INDEPENDENT AUDITORS' REPORT ON THE EXEMPTION PROVISIONS REQUIRED BY RULE 15c3-3(k)(2)(i) OF THE SECURITIES AND EXCHANGE COMMISSION

The Members
Glaucou Capital Partners, L.L.C.
Mt. Kisco, New York

We have reviewed management's statements, included in the accompanying Glaucou Capital Partners, L.L.C.'s Exemption Report, in which Glaucou Capital Partners, L.L.C. ("the Company") identified the following provisions of Rule 15c3-3(k) under which the Company claimed an exemption from Rule 15c3-3(k)(2)(i) and the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Members
Glaucou Capital Partners, L.L.C.
Mt. Kisco, New York

We have audited the accompanying statements of financial condition of Glaucou Capital Partners, L.L.C. (a Limited Liability Company) as of December 31, 2014 and 2013, and the related statements of income, members' equity and cash flows for the years ended December 31, 2014 and 2013. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2014 and 2013, and the results of its operations and its cash flows for the years ended December 31, 2014 and 2013, in conformity with U.S. generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

NATURE OF BUSINESS

Glaucon Capital Partners, L.L.C. (the "Company") is a Delaware limited liability company formed in December 1999 for the purpose of conducting business as a broker/dealer in securities. The Company's primary activities include acting as a private placement agent for entities raising capital in the private debt and/or equity markets, advising entities in establishing or modifying bank credit facilities, and assisting owners of entities in change-of-control or minority interest transactions. The Company enters into engagement letters with its clients, which describe the services to be performed.

The Company operates under the provisions of Paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(i) provide that the Company promptly transmits all funds and securities, does not hold funds or securities for customers and effectuates all financial transactions between the broker or dealer and customers through designated bank accounts.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT BANKING

Investment banking revenues include fees arising from securities offerings in which the Company acts as an agent. Such investment banking transaction fees are recorded at the time the transaction is completed and the income is reasonably determinable. The Company does not transact or hold any securities on behalf of its clients.

REVENUE RECOGNITION

The Company enters into individual contracts with each respective client. It is therefore the Company's policy to recognize revenue according to each individual contract agreement.

CASH AND CASH EQUIVALENTS

The Company considers all highly liquid investments purchased with an initial maturity of three months or less to be cash equivalents.

1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES (continued)

INCOME TAXES

The Company has elected under the Internal Revenue Code to be a Limited Liability Company. The Partners of the Company are taxed on their proportionate share of the Company's taxable income.

The Company has adopted FASB ASC 740-10-25, Accounting for Uncertainty in Income Taxes. The Company will record a liability for uncertain tax positions when it is more likely than not a tax position would not be sustained if examined by the taxing authority. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

The Company's evaluation on December 31, 2014 and 2013 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2011 through 2013 tax years remain subject to examination by the IRS. The Company does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

ACCOUNTS RECEIVABLE AND ALLOWANCE FOR DOUBTFUL ACCOUNTS

The Company considers its accounts receivable, which are customer obligations incurred during the normal course of business, to be fully collectible; accordingly, no allowance for doubtful accounts is required.

2. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2014, the Company had net capital of \$114,484 and a net capital requirement of \$5,000 (or 6 2/3% of aggregate indebtedness, whichever is greater). There was no material difference between the Company's net capital at December 31, 2014 as reported herein and the net capital reported by the Company in its FOCUS Report for the period ended December 31, 2014.

3. TRANSACTIONS WITH RELATED PARTY

The Company is 50% owned by Glaucon Capital, L.L.C. and 50% owned by an individual. The owners receive a consulting fee from the Company from time to time for special services rendered. For the years ended December 31, 2014 and 2013, \$0 and \$269,500 in consulting fees were paid to Glaucon Capital, L.L.C., respectively. Also, for the years ended December 31, 2014 and 2013, \$9,000 and \$13,920 in consulting fees were paid to an individual owner, respectively.

4. CONCENTRATIONS

The Company receives the majority of its revenues by providing specialized securities financing arrangements to a limited number of clients. For 2014, revenues generated from its top three clients represented 95% (43%, 31% and 21%) and for 2013, revenues generated from its top three clients represented 92% (47%, 23% and 22%) of the Company's total revenue.

5. SUBSEQUENT EVENTS

Subsequent events were evaluated through February 12, 2015 which is the date the financial statements were available to be issued.
