REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders  
of Washington Securities Corporation

We have audited the accompanying statement of financial condition of Washington Securities Corporation (a Virginia corporation) as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the statement of financial condition. Washington Securities Corporation's management is responsible for this financial statement. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Washington Securities Corporation as of December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

**NOTE 1 – ORGANIZATION**

Washington Securities Corporation (the Company), was formed for the purpose of operating a broker-dealer in securities. The Corporation is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a wholly owned subsidiary of WSC Holdings, Inc. (WSCH).

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

**Revenue Recognition** – Securities transactions and related commissions are recorded on a settlement date basis, which management believes is not materially different than trade date.

**Use of Estimates** – The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

**Cash and Cash Equivalents** – Cash and cash equivalents consisted of cash on deposit with established federally insured financial institutions. For purposes of the statement of cash flows, the Company considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

**Income Taxes** –The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year.

**WASHINGTON SECURITIES CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 3 – FAIR VALUE MEASUREMENT**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels Level 1, Level 2 and Level 3.

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2013.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Equity Securities	\$ <u>2,810</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,810</u>

**NOTE 4 – RELATED PARTY TRANSACTIONS**

The Company shares office space and facilities with other entities, some of which are owned and operated by officers of the Company and others by its parent WSCH. For the use of these facilities, the Company, from time to time, reimburses WSCH pursuant to a management fee agreement. For 2013 the Company paid WSCH \$119,000 under this agreement. Management believes this amount is sufficient reimbursement for these costs.

**WASHINGTON SECURITIES CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 5 – NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2013, the Company had net capital of \$89,183 which was \$84,183 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .55 to 1.

**NOTE 6 – OTHER REGULATORY REQUIREMENTS**

The Company does not hold any funds or securities for the accounts of customers and clears all its customers' transactions through another broker-dealer on a fully disclosed basis. It is therefore exempt for the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(2)(ii).

**NOTE 7 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 26, 2014, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders  
of Washington Securities Corporation

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Client identified the following provisions of 17 C.F.R. §15c3-3(k) under which Client claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) Client stated that Client met the identified exemption provisions throughout the period June 1, 2014 through December 31, 2014 without exception. Client's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Client's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
