CORNERSTONE FINANCIAL SERVICES, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2015

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations—Cornerstone Financial Services, Inc., (the Firm), is a registered broker-dealer with the Financial Industry Regulatory Authority (FINRA), the Securities and Exchange Commission (SEC and various states within the United State. The Firm operates as an introducing broker on a fully disclosed basis, and forwards all transactions to its clearing broker. Accordingly, the Firm operates under the exemptive provision of the SEC Rule 15c3-3(k) (2) (ii).
- b. Cash Equivalents—For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2015.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- d. Concentrations of Credit Risk—The Firm places its cash in accounts with a local financial institution. At times, such accounts may be in excess of FDIC insured limits. The Firm did not have amounts in excess of insured limits as of December 31, 2015.
- e. Commissions Receivable—Commissions Receivable consists of commissions, fees and other amounts owed to the Firm. The Firm, on a periodic basis evaluates its commissions receivable and establishes an allowance for doubtful accounts, based on history of past write-offs and collections and current credit conditions. The Firm considers commissions receivable to be fully collectible; accordingly, no allowance for doubtful accounts currently is provided. Uncollectible commissions receivable are charges directly against operations when they are determined to be uncollectible. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.
- f. Advertising—The Firm's advertising costs are expensed as incurred. During 2015, advertising costs of \$8,263 were incurred.
- g. Method of Accounting—The Firm's financial statements are presented on the accrual basis method of accounting.
- h. Revenue Recognition—The Firm recognizes revenue on its variable annuity and mutual funds products when the necessary policy documents have been completed by the customer as well as the premiums associated with the related products have been received by the carrier. Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur. Investment advisory fees are received quarterly and are recognized as earned on a pro rata basis over the term of the contract.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL UNDER SEC RULE 17A-5(g)(1)

The Board of Directors
Cornerstone Financial Services, Inc.
Greenfield, Indiana

In planning and performing our audit of the financial statements of Cornerstone Financial Services, Inc. as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered Cornerstone Financial Services, Inc.'s Internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cornerstone Financial Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Cornerstone Financial Services, Inc.'s internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by [Name of Broker-dealer] including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the provisions of Rule 15c3-3. Because Cornerstone Financial Services, Inc. does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of Cornerstone Financial Services, Inc. is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

(CONTINUED)

(CONTINUED)

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that CORNERSTONE FINANCIAL SERVICES'S practices and procedures, as described in the second paragraph of this report, were adequate at JANUARY 21, 2016, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

THE BOARD OF DIRECTORS
CORNERSTONE FINANCIAL SERVICES, INC.
GREENFIELD, INDIANA

We have reviewed management's statements, included in the accompanying Exemption Report of Brokers and Dealers, in which Cornerstone Financial Services, Inc. (the Firm) identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Firm claimed an exemption from 17 C.F.R. § 240.15c3-3: **(1) Limited Business**, and the Firm stated that the Firm met the identified exemption provisions throughout the most recent fiscal year without exception. The Firm's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly included inquiries and other required procedures to obtain evidence about the Firm's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph **(k) (1) Limited Business** of Rule 15c3-3 under the Securities Exchange Act of 1934.

Sincerely,
