Arete Wealth Management LLC
Schaumburg, Illinois

We have audited the accompanying financial statements of Arete Wealth Management LLC (the Company) (an Illinois partnership), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income and changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Arete Wealth Management LLC as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The computation of net capital under Rule 15c3-1 of the Securities and Exchange Commission, the computation for determination of reserve requirements under Rule 15c3-3 (exemption) and information relating to the possession and control requirements under Rule 15c3-3 (exemption) of the Securities and Exchange Commission, and the computation of net capital under CFTC Regulation 1.17 have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

1. Organization and summary of significant accounting policies

Organization:

Arete Wealth Management LLC (the Company) is a registered securities broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company, an Illinois limited liability corporation, was organized and began operations on January 20, 1998. The Company is headquartered in Schaumburg, Illinois.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents:

The Company considers all highly liquid investments with a maturity of less than 90 days at the time of purchase to be cash equivalents.

Concentration of risk:

The Company maintains its cash in bank accounts which, at times, may exceed federally-insured limits. At December 31, 2014, the Company's cash accounts did not exceed federally-insured limits. The Company has not experienced any losses in such accounts. Management believes that the Company is not exposed to any significant credit risk on cash.

Revenue recognition:

Commissions are recorded on a trade-date basis. Securities transactions and related revenue and expenses are recorded on a trade-date basis.

Income taxes:

The Company is a limited liability company and is taxed as a partnership under the provisions of the Internal Revenue Code. Under these provisions, the Company is not required to pay federal income tax on its income. Instead, the member of the Company is liable for federal and state income taxes on its taxable income, if any.

The Company is no longer subject to U.S. federal, state and local income tax examinations by taxing authorities for years ended prior to December 31, 2011.

3. Net capital requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed a 15 to 1 ratio. At December 31, 2014, the Company had regulatory net capital of \$234,941, which was \$223,191 in excess of its required net capital of \$11,750. Withdrawals of capital are subject to certain notification and other provisions of the net capital rule of the SEC and other regulatory bodies.

Additionally, the Company is a member of the National Futures Association (NFA), which requires the maintenance of adjusted net capital equal to or in excess of the greatest of the following minimum net capital requirements:

- i. \$45,000
- ii. \$6,000 per office operated
- iii. \$3,000 for each associated person sponsored
- iv. Amount of net capital required by Rule 15c3-1 of the Securities and Exchange Commission

At December 31, 2014, the Company's adjusted net capital was \$234,941, which was \$189,941 in excess of its required net capital of \$45,000.

4. Commitments

In the normal course of business, the Company executes, as agent, securities transactions on behalf of its customers. If the agency transactions do not settle because of failure to perform by either the customer or the counterparty, the Company may be obligated to discharge the obligation of the nonperforming party and, as a result, is subject to market risk if the market value of the securities is different from the contract amount of the transactions.

The Company does not anticipate nonperformance by customers or counterparties in the above situations.

5. Related party transactions

The Company is a wholly-owned subsidiary of Old Growth Capital, LLC, a Delaware holding company specializing in financial service company management. Per the terms of an expense sharing agreement, the parent company pays general expenses related to office space, salaries and insurance and allocates a portion of those expenses to the Company. Arete Wealth Management LLC

We have reviewed management's statements, included in the accompanying computation for determination of reserve requirements and information relating to the possession and control requirements under rule 15c3-3 of the Securities Exchange Act of 1934, in which (1) Arete Wealth Management LLC (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: paragraph (k)(2)(i) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
