T. R. WINSTON & COMPANY, LLC

Notes to Financial Statements for the year ended December 31, 2015

1. Organization and Nature of Business

T.R. Winston & Company, LLC (the "Company") is a licensed securities broker-dealer in all states and the District of Columbia and is registered with the Securities and Exchange Commission ("SEC"). The Company is also a member of the Financial Industry Regulatory Authority, Inc. ("FINRA"), The NASDAQ Stock Market, LLC ("NASDAQ") and the Securities Investor Protection Corporation ("SIPC"). The Company conducts retail and institutional securities brokerage, trading and investment banking business.

2. Significant Accounting Policies

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services, including principal transactions, agency transactions, investment banking, investment advisory and venture capital businesses. The Company records all securities transactions and the related revenues and expenses on a trade-date basis. The effect of all unsettled transactions at December 31, 2015 is accrued in the statement of financial condition.

Use of Estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Securities Owned:

The Company takes proprietary trading securities positions to satisfy customer demand for NASDAQ market and over-the-counter securities. Realized and unrealized gains and losses from holding proprietary trading positions for resale to customers are included in principal transactions trading revenues. The Company also holds principal investment securities. Realized and unrealized gains and losses from principal investment securities are included in principal transactions investing revenues. All securities are presented at fair value.

T. R. WINSTON & COMPANY, LLC

**Notes to Financial Statements
for the year ended December 31, 2015 (Continued)**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad categories:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 – Unobservable inputs for the asset or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized as Level 3. The Company only uses Level 1 inputs to value its securities.

Brokerage Commissions and Fees:

The Company records brokerage commission and fees and related expenses on a trade-date basis as transactions occur.

Investment Banking and Consulting Fees:

Investment banking fees include net revenues arising from securities offerings in which the Company acts as a placement agent and are recorded when each transaction is closed. Investment banking fees also include revenues earned from providing merger and acquisition and strategic and restructuring advice to corporate clients and are recorded as revenue when earned, which varies by engagement. Any unearned fees received are recorded as deferred revenue. The Company will supplement its existing employees by engaging independent licensed contractors to perform some of the services required.

T. R. WINSTON & COMPANY, LLC

**Notes to Financial Statements
for the year ended December 31, 2015 (Continued)**

Interest Income/Expense:

The Company receives interest income on its credit balances at the clearing broker and is charged interest expense on its debit balances at the clearing broker.

Income Taxes:

The Company was formed as a Delaware limited liability company during 2003 and as such is classified as a partnership for federal income tax purposes; therefore, the taxable income or loss from the Company's operations is allocated to the Company's members. However, the Company is responsible for franchise tax fees and other minimum taxes imposed by several state and local authorities. The Company is required to pay franchise taxes to the City of Los Angeles which amounted to \$18,000 during the year ended December 31, 2015. For financial statement purposes, the Company utilizes recognition threshold and measurement principles of tax positions taken or expected to be taken on a tax return. Tax returns for the 2012 and forward years are subject to audit by federal and state jurisdictions. At December 31, 2015, there were no significant income tax uncertainties that are expected to have a material impact on the Company's financial statements. In addition, no interest or penalties were recorded as of December 31, 2015.

Cash and Cash Equivalents:

The Company considers as cash equivalents all short-term investments with an original maturity of three months or less, which are highly liquid and are readily exchangeable for cash at amounts equal to their stated value. The Company maintains cash and cash equivalent balances at financial institutions which, at times, exceed insured limits.

Leasehold Improvements:

The Company records all leasehold improvements at cost. Amortization of leasehold improvements is computed using the straight-line method over the five year life of the lease. Amortization of leasehold improvements for the year ended December 31, 2015 amounted to \$10,289.

Subsequent Events:

The Company has evaluated its subsequent events and transactions occurring after December 31, 2015 through February 16, 2016, the date which the financial statements were available to be issued. The Company is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

T. R. WINSTON & COMPANY, LLC

Notes to Financial Statements for the year ended December 31, 2015 (Continued)

3. Clearing Broker

The Company has entered into a Fully Disclosed Clearing Agreement with Pershing, LLC, a subsidiary of The Bank of New York Mellon Corporation, (the "Clearing Broker"). The Clearing Broker carries cash and margin accounts of the customers introduced by the Company and clears transactions on a fully disclosed basis for such accounts. In addition, the Clearing Broker is responsible for carrying, maintaining and preserving such books and records pertaining to its function as a Clearing Broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities Exchange Act of 1934.

Pursuant to the fully disclosed clearing agreement, the Company has a deposit of \$250,000 on account with the Clearing Broker. At December 31, 2015, the amount receivable from the Clearing Broker was approximately \$62,000. The Company is subject to credit risk should the Clearing Broker be unable to repay the deposit, amounts due from the Clearing Broker or the securities owned by the Company and held in custody by the Clearing Broker.

4. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015, the Company had net capital of \$290,034 which was \$190,034 in excess of its required net capital of \$100,000. The Company's ratio of aggregate indebtedness to net capital was 3.38 to 1. The Company is not required to furnish the "computation of reserve requirements" under Rule 15c3-3 of the Securities and Exchange Commission due to the fact that it qualifies for, and complies with, the exemptive provision k(2)(ii) of Rule 15c3-3. This provision exempts brokers or dealers who clear all transactions on behalf of customers with a Clearing Broker on a fully disclosed basis (Note 3) from having to furnish the "computation of reserve requirements."

