INDEPENDENT AUDITORS' REPORT

Mr. Keith Aufhauser
Aufhauser Securities, Inc.
112 West 56th Street
New York, NY 10019

We have audited the accompanying statement of financial condition of Aufhauser Securities, Inc. as of December 31, 2015, and the related statements of operations, changes in members' equity, cash flows for the year then ended, and the related notes to the financial statements that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fieldstone Services Corp as of December 31, 2015, and the results of its operations, and its cash flows for the year then ended, in accordance with Public Company Accounting Oversight Board (United States).

Our audit was conducted for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in the supplementary schedules on page 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the Public Company Accounting Oversight Board (United States). In our opinion the information contained in the supplementary schedules on page 13, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Very truly yours,

Michael Damsky

Mr. Keith Aufhauser
Aufhauser Securities Inc.
112 West 56th Street
New York, NY 10019

Dear Mr. Aufhauser:

We have reviewed management's statements, included in the accompanying Claim for Exemption in which Aufhauser Securities Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Aufhauser Securities, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: Aufhauser identified 15c-3-3(k)(2)(ii), and Aufhauser Securities Inc. stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. Aufhauser Securities Inc. management is responsible for compliance with the exemption provisions and its statements.

We have reviewed management's statements, included in the accompanying Claim for Exemption Report in which Aufhauser Securities Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k)(2)(ii) under which Aufhauser Securities Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: (the "exemption provisions") and Aufhauser Securities Inc. stated that they met the identified exemption provisions throughout the most recent fiscal year. Aufhauser Securities Inc. management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Aufhauser Securities Inc. compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.

MICHAEL DAMSKY CPA, P.C.

**INDEPENDENT AUDITORS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN
ENTITY'S SIPC ASSESSMENT RECONCILIATION**

Mr. Keith Aufhauser
Aufhauser Securities, Inc.
112 West 56th Street
New York, New York 10019

We have examined the financial statements of Aufhauser Securities, Inc. as required by the Financial Industry Regulatory Authority and the Securities and Exchange Commission as of December 31, 2015 and have issued a report thereon dated February 23, 2016. In accordance with rule 17a-5(e)(4) of the Securities and Exchange Commission, we have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of Aufhauser Securities, Inc. for the year ended December 31, 2015. Our procedures were performed solely to assist you in complying with rule 17a-5(e)(4), and our report is not to be used for any other purpose. The procedures we performed were as follows:

1. Compared listed assessment payments with respective cash disbursement records entries;
2. Compared amounts reported on the audited form X-17A-5 for the period January 1, 2015, to December 31, 2015, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, we found that the Company overpaid SIPC by \$63.00 in that it did not deduct the proper amount of commissions paid to other broker/dealers. Nothing else came to our attention that caused us to believe that the amounts shown on Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of Aufhauser Securities, Inc. taken as a whole.

Very truly yours,
MICHAEL DAMSKY CPA, P.C

AUFHAUSER SECURITIES INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

Organization and Nature of Business:

Aufhauser Securities, Inc. (the "Company"), established on June 14, 1994, is registered as a broker-dealer under the Securities and Exchange Act of 1934, and also is a member of the Financial Industry Regulatory Authority ("FINRA"). The company operates as a discount broker. It clears all transactions on a fully disclosed basis through a clearing broker.

Summary of Significant Accounting Policies

Basis of Presentation

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

The Company has traded in stocks and options for its own accounts.

The Company is registered with the SEC as a market maker, but it has not made any market during calendar year 2015.

Securities are carried at market value.

Revenue Recognition

Commission revenues include commissions, mutual fund distribution fees and contingent deferred sales charge revenue, which are all accrued as earned.

Securities transactions and the related commission revenue and expenses are recorded on the trade date. The Company is exposed to risk of loss on these transactions in the event a client or broker fails to meet the terms of their contracts, in which case the Company may have to purchase or sell the positions at prevailing market prices.

Cash and Cash Equivalents

Cash and cash equivalents include cash maintained at a U.S. bank. The Company defines cash equivalents as short term interest bearing investments with original maturities at the time of purchase of three months or less. At December 2015, cash and cash equivalents balance was zero. In order to pay current expenses, the Company operates a

"Cash Management Account" at its clearing broker and carries the balance in that account as an asset due from its clearing broker.

Securities owned, at fair value

Securities owned are recorded at estimated fair value using closing exchange quoted prices. Principal securities transactions and related revenues and expenses are recorded on a trade date basis.

