REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
of Westminster Investment Group, Inc.

We have audited the accompanying statement of financial condition of Westminster Investment Group, Inc. (a Pennsylvania corporation) as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the statement of financial condition. Westminster Investment Group, Inc.'s management is responsible for this financial statement. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Westminster Investment Group, Inc. as of December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 1 – ORGANIZATION

Westminster Investment Group, Inc. (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company's activities are limited to the sale of registered investment company shares and variable annuity insurance contracts.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The Company uses the accrual basis of accounting. Its accounting and reporting policies are in accordance with generally accepted accounting principles and conform to the general practices within the brokerage industry.

NOTE 3 – NET CAPITAL REQUIREMENTS

The firm is subject to the net capital rule of the Securities and Exchange Commission. This rule requires that the firm's ratio of "aggregate indebtedness," as defined, to "net capital," as defined, not exceed 15 to 1. At December 31, 2014, the firm's ratio of aggregate indebtedness to net capital was .49 to 1, and net capital was \$12,302 as compared to the required minimum net capital of \$5,000.

NOTE 4 – EXEMPTION FROM RULE 15c3-3

During 2014 the firm limited its business activities to the purchase, sale and redemption of shares of registered investment companies. Securities of customers were not accepted for safekeeping. The company does not routinely accept customer's funds and any funds sent to the company, which consisted solely of checks payable to registered investment companies, were promptly remitted. The company is therefore exempt from the customer reserve requirements of SEC rule 15c3-3 under section (k)(1).

NOTE 5 – CASH EQUIVALENTS

The Company considers investments in liquid debt instruments with original maturity dates of less than three months as cash equivalents for purposes of the Statement of Cash Flows.

NOTE 6 - INCOME TAXES

The Company has elected to file income tax returns as a subchapter S Corporation as defined in the Internal Revenue Code. Generally, an S Corporation is not subject to income taxes but rather, items of income, loss, deduction and credit pass through to stockholders in determining their individual income tax liability. The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

WESTMINSTER INVESTMENT GROUP, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 6 - INCOME TAXES (Continued)

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year. In general, the prior three years tax returns filed with various taxing agencies are open to inspection.

NOTE 7 - USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the reported period. Actual results could differ from these estimates.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 28, 2015, date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Westminster Investment Group, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Client identified the following provisions of 17 C.F.R. §15c3-3(k) under which Client claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(1) (the "exemption provisions") and (2) Client stated that Client met the identified exemption provisions throughout the period June 1, 2014 through December 31, 2014 without exception. Client's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Client's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
