NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations—Koehler Financial, LLC (the Firm) was formed on October 8, 1999 as a limited liability company in the state of Michigan. The Firm is a registered securities broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Firm is a single member (of Koehler Financial Services, Inc.), and its only line of business as a broker-dealer involves agency transactions. Its customers are located primarily in Southwestern Michigan.
- b. Financial Instruments—The Firm's financial instruments consist of cash and accounts receivable. The Firm's estimates of fair value for financial instruments approximate their carrying amounts.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Firm's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- d. Accounting Method—Assets, liabilities, revenues and expenses are recorded on the accrual basis of accounting.
- e. Accounts Receivable—All accounts were deemed by management to be collectible; therefore no allowance for doubtful accounts has been established.
- f. Income Taxes—As a Limited Liability Company, the Firm does not pay Federal income taxes on its taxable income. Instead, the member is liable for Federal and State income taxes on their respective ownership percentage of the Firm's taxable income.

Management has analyzed tax positions taken by the Firm, and has concluded that as of December 31, 2015, there were no uncertain positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in the financial statements.

The Firm may be subject to audits by taxing jurisdictions; however, there are currently no audits for any open tax years. Management believes it is no longer subject to income tax examinations for years prior to 2012.

NOTE 2: CONCENTRATION OF CREDIT RISK

The Firm is engaged in various brokerage activities whose counterparties primarily include mutual fund companies, insurance companies, and other financial institutions. In the event counterparties do not fulfill their obligations, the Firm may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Firm's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

The Firm sells its products to various customers located near its principal office, primarily within the Southwest portion of Michigan.

KOEHLER FINANCIAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2015

NOTE 3: RELATED PARTY TRANSACTIONS

The Firm has an annual agreement to share office space and certain administrative expenses with Koehler Financial Services, Inc. (a Firm under common control). Additionally, Koehler Financial Services, Inc. pays all direct expenses on behalf of the Firm. The Firm's share of such costs paid to Koehler Financial Services, Inc. for costs under its annual agreement totaled \$370,000 during the year ended December 31, 2015, and included operating expenses such as rent, wages, advisory fees and allocated expenses.

NOTE 4: NET CAPITAL REQUIREMENTS

The Firm is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Firm had a net capital of \$95,330 at December 31, 2015, which was \$90,330 in excess of its required net capital at December 31, 2015. The Firm did not have any aggregate indebtedness at December 31, 2015.

NOTE 5: STATEMENTS OF CHANGES IN LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS

For the year ended December 31, 2013, the Firm did not have any subordinated liabilities subject to claims of general creditors. Therefore, no statements have been prepared.

NOTE 6: UNCERTAINTY IN INCOME TAXES

The Firm adopted the provisions of FASB ASC Topic 605, "Accounting for Uncertainty in Income Taxes". Benefits from tax positions are recognized in the financial statements only when it is more likely than not that the tax position will be sustained upon examination by the appropriate taxing authority that would have full knowledge of all relevant information. Recognized income tax positions are measured at the largest amount that has a greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Based on its current evaluation, the Firm has concluded that there are no significant uncertain tax positions requiring recognition in the Firm's financial statements.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of this report, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL UNDER SEC RULE 17A-5(g)(1)

The Board of Directors
Koehler Financial, LLC
Stevensville, Michigan

In planning and performing our audit of the financial statements of Koehler Financial, LLC as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered Koehler Financial, LLC's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Koehler Financial, LLC's internal control. Accordingly, we do not express an opinion on the effectiveness of Koehler Financial, LLC's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by Koehler Financial, LLC including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the provisions of Rule 15c3-3. Because Koehler Financial, LLC does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of Koehler Financial, LLC is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

(CONTINUED)

(CONTINUED)

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that Koehler Financial, LLC's practices and procedures, as described in the second paragraph of this report, were adequate as of the date of this report, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
