NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Brandis Tallman, LLC (the "Company") was organized in the State of California on February 26, 2002. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC"), and is registered with the Municipal Securities Rulemaking Board ("MSRB").

The Company is a full service investment banking firm that provides bond underwriting and financial advisory services to public agencies. The Company offers financial analysis, planning and debt structuring for capital projects. Its trading and sales department distributes the municipal underwritings to a customer base that includes retail accounts, institutional investors such as mutual funds, bank and insurance companies, money managers, and investment advisors. Commission income consists of commissions earned on the buying and selling of securities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis. Underwriting fees are recorded at the time the underwriting is completed and the income is reasonably determined. Financial advisory fees are recognized as earned on a pro rata basis over the term of the contract.

NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(Continued)

Underwriting receivables represent commissions earned on securities transactions. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The Company, with the consent of its Members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements.

NOTE 2: DEPOSIT AT CLEARING FIRM

The Company has a brokerage agreement with its clearing firm to carry its account and the accounts of its clients as customers of the clearing firm. The clearing firm has custody of the Company's cash balances which serve as collateral for any amounts due to the clearing firm as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at December 31, 2015 was \$151,286.

NOTE 3: INCOME TAXES

As discussed in the Summary of Significant Accounting Policies (Note 1), all tax effects of the Company's income or loss are passed through to the members. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2015, the income tax provision consists of the following:

Franchise tax	\$ 800
Gross receipts tax	<u>6,000</u>
Total income tax provisions	<u>\$ 6,800</u>

NOTE 4: COMMITMENTS AND CONTINGENCIES

Contingencies

The Company maintains bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

Commitments

The Company has obligations under a operating lease with initial noncancelable terms in excess of one year. Aggregate annual payments under this lease agreement at December 31, 2015, are approximately as listed as follows:

Year Ending December 31,		
2016	\$	38,100
2017		39,300
2018		40,500
2019		41,700
2020 & thereafter		<u>10,500</u>
	\$	<u>170,100</u>

NOTE 5: GUARANTEES

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2015 or during the year then ended.

Brandis Tallman, LLC
Notes to Financial Statements
December 31, 2015

NOTE 6: CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

NOTE 7: SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

NOTE 8: RECENTLY ISSUED ACCOUNTING STANDARDS

For the year ending December 31, 2015, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

NOTE 9: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2015, the Company had net capital of \$658,153 which was \$558,153 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$13,390) to net capital was 0.02 to 1.
