We have audited the accompanying statement of financial condition of Shannon Advisors LLC as of December 31, 2015. This financial statement is the responsibility of Shannon Advisors LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business. Shannon Advisors LLC (the “Company”) was incorporated in the State of Delaware in March 2009 and is a wholly-owned subsidiary of Shannon Advisors LP (the “Parent”). The Company is registered as a broker/dealer with the Securities and Exchange Commission and the Financial Industry Regulatory Authority (“FINRA”) and various states, and, in this capacity, it performs brokerage and private placement advisory services to private equity companies globally.

Significant Accounting Policies. The Company follows accounting principles generally accepted in the United States of America (“GAAP”) as established by the Financial Accounting Standards Board (“FASB”) to ensure consistent responding of financial condition, results of operations, and cash flows.

Management Estimates and Assumptions. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained and as the operating environment changes.

Cash and Cash Equivalents. All highly liquid investments purchased with an original maturity of three months or less are considered to be cash equivalents. The Company regularly maintains cash balances that exceed Federal Depository Insurance Corporation limits.

Accounts Receivable and Allowances for Uncollectible Accounts. Accounts receivable are reported net of any estimated allowances for uncollectible accounts and contractual adjustments. All receivables are uncollateralized. To provide for receivables that could become uncollectible in the future, the Company may establish an allowance for uncollectible accounts to reduce the carrying amount of such receivables to their estimated net realizable value. The allowance for uncollectible accounts is based upon management’s assessment of historical and expected net collections, business and economic conditions, and other collection indicators. No allowance was deemed necessary by management as of December 31, 2015.

Revenue Recognition.

Success Fee. Success fees are due in accordance with the terms of the executed agreement, typically either a percentage of the capital raised or committed or a fixed dollar amount. Revenue is recognized as these events are completed.

Retainer Fee. Retainer fees are earned in accordance with the terms of the executed engagement agreement, which often includes an immediate up front payment and sometimes involves monthly or quarterly payments thereafter for a set period.

Income Taxes. The Company is organized as a single member limited liability company, which is a disregarded entity for income tax purposes. Accordingly, the Parent’s partners are personally responsible for the federal and state income taxes on the Company’s taxable income, and therefore no provision for federal and state income taxes has been made in these financial statements.

The Company may make distributions to its member in 2016 in connection with such member’s respective income tax liability incurred for 2015.

SHANNON ADVISORS LLC

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1). Under this rule, the Company is required to maintain "minimum net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness," whichever is greater, and a ratio of "aggregate indebtedness" to "net capital" less than 15 to 1, as these terms are defined. Rule 15c3-1 also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2015, the Company had net capital of \$166,461 which was \$161,461 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital was .0357 to 1.

Management anticipates making capital distributions totaling approximately \$1,500,000 during the six months after December 31, 2015.

NOTE 3 – CONCENTRATIONS

For the year ended December 31, 2015, the Company had two clients that accounted for 94% of revenues. As of December 31, 2015, the Company had two clients that accounted for 100% of accounts receivable. The ongoing operation of the Company is economically dependent on its ability to enter into contracts with other parties.

NOTE 4 – COMMITMENTS, CONTINGENCIES AND INDEMNIFICATIONS

In the normal course of business, the Company enters into contracts that contain a variety of representations and warranties that provide indemnification under certain circumstances. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of future obligations under these indemnifications to be remote.

NOTE 5 – SUBSEQUENT EVENTS

Management has evaluated all subsequent events through the date the accompanying financial statements were issued.
