To the Board of Directors and Stockholder
Intellivest Securities, Inc.
Atlanta, GA

Report on the Financial Statements

We have audited the accompanying financial statements of Intellivest Securities, Inc., which comprise the balance sheets as of December 31, 2014 and 2013, and the related statements of income, changes in stockholder's equity, and cash flows, for the years then ended, and the related notes to the financial statements that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks and material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Directors and Stockholder
Page 2 of 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Intellivest Securities, Inc. as of December 31 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose on forming an opinion on the 2014 and 2013 financial statements as a whole. The accompanying information contained in pages 11 through 12 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. The information in pages 11 through 12 has been subjected to the auditing procedures applied in the audit of the financial statements and additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Intellivest Securities, Inc. (the Company) was incorporated under the laws of the State of Georgia in December 1990, under the name of Atlanta 1996 Advisory Group, Ltd. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INTELLIVEST SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (Continued)

Deferred Income Taxes

For income tax reporting, unrealized holding gains and losses on available-for-sale marketable securities are not included in taxable income. As a result, the basis of marketable securities for financial reporting differs from the tax basis by the cumulative amount of unrealized holding gains and losses. Deferred income taxes would be recorded for the difference, which will be taxable or deductible in future periods when the securities are sold or distributed. There were no deferred taxes as of December 31, 2014 and 2013.

Revenue Recognition

Revenues include fees earned for event planning and consultation services to clients. Revenue is recognized when earned, which generally occurs as the services are performed.

Fair Value of Financial Instruments

The Company's financial instruments, including cash and accrued expenses are carried at cost, which approximates their fair value because of the short term nature of these assets and liabilities. The fair value of securities owned is determined using quoted prices in an active market, which are categorized as Level 1 inputs in the fair value hierarchy.

NOTE B – MARKETABLE EQUITY SECURITIES

There were no marketable equity securities as of December 31, 2014 and 2013.

The change in net unrealized holding losses on securities available for sale in the amount of \$2,697 has been charged to other comprehensive income for the year ended December 31, 2013.

During 2013, a portion of the fees was paid through the distribution of marketable securities at a fair market value of \$9,633. There were no outstanding fees at December 31, 2014 and 2013.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5(g)(1)
FOR A BROKER-DEALER CLAIMING EXEMPTION FROM SEC RULE 15c3-3

To the Board of Directors and Stockholder of
Intellivest Securities, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Intellivest Securities, Inc. (the Company) as of and for the years ended December 31, 2014 and 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. The study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorizations and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of the internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

To the Board of Directors and Stockholder
Page 3 of 3

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2014 and 2013, to meet the SEC's objectives.

This report is intended solely for the use of the Stockholder, management, the SEC, FINRA, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors and Stockholder of
Intellivest Securities, Inc.

We have reviewed management's statements, included in the accompanying Broker Dealers Annual Exemption Report, in which (1) Intellivest Securities, Inc. (the Broker) identified the following provisions of 17 C.F.R. Section 15c3-3(k) under which the Broker claimed an exemption from 17 C.F.R. Section 240.15c3-3(k)(2)(i) (the "exemption provisions) and (2) The Broker stated that the Broker met the identified exemption provisions throughout the most recent fiscal year without exception. The Broker's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Broker's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
