**1. Organization and Summary of Significant Accounting Policies**

Sabadell Securities USA, Inc. (the "Company"), a wholly owned subsidiary of Banco Sabadell S.A., was incorporated on May 23, 2008, is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company's registration with FINRA was effective as of May 21, 2009. The operations start date was February 24, 2010, upon receiving approval from the Federal Reserve to commence operations. On October 26, 2010, the Company received FINRA approval for an expansion of certain business lines including: mutual fund retailer, municipal securities broker, private placements of securities, and investment advisory services.

The Company provides introductory brokerage and investment services primarily for Banco Sabadell S.A. and its subsidiaries. Custody of securities owned by customers of the Company and all security transactions are settled through a third party clearing broker on a fully disclosed basis. Revenues derived from these services are recognized in the accompanying statement of operations.

Following is a description of the significant accounting policies and practices followed by the Company in the preparation of the accompanying financial statements. These policies conform to accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Deposit with Clearing Broker**

Cash consists of cash in banks which is held primarily at one major U.S. financial institution and firm margin accounts at the clearing institution. There is also a deposit held with the clearing institution in accordance with the clearing agreement. These funds are considered restricted cash and are presented in the Statement of Financial Condition as Deposit with Clearing Broker.

**Customers' Securities Transactions**

Customers' securities transactions and the related riskless principal trading, commissions, brokerage fees revenues, and expenses are recorded on trade date. Receivable from customers and payable to brokers, if any, represent security transactions that have not settled.

**Income Taxes**

The Company is subject to U.S. federal and state income taxes. The Company utilizes an asset and liability approach to account for income taxes. The asset and liability approach requires recognition of deferred tax assets and liabilities for expected future tax consequences of temporary differences between the carrying amounts and tax basis of assets and liabilities. Deferred tax assets are required to be reduced by a valuation allowance to the extent that management believes it is more likely than not that the deferred tax asset will not be realized.

**Sabadell Securities USA, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2015**

---

The Company recognizes tax benefits from uncertain tax positions when it is more likely than not that the related tax positions will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits of the tax positions. An uncertain tax position is a position taken in a previously filed tax return or a position expected to be taken in a future tax return that is not based on clear and unambiguous tax law. The Company measures tax benefits related to uncertain tax positions based on the largest benefit that has a greater than 50% likelihood of being realized upon settlement. If the initial assessment fails to result in recognition of a tax benefit, the Company subsequently recognizes a tax benefit if (i) there are changes in tax law or case law that raise the likelihood of prevailing on the technical merits of the position to more-likely-than-not, (ii) the statute of limitations expires, or (iii) there is a completion of an examination resulting in a settlement of that tax year or position with the appropriate agency. The Company would recognize interest and penalties related to unrecognized tax positions in the provision for income taxes and other liabilities. Management has identified no uncertain tax positions at December 31, 2015.

**Net Capital Requirements**

The Company is subject to the SEC Uniform Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital, as defined, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, as defined. At December 31, 2015, the Company had net capital of \$2,796,812, which was \$2,789,641 in excess of the minimum amount required.

The Company claims exemption from the SEC's Customer Protection Rule ("Rule 15c3-3"). Section (k)(2)(ii) of Rule 15c3-3 allows for this exemption since all customer transactions are cleared through other broker-dealers on a fully-disclosed basis.

**New Accounting Pronouncements**

**Revenue**

In May 2014, the FASB issued new guidance related to revenue from contracts with customers. This guidance supersedes the revenue recognition requirements in Accounting Standards Codification Topic 605, Revenue Recognition, and most industry-specific guidance throughout the Accounting Standards Codification. The guidance requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. This guidance, which does not apply to financial instruments, is effective for annual reporting periods beginning after December 15, 2018. The Company is currently evaluating this guidance to determine the impact on its financial statements.

**2. Cash Segregated Under Federal Regulations**

Rule 15c3-3 under the Securities and Exchange Act of 1934 (the "Rule") specifies certain conditions under which brokers and dealers carrying customer accounts are required to maintain cash or qualified securities in a special reserve bank account for the exclusive benefit of customers. The Company clears all transactions with and for customers on a fully disclosed basis, and the Company does not otherwise hold funds or securities for, or owe money to customers. The Company claims exemption from the provisions of Rule 15c3-3 pursuant to the provisions of subparagraph k(2)(ii).

