REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Brattle Advisors LLC

We have audited the accompanying financial statements of Brattle Advisors LLC (the “Company”), which comprise the statement of financial condition as of December 31, 2015, and the related statements of operation, changes in members’ equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company’s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform an audit of the Company’s internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Brattle Advisors LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Computation of Net Capital Under Rule 15c3-1, Computation for Determination of Reserve Requirements and Information relating to Possession or Control Requirements Under Rule 15c3-3 has been subjected to audit procedures performed in conjunction with the audit of Brattle Advisors LLC’s financial statements. The supplemental information is the responsibility of Brattle Advisors LLC’s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

1. ORGANIZATION AND NATURE OF BUSINESS

Brattle Advisors LLC (the Company) was organized on July 13, 2009. The Company, which is based in Boston, Massachusetts, is a registered Broker-Dealer and in this capacity provides institutional private placement services. The Company is subject to the regulations of certain federal and state agencies, and undergoes periodic examinations by the Financial Industry Regulatory Authority.

Recent Issued Accounting Pronouncements

The Company does not believe that the adoption of any recently issued, but not yet effective, accounting standards will have a material effect on its financial position and results of operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in conformity with U.S generally accepted accounting principles (“GAAP”) and the rules and regulations of the United States Securities and Exchange Commission (the “Commission”). It is management’s opinion, that all material adjustments (consisting of normal recurring adjustments) have been made which are necessary for a fair financial statement presentation.

Cash and cash equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents are carried at cost, which approximates market value.

Accounting basis

The Company uses the accrual basis of accounting for financial statement and income tax reporting. Accordingly revenues are recognized when services are rendered and expenses realized when the obligation is incurred.

Income Taxes

The financial statements include only those assets, liabilities and results of operations which relate to the business of Brattle Advisors, LLC. The financial statements do not include any assets, liabilities, revenues, or expenses attributable to the members’ individual activities.

The Company is a limited liability company, taxed as a partnership for federal income tax purposes, and, thus, no federal income tax expense has been recorded in the financial statements. Taxable income of the Company is passed through to the members and reported on their individual tax returns.

Pursuant to accounting guidance concerning provision for uncertain income tax provisions contained in Accounting Standards Codification (“ASC”) 740-10, there are no uncertain income tax positions. The federal and state income tax returns are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets, and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Depreciation

The Company capitalizes major capital expenditures. Depreciation is based on straight line method over the following useful lives:

Computer and office equipment	5 years
Furniture and fixtures	7 years

Depreciation expense for the year ended December 31, 2015 was \$100.

Fair Values of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 825, "Financial Instruments," requires the Company to disclose estimated fair values for its financial instruments. Fair value estimates, methods, and assumptions are set forth below for the Company's financial instruments: The carrying amount of cash, accounts receivable, prepaid expenses and accounts payable and accrued expenses, approximate fair value because of the short maturity of those instruments.

Concentrations of Credit Risk

The Company places its cash with a high credit quality financial institution. The Company's account at this institution is insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. To reduce its risk associated with the failure of such financial institution, the Company evaluates at least annually the rating of the financial institution in which it holds deposits.

3. NET CAPITAL

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000, and requires that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 15 to 1. The rule also provides that equity capital may not be withdrawn, cash dividends paid or the Company's operations expanded, if the resulting net capital ratio would exceed 10 to 1. At December 31, 2015, the Company had net capital of \$60,018, which was \$55,018 in excess of the FINRA minimum net capital requirement of \$5,000.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

4. COMMITMENTS AND CONTINGENCIES

The Company occupies its office facilities as a tenant at will. The Company's office rent expense was \$8,130 for the year ended December 31, 2015, respectively.

5. SIPC RECONCILIATION REQUIREMENT

Securities Exchange Act ("SEA") Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

6. SUBSEQUENT EVENTS

The Company evaluated events occurring between the end of its fiscal year, December 31, 2015, and February 18, 2016, when the financial statements were issued.

Report of Independent Registered Public Accounting Firm

To the Members of
Brattle Advisors LLC

We have reviewed management's statements, included in the accompanying Exemption Report Pursuant to SEC Rule 15c3-3, in which (1) Brattle Advisors LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Brattle Advisors LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(i) (the "exemption provision") and (2) Brattle Advisors LLC stated that Brattle Advisors LLC met the identified exemption provision throughout the most recent fiscal year without exception. Brattle Advisors LLC's management is responsible for compliance with the exemption provision and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Brattle Advisors LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
