Report of Independent Registered Public Accounting Firm

To the Member
Chickasaw Securities, LLC
Memphis, Tennessee

We have audited the accompanying financial statements of Chickasaw Securities, LLC, a wholly-owned subsidiary of Chickasaw Capital Management, LLC, which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Chickasaw Securities, LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Chickasaw Securities, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information on pages 9 through 13 has been subjected to audit procedures performed in conjunction with the audit of Chickasaw Securities, LLC's financial statements. The supplemental information is the responsibility of Chickasaw Securities, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

CHICKASAW SECURITIES, LLC
(A Wholly-Owned Subsidiary of Chickasaw Capital Management, LLC)

Notes to the Financial Statements

December 31, 2015

Note 1 – Organization and Nature of Business

Chickasaw Securities, LLC (the “Company”) is a limited liability company formed on October 1, 2003 under Delaware law. The Company is a fully disclosed broker-dealer of investment securities with operations beginning on March 1, 2004. Primarily, the Company is a retail broker, and serves individual and institutional clients in a multi-state area. Since the Company is a fully disclosed broker-dealer, substantially all of its transactions are cleared through a clearing firm. The Company is a wholly-owned subsidiary of Chickasaw Capital Management, LLC.

Note 2 – Summary of Significant Accounting Policies

Net Capital Requirements

Pursuant to the net capital requirements of the Securities and Exchange Commission, the Company is required to maintain a minimum net capital of \$50,000 as defined in the rules and regulations. The rule prohibits a broker-dealer from allowing its aggregate indebtedness to exceed fifteen times its net capital. In addition, the Company may not allow withdrawal of equity capital if its aggregate indebtedness exceeds ten times its net capital as defined under the rule. At December 31, 2015, the Company had net capital of \$197,673 after all required deductions and a ratio of aggregate indebtedness to net capital of 0.0073 to 1 at December 31, 2015.

Clearing Arrangement

All customer accounts, other than certain mutual funds, are carried with J.P. Morgan Clearing Corp. (J.P. Morgan), a member of the New York Stock Exchange. The Company’s commissions are collected by J.P. Morgan, as the Company’s clearing firm. The clearing firm remits the commissions, net of clearing charges, to the Company on a monthly basis, in the month following the date of the transactions.

Customer Transactions

The Company does not hold any securities in safekeeping for its clients.

Cash Equivalents

Cash equivalents include short term, highly liquid investments having original maturities of three months or less that are both readily convertible to known amounts of cash or are so near to maturity that they present insignificant risk of changes in value because of changes in interest rates.

Notes to the Financial Statements

December 31, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Deposits with Clearing Organization

Included in cash and cash equivalents is a special deposit account that J.P. Morgan requires the Company to maintain on deposit with a minimum of \$100,000 in cash or equivalent. This deposit is maintained in a separate interest bearing account. At December 31, 2015, the balance in this special deposit account amounted to \$114,208.

Income Taxes

The Company is included in the consolidated federal partnership return of income of Chickasaw Capital Management, LLC, and is not subject, as an entity, to the payment of federal income taxes. The Company does file a separate Tennessee Franchise and Excise Tax Return and is subject to Tennessee franchise and excise taxes.

The Company recognizes the tax benefits of uncertain tax positions only where the position is “more likely than not” to be sustained assuming examination by tax authorities. Management has analyzed the Company’s tax positions, and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for open tax years (2012 – 2014), or expected to be taken in the Company’s 2015 tax returns. The Company identifies its major tax jurisdictions as U.S. Federal and Tennessee State; however the Company is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially in the next twelve months.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Subsequent Events

Management has evaluated subsequent events through February 17, 2016, the date the financial statements were available to be issued.

Notes to the Financial Statements

Note 3 – Related Party Transactions

The Company has a service agreement with its parent, Chickasaw Capital Management, LLC (CCM), whereby CCM provides administrative, office and management services for the Company. In exchange for these services, the Company pays a monthly service fee of \$1,000 to CCM plus 90% of the monthly net operating income of the Company as defined by the agreement.

Service fee expense for the year ended December 31, 2015 amounted to \$125,540. In addition, the amount due to CCM at December 31, 2015 for the December service fee amounted to \$819.

Note 4 – Current Vulnerability due to Certain Concentrations

The Company operates in a heavily regulated environment. The operations of the Company are subject to the administrative directives, rules and regulations of federal, state and other regulatory agencies. Such administrative directives, rules and regulations are subject to varying interpretations. Additionally, these administrative directives, rules and regulations are subject to change by an act of congress or an administrative change mandated by the agencies.

We have reviewed management's statements, included in the accompanying Exemption Report, in which Chickasaw Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Chickasaw Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) Chickasaw Securities, LLC stated that Chickasaw Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Chickasaw Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Chickasaw Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k), (2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.