**3. Related Party Transactions**

The Company entered into a Management Agreement with Banco Sabadell S.A. – Miami Branch (the "Branch") that commenced on May 1, 2009 and is periodically amended and restated. Under this agreement, rent, IT Support, HR Support and Administration & other general services were paid to the Branch and are considered related party transactions.

Included in the statement of operations are revenues and expenses resulting from various securities trading with certain affiliates, as well as fees for administrative services performed by the Company under the terms of various agreements.

At December 31, 2015, an affiliate held deposits of the Company amounting to approximately \$13,749. These amounts are reported on the statement of financial condition as part of cash.

To the Board of Directors of Sabadell Securities USA, Inc.

We have reviewed Sabadell Securities USA, Inc.'s assertions, included in the accompanying Sabadell Securities USA, Inc. exemption report, in which (1) the Company identified 17 C.F.R. § 240.15c3-3(k) (2)(ii) as the provision under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (the "exemption provision") and (2) the Company stated that it met the identified exemption provision throughout the year ended December 31, 2015 without exception. The Company's management is responsible for the assertions and for compliance with the identified exemption provision throughout the year ended December 31, 2015.

In accordance with Rule 17a-5(e)(4) of the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of the Securities Investor Protection Corporation (SIPC) of Sabadell Securities USA, Inc. for the year ended December 31, 2015, which were agreed to by Sabadell Securities USA, Inc., the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the Securities Investor Protection Corporation (collectively, the "specified parties") solely to assist the specified parties in evaluating Sabadell Securities USA, Inc.'s compliance with the applicable instructions of Form SIPC-7 during the year ended December 31, 2015. Management is responsible for Sabadell Securities USA, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. Compared the listed assessment payments on page 1, items 2B and 2F of Form SIPC-7 with the respective cash disbursement records entries, as follows: payment dated July 23, 2015 in the amount of \$1,811 compared to the completed ACH Transactions Details Report (confirmation #979095112) provided by the Assistant Financial Operations Principal, noting no differences, the payment dated January 13, 2016 in the amount of \$2,340 compared to the completed ACH Transactions Details Report (confirmation #583873066) provided by the Assistant Financial Operations Principal, noting no differences, and the payment dated January 26, 2016 in the amount of \$6 compared to the completed ACH Transactions Details Report (confirmation #374233875) provided by the Assistant Financial Operations Principal, noting no differences.
2. Compared the Total Revenue amount reported on page 5 of the audited Form X-17A-5 for the year ended December 31, 2015 to the Total revenue amount of \$2,078,536 reported on page 2, item 2a of Form SIPC-7 for the year ended December 31, 2015, noting no differences.
3. Compared any adjustments reported on page 2, items 2b and 2c of Form SIPC-7 with the supporting schedules and working papers, as follows:
  - a. Compared the deduction on line 2c (3), Commissions, floor brokerage and clearance paid to other SIPC members in connection with securities transactions of \$415,777 to the sum of the "Clearing Charges" and "Pershing Administrative Charges" trial balance accounts on the December 31, 2015 trial balance provided by the Assistant Financial Operations Principal, noting no differences.

- b. Compared deduction on line 2c (9i), Total interest and dividend income of \$94 to the trial balance account "Interest Income" on the December 31, 2015 trial balance provided by the Assistant Financial Operations Principal, noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers obtained in procedure 3, as follows:
  - a. Recalculated the mathematical accuracy of the SIPC Net Operating Revenues on page 2, line 2d and the General Assessment @ .0025 on page 2, line 2e of \$1,662,665 and \$4,157, respectively of the Form SIPC-7, noting no differences.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Company's preparation of Form SIPC-7 in accordance with the applicable instructions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and the board of directors of Sabadell Securities USA, Inc., the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the Securities Investor Protection Corporation and is not intended to be and should not be used by anyone other than these specified parties.
