### NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2015

---

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization** — LTC Investment Services, Inc. (the “Company”) was incorporated under the laws of the State of Colorado on July 15, 1988, and is registered as a broker-dealer in that state. Through November 2009, the Company was a direct wholly owned subsidiary of Affinity Group, Inc. (“Affinity”). Affinity was a direct wholly owned subsidiary of Fiserv, Inc. On December 1, 2009, Affinity was sold to Robert Beriault Holdings, Inc. (“RBHI”). At the same time, Affinity transferred its ownership of the Company to RBHI and the Company was converted from a Subchapter C Corporation to a Subchapter S Corporation. The Company is a wholly owned subsidiary of RBHI. RBHI also owns LT Trust (“LTT”), which is also considered a related party of the Company.

The Company is a fully disclosed broker/dealer and as such holds no customer funds or securities. All trades are transacted through clearing brokers.

**Cash and Cash Equivalents** — The Company considers all cash and investments in money market mutual funds to be cash and cash equivalents.

**Commissions** — Commission revenue and related expense are recorded on a trade date basis.

**Income Taxes** — The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company neither pays income taxes on its taxable income nor is allowed a net operating loss carry-over or carry-back as a deduction. Instead, the shareholders of the Company include their respective shares of the Company’s consolidated taxable income or loss in their individual income tax returns. The Company files a consolidated income tax return with RBHI.

**Estimates** — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Basis of Presentation** — The financial statements include significant related party transactions. Given RBHI and LTT’s level of involvement, these financial statements may not be indicative of the results of operations if the Company were a stand-alone entity.

**Subsequent Events** — The Company has evaluated subsequent events for recognition and disclosure through February 22, 2016, which is the date the financial statements were available to be issued.

#### 2. RESTRICTED DEPOSIT

The Company has a Clearing Agent Agreement with a clearing broker/dealer which requires a deposit of \$50,000. The entire deposit will be returned to the Company upon cancellation of the agreement. Interest earned on the deposit is received by the Company.

### **3. NET CAPITAL REQUIREMENTS**

As a registered broker dealer the Company is subject to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015, the Company had regulatory net capital of \$127,025 which was \$77,025 in excess of its required net capital of \$50,000. The Company's ratio of aggregate indebtedness to net capital was 0.20 to 1 at December 31, 2015.

### **4. RELATED-PARTY TRANSACTIONS**

At December 31, 2015, the Company had outstanding payables to LTT of \$550 for invoices that were paid by LTT on behalf of the Company and \$358 for payroll expenses.

LTT also allocates a portion of office rent expense to the Company based upon the amount of space the Company occupies. LTT charged the Company \$4,032 in 2015 under this arrangement, and the Company has rent payable to LTT of \$336 at December 31, 2015.

### **5. EMPLOYEE BENEFITS**

**Profit-Sharing and Savings Plan** — Employees participate in a two-part profit-sharing and savings plan. The plan covers substantially all employees with no service requirement. Contributions to the plan consist of the employee portion, and may include a matching employer amount, and a discretionary contribution which is tied to the profit performance of the Company. Employees are completely vested in the employer match and discretionary contributions after two years of service. Expense attributable to the plan in 2015 amounted to \$492.
