REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholder  
Hantz Financial Services, Inc.

We have audited the accompanying statement of financial condition of Hantz Financial Services, Inc. (a Michigan corporation) (the "Company") as of December 31, 2015 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of Hantz Financial Services, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hantz Financial Services, Inc. as of December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of Hantz Financial Services, Inc.'s financial statements. The supplemental information is the responsibility of Hantz Financial Services, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

As discussed in Note 7 to the financial statements, the Company's management corrected an error in previously issued financial statements related to recognition of accounts receivable and revenue in previous periods. Accordingly, stockholder's equity as of January 1, 2015 has been restated.

**HANTZ FINANCIAL SERVICES, INC.**  
(A Wholly Owned Subsidiary of Hantz Group, Inc.)

**NOTES TO FINANCIAL STATEMENTS**

**1. BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Business**

*Hantz Financial Services, Inc.* (the "Company") is a securities broker-dealer that introduces transactions and accounts on a fully disclosed basis and does not carry customer accounts. The Company is registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Company's revenues are primarily generated through the sale of financial products and investment advisory services to individuals and small businesses. Customers of the Company are located predominantly in the states of Michigan and Ohio. The Company is also a licensed mortgage broker.

The Company is a Michigan Corporation that is a wholly owned subsidiary of *Hantz Group, Inc.* (the "Parent").

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting year. Actual results could differ from those estimates. Significant estimates include but are not limited to commission receivables and accrued compensation.

**Cash and Cash Equivalents**

Cash and cash equivalents consist of demand deposits in banks. The Company holds deposits in major financial institutions in excess of federally insured limits. Management does not believe the Company is exposed to any significant interest rate or other financial risk as a result of these deposits. The Company has deposits with Hantz Bank, a related party, of approximately \$52,000 at December 31, 2015.

**Cash Segregated for Benefit of Customers**

Cash of \$611,159 has been segregated in a special bank account for the benefit of customers under rule 15c3-3 of the Securities and Exchange Commission. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities the Company is claiming exemption under K(2)(i) and K(2)(ii) of Rule 15c3-3 of the Securities and Exchange Act of 1934.

**Commission and Marketing Support Receivables**

Receivables consist primarily of amounts due from commissions and marketing support revenue earned from the sale of financial products. All amounts deemed uncollectible are recognized as an expense for doubtful accounts in the year such determination is made. Management did not consider an allowance for doubtful accounts necessary at December 31, 2015.

**HANTZ FINANCIAL SERVICES, INC.**  
(A Wholly Owned Subsidiary of Hantz Group, Inc.)

**NOTES TO FINANCIAL STATEMENTS**

**Revenue Recognition**

Commission revenue and related expenses on security transactions are recognized on a trade date basis. Marketing support revenue is recognized in the period that services are performed. Investment advisory revenue is recognized when the advisory service is sold. Commission revenue from a mortgage application introduction is recognized when loans are closed at the financing institution. Managed account revenue is recognized as earned and is received from product companies based upon a percentage of the total assets invested with each product company.

**Concentrations**

The Company's operating philosophy relies extensively, albeit not exclusively, on the use of a limited number of preferred investment and insurance product providers. The Company receives marketing support revenue based on the volume traded through the investment and insurance providers. In 2015, 90% of commission revenue was from six investment companies and 90% of marketing support revenue was from five investment companies.

**Income Tax Allocation from Parent**

The Company is included in the consolidated federal and state income tax returns filed by the Parent. The Company currently has no formal income tax sharing agreement with the Parent and, as such, income taxes have been determined as if the Company files on a separate return basis with an income tax allocation from the parent to the Company for its proportionate share.

Deferred federal and state income tax assets and liabilities are computed annually for differences between the financial statement and income tax basis of assets and liabilities that will result in taxable or deductible amounts in the future, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Deferred income taxes arise from temporary basis differences related to recoverable settlement expenses and deferred payment of certain compensation. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense (Income tax allocation from parent) is the current year tax or benefit plus or minus the change during the year in deferred tax assets and liabilities.

The Company analyzed its filing positions in the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years in these jurisdictions. The Company has also elected to retain its existing accounting policy with respect to the treatment of interest and penalties attributable to income taxes, and continues to reflect any charges for such, to the extent they arise, as a component of its operating expenses, which has no significant impact on the company's financial statements.

**2. RELATED PARTY TRANSACTIONS**

Under an expense sharing agreement, the Parent provides accounting, administrative and managerial services to the Company. Amounts charged for these services by the Parent result from an allocation of actual costs based on the percentage of the actual prior year revenue of the Company in relation to the actual prior year revenue generated by other subsidiaries. The cost allocated for management services was \$3,761,050 during 2015. The Company was also allocated \$2,931,799 in additional operating and administrative costs from

**HANTZ FINANCIAL SERVICES, INC.**  
**(A Wholly Owned Subsidiary of Hantz Group, Inc.)**

■ **NOTES TO FINANCIAL STATEMENTS**

the Parent. In addition, software utilized for processing securities transactions was developed for the Company by Hantz Technology, L.L.C., in which the Parent is the sole member. The Company leases this software along with hardware and maintenance support, on a month-to-month basis, from Hantz Technology, L.L.C. Total expense incurred in connection with these technology charges was \$1,400,218 during 2015. The Company also leases office space under various operating leases with its Parent who in turn leases these facilities from both related and unrelated third parties. Net rental expense on operating leases from related parties was \$1,193,205 and from unrelated parties was \$671,293 in 2015.

The following is a schedule of approximate annual future minimum lease payments for the Company's portion of related party and unrelated third party leases for facilities as required under operating leases with initial or remaining noncancelable lease terms in excess of one year as of December 31, 2015. To determine the amount below an allocation was based on 2015 allocation percentages to determine future years lease expense.

Year Ending December 31	Total HFS Non- Cancelable Operating Leases	Related Non- Cancelable Operating Leases	Unrelated Third Parties Non- Cancelable Operating Leases
2016	\$ 1,516,000	\$1,303,000	\$213,000
2017	1,196,000	1,048,000	148,000
2018	783,000	760,000	23,000
2019	318,000	318,000	0
2020	231,000	231,000	0
There after	116,000	116,000	0
<b>Total payments due</b>	<b><u>\$4,160,000</u></b>	<b><u>\$3,776,000</u></b>	<b><u>\$384,000</u></b>

Hantz Financial Services is directly liable for lease payments included in the above amounts of \$159,000 in 2016 and \$117,000 in 2017. This is the result of Hantz Financial being the signor on the subject lease.

The Company earned commissions from affiliated entities for Small Business Administration commercial loans and mortgages. In 2015, the Company earned approximately \$536,212 in revenue for these services. The Company received revenue for plan processing services provided by an affiliate. In 2015, the revenue was approximately \$1,130,750 for these services and is included in other revenue on the statement of income.

Amounts due from the Parent represent amounts overpaid for the Company's portion of income tax due for \$677,546. Additionally accounts payable and accrued expenses include payables to affiliates of \$116,504. No interest is charged on these advances which are due on demand and expected to be paid in 2016.

**HANTZ FINANCIAL SERVICES, INC.**  
**(A Wholly Owned Subsidiary of Hantz Group, Inc.)**

**NOTES TO FINANCIAL STATEMENTS**
