Report of Independent Registered Public Accounting Firm

To Management of Qatalyst Partners LP:

In our opinion, the accompanying statement of financial condition presents fairly, in all material respects, the financial position of Qatalyst Partner LP (the "Partnership") at December 31, 2014 in conformity with accounting principles generally accepted in the United States of America. The statement of financial condition is the responsibility of the Partnership's management. Our responsibility is to express an opinion on the statement of financial condition based on our audit. We conducted our audit of this statement in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit of the statement of financial condition provides a reasonable basis for our opinion.

Notes to Financial Statement

December 31, 2014

1. Organization and Description of Business

Qatalyst Partners LP (the "Partnership"), a wholly-owned subsidiary of Qatalyst Group LP (the "Parent"), is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Partnership operates as an introducing broker and does not hold funds or securities for customers, does not owe any money or securities to customers, and does not carry customer accounts.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect both the reported amount of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Fair Value of Financial Instruments

Management believes that the aggregate net fair value of accounts and investment banking fees receivables approximate their carrying value because such receivables are short-term in nature.

Cash and Cash Equivalents

The Partnership considers highly liquid investments with original maturities of three months or less to be cash equivalents. The Partnership holds cash in financial institutions in excess of FDIC insured limits. The Partnership periodically assesses the financial condition of these institutions and assesses the credit risk.

Investment Banking Fees Receivable

Investment banking fees receivable include receivables relating to the Partnership's investment banking or advisory engagements. The Partnership records an allowance for doubtful accounts on these receivables on a specific identification basis.

Income Taxes

As a limited partnership that is a wholly owned subsidiary of another limited partnership, the entity is disregarded for tax purposes. Accordingly, the Partnership has determined that it has no uncertain tax position and therefore no provision is made in the financial statements of the Partnership for income tax. All income and losses of the Partnership are reportable by the partners of the Parent in accordance with the relevant provisions of the Internal Revenue Code.

Comprehensive Income

The Partnership reflects all changes in comprehensive income in the Statement of Income. Comprehensive income is equal to net income.

As of December 31, 2014, fixed assets consisted of the following:

	Computers, software and equipment	Furniture and fixtures	Total

Fixed asset, net	<u>\$ 8,662</u>	<u>\$ 150,265</u>	<u>\$ 158,927</u>

4. Commitments and Contingencies

Operating Leases

The Partnership subleases office space under an operating lease.

The term of the sublease expires on February 29, 2016.

As of December 31, 2014, the future minimum lease payments under noncancelable operating leases are as follows:

2015	\$ 652,896
2016	108,816
2017	
2018	
2019	
Thereafter	
Total	<u>\$ 761,712</u>

5. Litigation

Due to the nature of its business, the Partnership may in the future be subject to various threatened or filed legal actions. Such litigation is inherently uncertain and the ultimate resolution of such litigation could be determined by factors outside of the Partnership's control. Management believes that there are no currently known actions or threats that will result in any material adverse affect on the Partnership's financial statements.

Qatalyst Partners LP
Notes to Financial Statement

6. Regulatory Requirements

The Partnership is subject to Rule 15c3-1, which requires the maintenance of minimum net capital, as defined, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 800%. At December 31, 2014, the Partnership had net capital of \$7,661,582 which was \$7,561,582 in excess of its required net capital of \$100,000. The Partnership's ratio of aggregate indebtedness to net capital was 0.183 to 1.

7. Related Party

The Partnership is subject to an expense sharing agreement with the Parent, whereby certain overhead expenses are allocated between the Partnership and the Parent based on the benefit derived from the services provided.

In 2014, the Partnership assigned six customer contracts to an affiliate of the Parent. These engagements were assigned based on an analysis of multiple factors, including whether the potential customer transaction involved a public offering of securities.

8. Subsequent Events

As of February 27, 2015, the date the financial statements were available to be issued, no subsequent events or transactions had occurred that would have materially impacted the financial statements as presented.
