These financial statements are the responsibility of Financial Strategies FP, LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Financial Strategies FP, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Schedule I, computation

of net capital under SEC Rule 15c3-1 and Schedule II, computation for determination of reserve requirements under SEC Rule 15c3-3 (exemption) are fairly stated, in all material respects, in relation to the financial statements as a whole.

**FINANCIAL STRATEGIES FP, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2015**

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES**

**Organization and Nature of Business:**

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC), and the Financial Industry Regulatory Authority, Inc. (FINRA).

**Fee and Commission Income**

Fees are earned from providing advice on asset allocation, analysis and review of both marketable and privately placed securities, review of investment managers and brokers, and recommending specific mutual funds to clients.

Commissions are earned from referring clients to full service brokers.

**Accounts Receivable**

Management closely monitors outstanding accounts receivable, and charges off to expense all balances that are determined to be uncollectible.

**Revenue Recognition**

Fees and commission income are recognized on the trade date (accrual basis).

**Income Taxes**

Taxable income (or loss) is passed through to the sole member of the company, and not taxed at the company level. Thus there is no provision or liability for income taxes in these financial statements.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 2 - NET CAPITAL**

As a broker-dealer, the Company is subject to the Securities and Exchange Commission's regulations and operating guidelines, which requires the Company to maintain a specified amount of net capital, as defined of \$5,000, and a ratio of aggregate indebtedness to net capital, as defined, not exceeding 15 to 1. The Company's net capital, as computed under Rule 15c3-1, was \$12,108 at December 31, 2015, which exceeds required net capital of \$5,000 by \$7,108. The ratio of aggregated indebtedness to net capital at December 31, 2015 was .36 to 1.

**FINANCIAL STRATEGIES FP, LLC**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**DECEMBER 31, 2015**

**NOTE 3 - RELATED PARTY TRANSACTIONS**

The Company utilizes office space from its sole member. No rent was charged to the Company in 2015. The Company does have a cost-sharing agreement where the affiliate, Steven A. Branson, Esq., has adequate assets and has agreed to pay all expenses such as rent and utilities relating to activities of the Company.

**NOTE 4 – CONCENTRATIONS**

The Company derived 100% of its revenue from one customer for the year ended December 31, 2015.

**NOTE 5 – FAIR VALUE**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 1 inputs.

## Report of Independent Registered Public Accounting Firm

To the Sole Member of  
Financial Strategies FP, LLC

We have reviewed management's statements, included in the accompanying exemption report, in which (1) Financial Strategies FP, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Financial Strategies FP, LLC claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) Financial Strategies FP, LLC stated that Financial Strategies FP, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Financial Strategies FP, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Financial Strategies FP, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

## Assertions Regarding Exemption Provisions

I, as the sole member of management of Financial Strategies FP, LLC ("the Company"), am responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

### **Identified Exemption Provision:**

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).

### **Statement Regarding Meeting Exemption Provision:**

The Company met the identified exemption provision without exception throughout the period June 1, 2014 to December 31, 2014.
