## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of  
BHK Securities, LLC  
Birmingham, Alabama

We have audited the accompanying financial statements of BHK Securities, LLC (the Company) which comprise the statements of financial condition as of December 31, 2015 and 2014, and the related statements of income, changes in member's equity and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BHK Securities, LLC as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying Schedule I - Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining

Members:

- The American Institute of Certified Public Accountants
- The Alabama Society of Certified Public Accountants
- PCPS - The AICPA Alliance for CPA Firms
- National CPA Health Care Advisors Association

whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**BHK SECURITIES, LLC**  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

---

**1. ORGANIZATION AND NATURE OF BUSINESS**

BHK Securities, LLC (the Company) is an introducing Broker Dealer that was organized in 2006 as an LLC with perpetual duration for the purpose of engaging in the business of effecting transactions in securities for the accounts of others, effecting transactions in securities for the Company's own account, to act as intermediary between buyers and sellers, to charge commissions, to act as an agent when buying securities to act as a principal when selling securities and to engage in all other activities related incidental thereto. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the Financial Industry Regulatory Authority ("FINRA"). The Company is a wholly owned subsidiary of BHK Holdings, LLC (the Parent).

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation* - The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services. The financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

*Evaluation of subsequent events* - Management has assessed subsequent events through February 16, 2016, the date the financial statements were available to be issued and concluded no events or transactions occurred during that period requiring recognition or disclosure.

*Use of Estimates* - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and Cash Equivalents* - For the purposes of the Statement of Cash Flows, the Company considers all highly liquid investments, with an original maturity of three months or less, that are not held for sale, to be cash equivalents. From time to time, the Company may maintain cash balances with financial institutions in excess of federally insured limits.

*Receivable from Clearing Organization* - The Company reports receivables at net realizable value. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. On a continuing basis, management analyzes delinquent receivables and once these receivable are determined to be uncollectible they are written-off through a charge against an existing allowance account or against earnings. The Company is also required, by agreement, to maintain at all times a broker's deposit account with its clearing broker in the amount of \$100,000.

**Investment Advisory and Account Supervision Income** - Investment advisory and account supervision commissions and fees are received quarterly but are recognized as earned on a pro rata basis over the term of the contract.

**Commissions** - Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

**Income taxes** - The Company is a limited liability company. Accordingly, under the Internal Revenue Code, all taxable income or loss flows through to its members. Therefore, no income tax expense or liability is recorded in the accompanying financial statements.

The Company follows guidance pertaining to accounting for uncertainty in income taxes. As a result of this adoption, management assessed whether there were any uncertain tax positions which may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. The Company files income tax returns in the U.S. federal jurisdiction and the state of Alabama. With few exceptions, the Company is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2012.

**INDEPENDENT ACCOUNTANTS'  
REVIEW REPORT  
ON MANAGEMENT'S  
EXEMPTION REPORT**

To the Members of  
BHK Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) BHK Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which BHK Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) BHK Securities, LLC stated that BHK Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. BHK Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about BHK Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by BHK Securities, LLC, and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the SIPC, solely to assist you and the other specified parties in evaluating BHK Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). BHK Securities, LLC's management is responsible for the BHK Securities, LLC's compliance with those requirements. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting any adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
