REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Member of
EquiLend LLC

We have audited the accompanying statement of financial condition of EquiLend LLC (a Delaware limited liability company) (the "Company") as of December 31, 2014. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of EquiLend LLC as of December 31, 2014 in conformity with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of this statement.

EQUILEND LLC
(A wholly owned subsidiary of EquiLend Holdings LLC)
Notes to Statement of Financial Condition
December 31, 2014

1. ORGANIZATION AND DESCRIPTION OF BUSINESS

EquiLend LLC (the “Company”), a Delaware limited liability company, was formed in 2001. In 2002, the Company was approved as a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and as a member of the National Association of Securities Dealers (“NASD”) and commenced operations. In 2008, the NASD was consolidated into the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Company is a member of FINRA.

EquiLend Holdings LLC (the “Parent”) has developed a global platform (the “Platform”) for the automation and negotiation of securities financing transactions between securities lenders and borrowers. The Company, through a service agreement with the Parent, offers services to users through the Platform along with the Company’s affiliates, EquiLend Europe Limited, EquiLend Canada Corp., EquiLend Asia Limited, and DataLend LLC (the “Affiliates”). The Company and the Affiliates are wholly owned subsidiaries of the Parent.

The Company maintains an office in New York.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash

All highly liquid investments with original maturities of three months or less when acquired are considered to be cash equivalents. The Company has cash held by major financial institutions, which are insured by the Federal Deposit Insurance Corporation (“FDIC”) at up to \$250,000 per legal entity. As of December 31, 2014, the cash balance held at the financial institution exceeded the federally insured amount by \$1,758,351.

Accounts Receivable

Accounts receivable are stated at the amount the Company expects to collect and do not bear interest. The Company’s accounts receivable arise from user fees in the U.S. and abroad. The Company has not placed a reserve on its accounts receivable balance as it believes that all of its accounts receivable will be collected.

Investments

Investments include investments in publicly traded mutual funds. All investments are carried at fair value. Investment transactions are recorded on a trade-date basis with unrealized gains and losses reflected in net income.

EQUILEND LLC
(A wholly owned subsidiary of EquiLend Holdings LLC)
Notes to Statement of Financial Condition
December 31, 2014

Taxes

The Company is a limited liability company, which is taxed as a partnership. Accordingly, the taxable income or loss of the Company is included in the unincorporated business tax (“UBT”) tax return of the Parent. The Company and the Parent are both subject to UBT. The Company computes its income tax provision on a separate entity basis. Income taxes are accounted for using the asset and liability method. Deferred income taxes are computed for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. A valuation allowance is established when it is more likely than not that deferred tax assets will not be realized in future years.

The Company adopted the provisions for accounting for uncertain tax positions under ASC Topic 740, Income Taxes (“ASC 740”). As required by ASC 740, the Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. As of December 31, 2014, the Company has recorded a reserve for uncertain tax positions of \$55,396 for which the statute of limitations remains open. If recognized, this amount would impact the effective tax rate of the Company. With limited exceptions, the statute of limitations is closed for tax years prior to 2011. The Company does not believe that it is reasonably possible that the total amount of unrecognized tax benefits will change significantly in the next twelve months after December 31, 2014. The Company has not recognized penalties and interest related to the unrecognized benefits.

Fair Value of Financial Instruments

The Company adopted the guidance issued by the Financial Accounting Standards Board (“FASB”) to establish accounting and reporting standards related to fair value measurements. This guidance requires the disclosure of fair value of financial instruments, including assets and liabilities recognized in the Statement of Financial Condition. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described below:

- Level 1 - quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (i.e., quoted prices for similar assets or liabilities in active markets).
- Level 3 - unobservable inputs for the asset or liability. Unobservable inputs shall be used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date.

EQUILEND LLC
(A wholly owned subsidiary of EquiLend Holdings LLC)
Notes to Statement of Financial Condition
December 31, 2014

3. NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission (“SEC”) Uniform Net Capital Rule (the “Rule”), which requires the maintenance of minimum net capital. The Company has elected to use the basic method, permitted by the Rule, which requires that the Company maintain net capital equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness, as defined. At December 31, 2014, the Company had net capital of \$2,103,722, which was \$ 1,872,420 in excess of its required net capital of \$231,302. The ratio of aggregate indebtedness to net capital was 1.65 to 1.

The Company is exempt from SEC Rule 15c3-3 under paragraph (k)(2)(i) of the Rule as it does not hold customer funds or safekeep customer securities.

4. RELATED PARTIES

Accounts receivable included \$384,813 owed to the Company by members or affiliates of members of the Parent.

The Company has entered into a Securities Service Agreement (the “Agreement”) with EquiLend Europe Limited and EquiLend Canada Corp. under which the Company performs services, including the facilitation of securities lending and borrowing transactions, on behalf of the above mentioned affiliates. Also under the Agreement, the Company acts as a billing agent for user fees on behalf of these affiliates. User fees are allocated to these affiliates when the affiliates are designated as the operating entity in the underlying user agreement between the Company, the affiliates and the user. As of December 31, 2014, the Company owed these affiliates \$329,720.

EquiLend Asia Limited services clients in the Asia region on behalf of the Company. Costs associated with this service are funded by the Company through a cost plus arrangement. As of December 31, 2014, the Company was owed \$82,415 from EquiLend Asia Limited.

Investments consist of \$4,052,501 invested in mutual funds through an investment account with an affiliate of a member of the Parent. Cash consists of \$2,008,351 in a bank account with an affiliate of a member of the Parent.

The Company has entered into a services agreement with the Parent (the “Services Agreement”) under which the Parent allocates substantially all operating costs to the Company. The Parent also allocates certain expenses to the Company under the Services Agreement for use of the Platform developed by the Parent. The Company reimburses the Parent for allocated expenses and service fees on a monthly basis. As of December 31, 2014, the Company owed the Parent \$606,024.

5. FAIR VALUE

As required by FASB guidance, investments are classified within the level of the lowest significant input considered in determining fair value. The following table sets forth information about the level within the fair value hierarchy at which the Company’s investments are measured as of December 31, 2014.

EQUILEND LLC
(A wholly owned subsidiary of EquiLend Holdings LLC)
Notes to Statement of Financial Condition
December 31, 2014

Description	Financial Assets at Fair Value			December 31, 2014
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 4,052,501	-	-	\$ 4,052,501
Total	\$ 4,052,501	-	-	\$ 4,052,501

6. SUBSEQUENT EVENTS

The Company has evaluated the possibility of subsequent events existing in the Company's financial statements through the date that the financial statements were available to be issued, and has determined that there are no material events that would require disclosure in the Company's financial statements.
