The Member
North Inlet Advisors, LLC
Charlotte, North Carolina

We have audited the accompanying statement of financial condition of North Inlet Advisors, LLC (formerly E & A Advisors, LLC) (the "Company") as of December 31, 2014, and the related statements of operations, changes in member's interest, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We are not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The supplemental information contained in Schedule I has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statement or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NORTH INLET ADVISORS, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2014

Note 1—Nature of operations

North Inlet Advisors, LLC (the "Company"), a North Carolina limited liability corporation, was formed on May 11, 2010, under the laws of the state of North Carolina and is an investment banking firm providing corporate finance, private placement and advisory services to middle market companies. The Company was founded with \$50,000 in initial capital contributions from a sole owner. On July 31, 2014 The Company changed its name from E&A Advisors, LLC to North Inlet Advisors, LLC.

Effective March 31, 2014, the Company was restructured whereby the original member purchased the remaining 20% partnership interest from the second member. As a result of the transaction, the original member has a 100% interest and the second member has no interest in the Company. Pursuant to prior guidance from the Membership Application Group as to whether a Continuing Membership Application ("CMA") would need to be filed, the transaction was completed on March 31, 2014.

The Company has elected to be registered as a broker-dealer and thus is subject to various rules and regulations promulgated by the Securities and Exchange Commission ("SEC") and the Public Company Accounting Oversight Board. Accordingly, the accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") as applicable to brokers and dealers in securities.

Note 2—Summary of significant accounting policies

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash Equivalents – For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

The Company places its cash and cash equivalents on deposit with financial institutions in the United States of America. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. During the year, the Company from time to time may have amounts on deposit in excess of the insured limits.

Account Receivables – Trade accounts receivable are stated less an allowance for doubtful accounts, if applicable. Credit is extended to customers after an evaluation of the customer's financial condition, and generally collateral is not required. Management's determination of the allowance for doubtful accounts is based on an evaluation of the accounts receivable, past experience, current economic conditions, and other risks inherent in the accounts receivable portfolio. Trade accounts receivable are written-off when, in the opinion of management, such receivable are deemed to be uncollectible. While management uses the best information available to make such evaluations, future adjustments to the allowance may be necessary if conditions differ substantially from the assumptions used in making the evaluations. The Company did not deem an allowance for doubtful accounts to be necessary as of December 31, 2014.

Furniture and Equipment – Furniture and equipment are stated at cost and depreciated using the straight line method over the estimated useful lives of the assets which is 5 years. Maintenance and repairs are charged to expenses as incurred and renewals and betterments are capitalized. Gains and losses on disposals are credited or charged to operations. Long-lived assets are reviewed for impairment whenever changes in circumstances indicate the carrying value of an asset may not be recoverable.

NORTH INLET ADVISORS, LLC
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2014

Note 2- Summary of significant accounting policies (continued)

Fee Revenue – The Company's revenues are generated primarily through providing general corporate finance advice, merger and acquisition, and private placement-related advisory services. The Company receives non-refundable, upfront advisory fees in most transactions. Due to the extensive research and analysis performed for the client prior to the execution of a services agreement, the Company recognizes upfront advisory fees as revenue upon receipt.

The Company receives placement fees and transaction fees for completed transactions. Referral fees are recognized when earned based upon the terms of signed agreements. Revenues from advisory fee arrangements are recognized in the period earned.

Other revenues relate primarily to billable transaction costs. Billable transaction costs include travel, other out-of-pocket expenses, reproduction and other transaction costs incurred by the Company that are billed to customers under the terms of agreements in place with those customers. These costs are expensed as incurred and billed in accordance with the agreed-upon terms.

Advertising – Advertising costs are expensed as incurred.

Income Taxes – The Company has elected to be treated as a limited liability corporation for state and federal income tax purposes. As such, substantially all income (loss) of the Company is reported by the member on their individual income tax returns. Management has evaluated the effect of the guidance provided by U S Generally Accepted Accounting Principles on Accounting for Uncertainty in Income Taxes that became effective this year. Management has evaluated all other tax positions that could have a significant effect on the financial statements and determined the Company had no uncertain income tax positions at December 31, 2014.

Note 3—Capital requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. In addition, certain advances, payment of dividends, and other equity withdrawals are subject to certain notification provisions of Rule 15c3-1. The Company stayed within limits during their withdrawals (net capital ratio of less than 10 to 1). At December 31, 2014, the Company had net capital of \$297,737, which was \$292,737 in excess of its required capital of \$5,000. The Company's net capital ratio was .10/1.

The company claims exemption from SEC Rule 15c3-3 of the Securities and Exchange Commission under paragraph (k)(2)(ii) of the rule.

Note 4—Part I, Form X-17a-5

The most recent annual report of the Company is available for examination and copying at the office of the Company and at the Atlanta Regional Office of the Securities and Exchange Commission.

Note 5—Supplemental cash flow information

As the Company has elected to be treated as an S Corporation for state and federal income tax purposes, no cash was paid for income taxes in 2014. The Company did not incur interest expense in 2014.

To the Member of
North Inlet Advisors, LLC
Charlotte, North Carolina

We have reviewed management's statements, included in the accompanying Exemption Report (Schedule II), in which (1) North Inlet Advisors, LLC (formerly E & A Advisors, LLC) (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal years without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Charlotte, North Carolina

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessments and Payments (General Assessment Reconciliation ("Form SIPC-7")) to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2014, which were agreed to by North Inlet Advisors, LLC (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants as adopted by the Public Company Accounting Oversight Board. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records by obtaining a copy of the bank statements showing the clearing of the payments, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
