INDEPENDENT AUDITOR'S REPORT

**To the Directors of
Sixpoint Partners LLC
830 Third Avenue, 8th Floor
New York, NY 10022**

Report on the Financial Statements

I have audited the accompanying financial statements of Sixpoint Partners LLC (the "Company") which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations and other comprehensive income, changes in stockholders' equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934, and the related notes to the financial statements and supplemental information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit. I conducted the audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sixpoint Partners LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

The audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in the supplemental schedules required by Rule 17a-5 under the Securities Exchange Act of 1934, including the Computation of Net Capital under Rule 15c-3, Computation for Determination of Reserve Requirements and information relating to Possession or Control Requirements Under 15c3-3, is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures to test the completeness and accuracy of the supplemental information presented. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, in form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934 and in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

EXEMPTION REVIEW REPORT

15c3-3 (k)(2)(i)

Eric Zoller
Sixpoint Partners LLC
830 Third Avenue, 8th
Floor
New York, NY 10022

Dear Eric Zoller:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which Sixpoint Partners LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Sixpoint Partners LLC claimed an exemption from 17 C.F.R. § 240.15c3-3. Sixpoint Partners LLC stated that it has met the identified exemption provisions of 15c3-3 (k)(2)(i) throughout the most recent fiscal year without exception. Sixpoint Partners LLC's management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Sixpoint Partners LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.

SIPC Reconciliation Report Pursuant to SEA 17a-5(c)(4)

Sixpoint Partners LLC is a member of the Securities Investor Protection Corporation (SIPC). In accordance with Rule 17a-5(C)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments, Forms SIPC-7 to the Securities Investor Protection Corporation (SIPC) for the periods through December 31, 2015, which were agreed to by Sixpoint Partners LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority and the SIPC, solely to assist you and other specified parties in evaluating Sixpoint Partners LLC's compliance with the applicable instructions of the Assessment Reconciliation Forms SIPC 7. Sixpoint Partners LLC's management is responsible for Sixpoint Partners LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures were performed and our findings are as follows:

1. Compared the listed assessment payments represented on Form SIPC 6 & 7 with the respective cash disbursements record entries, noting no material differences.
2. Compared audited Total Revenue for the period of January 1, 2015 through December 31, 2015 (fiscal year-end) with the amounts reported on Forms SIPC-7, noting no material differences.
3. Compared any adjustments reported on Form SIPC-7 with supporting schedules and work papers, to the extent such exists, noting no material differences.
4. Proved the arithmetical accuracy of the calculations reflected on Form SIPC-7, noting no material differences.
5. If applicable, compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no material differences.

We are not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures other matters might have come to our attention that would have been reported.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
