmeyer Financial Services, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Teckmeyer Financial Services, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) "All customer transactions cleared through another broker-dealer on a fully disclosed basis" and (2) Teckmeyer Financial Services, LLC stated that Teckmeyer Financial Services, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Teckmeyer Financial Services, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Teckmeyer Financial Services, LLC's compliance with the exemption provisions. In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2014, which were agreed to by TECKMEYER FINANCIAL SERVICES, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Teckmeyer Financial Services, LLC's compliance with the applicable instructions of the Form SIPC-7. Teckmeyer Financial Services, LLC's management is responsible for Teckmeyer Financial Services, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries in the general ledger noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