Income Taxes

The Company provides for income taxes on all transactions that have been recognized in the Financial Statements in accordance with ASC 740, Income Taxes ("Income Tax Accounting"). Accordingly, deferred taxes are adjusted to reflect the tax rates at which future taxable amounts will likely be settled or realized. The effects of tax rate changes on deferred tax liabilities and deferred tax assets, as well as other changes in income tax laws, are recognized in net earnings in the period during which such changes are enacted. Valuation allowances are established when necessary to reduce deferred tax assets to the amounts that are more-likely-than-not to be realized. As of December 31, 2015, the company's income tax provision is \$13,112.

Receivable From and Payable to Broker-Dealers, Exchanges, and Clearing Organizations

Receivable from brokers include cash held at clearing brokers, amounts receivable for unsettled transactions, and fees & commissions payable and receivable. The Company executes trades which are cleared by clearing broker and is subject to credit risk in the event counterparty does not fulfill its obligation to complete a transaction. Under the terms of its arrangements with the clearing broker, the clearing broker has the right to charge the Company for losses resulting from the Company's failure to fulfill its contractual obligations, and these losses are not capped. At December 31, 2015, the Company had not recorded any liabilities with regard to this right, with the exception of a \$100,000 charge to reflect the probable change in clearing brokers in 2015 and the associated termination fee.

Securities owned, at fair value

Fair Value Measurement

ASC 820, "Fair Value Measurement and Disclosures" defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, income or cost approach, as specified by ASC 820, are used to

measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1: These are inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access.

Level 2: These are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3: These are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include The Company's own data.

As of December 31, 2015, the Company balance for securities owned was zero.

Regulatory Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule, (Rule 15c3-1) which requires the maintenance of minimum net capital. As a broker-dealer and member organization of "FINRA", the Company is subject to the Uniform Net Capital Rule 15c3-1 as defined, of 6.667% of aggregate indebtedness, as defined, or \$250,000 whichever is greater. At December 31, 2015, the company reported a net capital of \$1,508,318 which exceeded that minimum requirement of \$250,000 by \$ 1,258,318.

The company's minimum net capital requirement, according to SEC 15c3-1 is \$250,000. Nonetheless, during the period January 1, 2015 through December 31, 2015, the company reported (and exceeded) a minimum net capital on its FOCUS reports through an abundance of caution.

The Company is exempt from SEC Rule 15c3-3 pursuant to paragraph (k) (2) (ii), because it does not carry security accounts for customers or perform custodial functions related to customer securities.

Litigation, Arbitration, Regulatory Action

In the normal course of business, the Company may be named as a defendant in certain litigation, arbitrations and regulatory actions arising out of its activities as broker dealer in securities. Management believes that as of December 31, 2015, that the Company is not subject to any litigation, arbitration, or regulatory action.

Risk

In the normal course of business, the Company's securities activities involve execution, settlement and financing of various securities transactions on behalf of customers. These activities may expose the Company to off-balance sheet credit and market risk in the event the Company's clearing broker is unable to complete a transaction.

The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers. The Company is obligated to settle transactions with brokers and/or other financial institutions even if its customers fail to meet their obligations to the Company. Customers are required to complete their transactions on settlement date, generally three business days after trade date. If customers do not fulfill their contractual obligations, the Company may incur losses.

Market Risk

Market risk is the risk of loss resulting from adverse changes in market rates and prices, including interest rates and foreign currency exchange rates. As of December 31, 2015 the company incurred no such risk.

Margin Risk

Margin risk occurs because the Company may borrow funds in order to increase the amount of capital available for investing or trading purposes. As of December 31, 2015, the company had no margin loans payable.

Concentration

The Company is dependent on its clearing brokers to execute its trading strategy and is exposed to risk if the clearing brokers fail to meet their obligations. The replacement of this service could take several months, thereby affecting the normal operations of company.

Transactions with Related Parties

The Company has a services, space sharing, and expense agreement with an affiliated company. This agreement covers support services provided by the affiliated employees, fixed expenses, and office space utilized by the Company. As of December 31, 2015, total payable to affiliates was \$9,000 and reflected in accounts payable.

Subsequent Events

The Company has performed an evaluation of subsequent events through February 23, 2016, which is the date the financial statements were issued. There have been no material subsequent events that occurred during such period that would be required to be recognized in the financial statements as of and for the year ended December 31, 2015.

Aufhauser Securities Inc.

**CLAIM FOR EXEMPTION FROM THE
REPORTING REQUIREMENTS OF SEC
RULE 15c3-3**

December 31, 2015

Pursuant to the Securities and Exchange Act of 1934, rule 17a-5, we provide the following statement:

The company is a non-clearing, introducing broker. The company operates with a minimum net capital requirement of \$250,000. The company claims exemption from SEC rule 15c3-3 relating to the custody of customer funds in accordance with SEC rule 15c-3-3(k)(2)(ii). The company met the requirements of SEC rule 15c3-3(k)(2)(ii) throughout the period from January 1, 2015 through December 31, 2015.