T. R. WINSTON & COMPANY, LLC

**Notes to Financial Statements
for the year ended December 31, 2015 (Continued)**

5. Commitments and Contingencies

Leases:

The Company continues to lease its main office facilities on a month-to-month basis from an unrelated party. The Company has signed five-year lease agreements for its Los Angeles, California and New York, New York offices with different unrelated parties. As a condition to these leases the Company had to provide the Los Angeles and New York landlords with irrevocable letters of credit in the amounts of \$75,000 and \$135,030, respectively. These letters of credit are collateralized by certificates of deposit of like amounts and are included in other assets. There were no amounts drawn on either letter of credit as of December 31, 2015.

The Company subleases part of its main and Los Angeles premises to several subtenants on a monthly basis. Rental income under these sublease agreements in 2015 was approximately \$69,000. Aggregate net rent expense for the year ended December 31, 2015 was approximately \$567,000. The Company leases one additional office space location under a two-year lease agreement and also leases one additional office space location on a month-to-month basis.

The Company leases all of its facilities under operating leases. Two of these lease agreements provide for rent holidays and escalation clauses. U.S. GAAP requires rent expense to be recognized on a straight-line basis over the lease term. The difference between the rent due under the stated periods of the leases compared to the straight-line basis is recorded as deferred rent. Future minimum rental requirements under the terms of all leases are:

2016	\$ 533,000
2017	\$ 545,000
2018	\$ 569,000
2019	\$ 584,000
2020	\$ 288,000

Legal Matters:

The Company, as part of doing business, may from time to time be involved in legal matters. In the opinion of management and after consultation with legal counsel, there are no matters, alone or in the aggregate, that are considered to be material to the financial statements.

T. R. WINSTON & COMPANY, LLC

Notes to Financial Statements for the Year Ended December 31, 2015 (Continued)

6. Related Party Transactions

In accordance with an expense sharing agreement the Company reimburses Bedminster Management Corp. ("BMC") for the cost of certain group medical insurance and office supplies. BMC is owned one-third by the Company and two-thirds by unrelated entities that sublease office space in the Company's main office.

BMC, the Company and these unrelated entities share certain office and other expenses on a pro-rata basis. Such reimbursements were approximately \$425,000 for the year ended December 31, 2015.

7. Securities Owned

Securities owned consisted entirely of marketable equity securities. These securities are recorded at fair values that were available in active markets for identical investments ("Level 1") as of December 31, 2015 and are listed below by industry segment:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Other	21,033	-	-	21,033
	<u>\$ 1,067,653</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,067,653</u>

Approximately \$6,000 of securities owned consisted of companies established under the laws of a foreign country but are traded on U.S. markets.

T. R. WINSTON & COMPANY, LLC

**Notes to Financial Statements
for the Year Ended December 31, 2015 (Continued)**

8. Off-Balance Sheet Risk

As a securities broker-dealer, the Company is engaged in various trading and brokerage activities, on an agency and principal basis. The Company's exposure to off-balance sheet credit risk occurs if a customer, clearing agent or counterparty does not fulfill their obligations arising from a transaction.

The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to nonperformance by its customers. The Company seeks to control the risk associated with nonperformance by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, requiring customers to deposit additional collateral, or reduce positions when necessary, and reserving for doubtful accounts when necessary.

9. Subordinated Borrowings

Effective May 1, 2010 the Company entered into a subordinated loan agreement for equity capital with its controlling member in the amount of \$1,000,000, payable on April 30, 2013 and bearing interest at the rate of three percent per annum. During 2012 and again in 2015 the Company and the controlling member amended this subordinated loan agreement extending the maturity until April 30, 2016 then April 30, 2017 respectively. Interest expense under this agreement aggregated \$30,000 for the year ended December 31, 2015. This agreement has been accepted by FINRA and is considered a satisfactory subordination agreement pursuant to the provisions of Rule 15c3-1 under the Securities Exchange Act of 1934. The amounts payable under this agreement are subordinate to all claims of present and future creditors of the Company arising out of any matter occurring prior to April 30, 2017. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

We have reviewed management's statements, included in the accompanying Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements in which (1) T.R. Winston & Company, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which T.R. Winston & Company, LLC claimed an exemption from 17 C.F.R. §240.15c3-3:(2)(ii) ("exemption provisions"), and (2) T.R. Winston & Company, LLC stated that T.R. Winston & Company, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. T.R. Winston & Company, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about T.R. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

To the Members
T.R. Winston & Company, LLC
Bedminster, New Jersey

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2015, which were agreed to by T.R. Winston & Company, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating T.R. Winston & Company, LLC's compliance with the applicable instructions of Form SIPC-7. T.R. Winston & Company, LLC's management is responsible for T.R. Winston & Company, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences (if applicable).

We were not engaged to, and did not conduct, an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be, and should not be, used by anyone other than these specified parties.
