Report of Independent Registered Public Accounting Firm

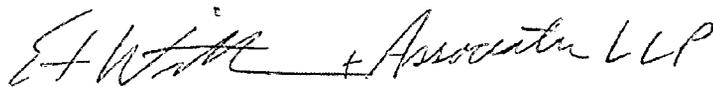

To the Member
Martin Wolf Securities LLC

We have audited the accompanying statement of financial condition of Martin Wolf Securities LLC (the "Company") (a California limited liability company), as of December 31, 2015, and the related statements of income, changes in member's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Martin Wolf Securities LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Schedules I and II have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, Schedules I and II are fairly stated, in all material respects, in relation to the financial statements as a whole.

Martin Wolf Securities LLC

Notes to the Financial Statements

December 31, 2015

1. Organization

Martin Wolf Securities LLC (the "Company") was organized as a California limited liability company on June 25, 1999 and terminates on June 25, 2029 unless extended or terminated sooner. The Company is a wholly owned subsidiary of Martin Wolf Associates Incorporated ("MWA") and operates in Walnut Creek, California. The Company is registered with the Securities and Exchange Commission as a securities broker dealer and engages in mergers and acquisition consulting primarily with high technology companies on a fee basis.

2. Significant Accounting Policies

Cash and Cash Equivalents

The Company considers all demand deposits held in banks and certain highly liquid investments with original maturities of three months or less, other than those held for sale in the ordinary course of business, to be cash equivalents.

Accounts Receivable

Accounts receivable are carried at the invoiced or contract amounts. The allowance for doubtful accounts is based on management's estimate of the amount of probable credit loss in existing accounts receivable.

Investment Banking Fees

Investment banking revenues are earned from providing merger and acquisition advisory services. Revenue is recognized when earned either by fee contract or the success of a predetermined specified event and the income is reasonably determinable. Fees are earned in both cash and securities. Fees earned in the form of securities are valued at market.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have an impact on future periods.

Fair Value of Financial Instruments

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Income Taxes

The Company, a limited liability company, is taxed as a division of its sole member under the Internal Revenue Code and a similar state statute. In lieu of income taxes, the Company passes 100% of its taxable income and expenses to its sole member. Therefore, no provision or liability for federal or state income taxes is included in these financial statements. However, the Company is subject to the annual California LLC tax of \$800. The Company is no longer subject to examinations by major tax jurisdictions for years before 2011.

Martin Wolf Securities LLC

Notes to the Financial Statements

December 31, 2015

3. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 Unobservable inputs for the asset or liability.

Determination of Fair Value

Under the Fair Value Measurements Topic of the FASB Accounting Standards Codification, the Company bases its fair value on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. It is the Company's policy to maximize the use of observable inputs and minimize the use of unobservable inputs when developing fair value measurements, in accordance with the fair value hierarchy. Fair value measurements for assets and liabilities where there exists limited or no observable market data and, therefore, are based primarily upon management's own estimates, are often calculated based on current pricing policy, the economic and competitive environment, the characteristics of the asset or liability and other such factors. Therefore, the results cannot be determined with precision and may not be realized in an actual sale or immediate settlement of the asset or liability. Additionally, there may be inherent weaknesses in any calculation technique, and changes in the underlying assumptions used, including discount rates and estimates of future cash flows, that could significantly affect the results of current or future value.

Following is a description of valuation methodologies used for assets recorded at fair value.

Money Market Funds

Valued at closing price in active market.

Assets and Liabilities Measured and Recognized at Fair Value on a Recurring Basis

The table below presents the amounts of assets measured at fair value on a recurring basis as of December 31, 2015:

	Level 1	Level 2	Level 3	Total
Assets at fair value				
Money market funds	\$ 127,758	\$ -	\$ -	\$ 127,758
Total assets at fair value	\$ 127,758	\$ -	\$ -	\$ 127,758

Martin Wolf Securities LLC

Notes to the Financial Statements

December 31, 2015

4. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's uniform net capital rule (Rule 15c3-1) which requires the Company to maintain a minimum net capital equal to or greater than \$5,000 and a ratio of aggregate indebtedness to net capital not exceeding 15 to 1, both as defined. At December 31, 2015, the Company's net capital was \$911,768 which exceeded the requirement by \$906,768.

5. Risk Concentration

Due to the nature of the merger and acquisition business, the Company's investment banking fees during the period was primarily the result of a few transactions. Approximately 71% of revenue was generated from three customers.

Deposits at a financial institution exceeded the federally insured limits by \$609,052. Additionally, \$127,758 was held in an uninsured money market account at year end.

6. Related Party Transaction

Martin Wolf Associates Incorporated (MWA) is the Company's sole member. MWA provides office space and pays most overhead expenses for the Company. The Company's results of operations and financial position could differ significantly from those that would have been obtained if the entities were autonomous.

8. Subsequent Events

The Company has evaluated subsequent events through February 25, 2016, the date which the financial statements were issued.

**Independent Accountant's Agreed-Upon Procedures Report on Schedule of Assessment and Payments
(Form SIPC-7)**

To the Member
Martin Wolf Securities LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by Martin Wolf Securities LLC (the "Company"), and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences (if applicable).

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Review Report of Independent Registered Public Accounting Firm

To the Member
Martin Wolf Securities LLC

We have reviewed management's statements, included in the accompanying SEA 15c3-3 Exemption Report, in which (1) Martin Wolf Securities LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
