JOHN B. EVANS, II
CERTIFIED PUBLIC ACCOUNTANT

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Capstone Asset Planning Company (CAPCO)

I have audited the accompanying statement of financial condition of Capstone Asset Planning Company (CAPCO) as of March 31, 2016, and the related statements of operations, changes in shareholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of CAPCO's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CAPCO as of March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplementary information contained in: Schedule I - Computation of Net Capital Under Rule 15c3-1, Schedule II - Information for Possession or Control Requirements Under Rule 15c3-3, Schedule III - Independent Accountant's Agreed-Upon Procedures Report on Schedule of Assessment and Payments (Form SIPC-7) and Schedule IV - Exemption Report Review have been subjected to audit procedures performed in conjunction with the audit of CAPCO's financial statements. The supplemental information is the responsibility of CAPCO's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the supplemental information contained in Schedules I, II, III and IV is fairly stated, in all material respects, in relation to the financial statements as a whole.

CAPSTONE ASSET PLANNING COMPANY
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2016

NOTE A – NATURE OF OPERATIONS

Capstone Asset Planning Company (“CAPCO”) was incorporated in the state of Delaware in 1983 and was issued a Certificate of Authority by the State of Texas on March 15, 1984. It is wholly-owned by Capstone Financial Services, Inc. (“CFS”). CAPCO is a limited broker-dealer registered with the Securities & Exchange Commission (“SEC”) under rule 15c3-3(k)(1) which provides that it must promptly transmit all funds and promptly deliver all securities received in connection with its activities as a broker or dealer, and may not otherwise hold funds or securities for, or owe money or securities to, customers.

Acting as a distributor primarily for Steward Funds, Inc. (“SFI”), Capstone Series Fund, Inc. (“CSFI”) and Capstone Church Capital Fund (“CCCF”), each affiliated investment companies, CAPCO earns both 12b-1 fees and service fees. It also has selling agreements with certain other unaffiliated investment companies.

NOTE B – SIGNIFICANT ACCOUNT POLICIES

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America necessarily requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Accounts Receivable: Accounts receivable are recognized when the clients are billed. The accounts receivable balances as of March 31, 2016 are thought to be collectible and no provision for uncollectible accounts has been made in these statements.

Revenue Recognition: Fees relating to sale and distribution of registered investment company shares are recorded as earned.

Concentration of Credit Risk: Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of trade accounts receivable. The Company has confirmed all receivables accounts to be collectible. No allowance for bad or doubtful debts is considered necessary at fiscal year end.

Uninsured cash balances: The Company maintains cash balances at one bank. Cash accounts are insured by the FDIC for up to a maximum of \$250,000 per institution. Amounts in excess of insured limits were \$5,590 at March 31, 2016.

Income Taxes: CAPCO's taxable income and deductions are included in the consolidated federal return filed by CFS. CAPCO calculates its federal income tax liability as if it filed a separate company tax return.

The liability method is used in accounting for deferred income taxes. Under this method, deferred tax assets and liabilities are determined based on differences between financial reporting and tax basis of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse. The likelihood of the realization of deferred tax assets is evaluated annually and a valuation allowance is provided if it is more likely than not that the deferred tax assets will not give rise to future benefits in the Company's tax returns.

CAPCO follows the guidance issued by the Financial Accounting Standards Board ("FASB") in accounting for uncertainty in income taxes. This guidance clarifies the accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. As of March 31, 2016, there were no amounts that had been accrued with respect to uncertain tax positions. It is CAPCO's policy to include any interest or penalties as a component of income tax expense. CAPCO did not incur any interest or penalties.

Date of Management Review: Management has evaluated subsequent events through May 25, 2016, the date on which the financial statements were available to be issued.

NOTE C – RELATED PARTY TRANSACTIONS

Under various agreements with SFI and CSFI (affiliated investment companies), CAPCO earned 12b-1 fees and service fees of approximately \$422,421 for the year ended March 31, 2016. Under an agreement with CCCF (an affiliated investment company), CAPCO earned service fees of approximately \$45,457 for the year ended March 31, 2016.

Under a management agreement, CFS provides all management and back office services for CAPCO. CFS also pays certain overhead expenses, as defined in the management agreement. CAPCO pays CFS an administrative services fee monthly and the agreement renews annually, unless terminated by either party. Administrative service fee expense for the year ended March 31, 2016 was \$62,700. At March 31, 2016 CAPCO owed \$0 to its parent, CFS.

CAPCO's tax liability payable to CFS at March 31, 2016 was \$40,047.

NOTE D – NET CAPITAL REQUIREMENTS

CAPCO is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined,

See independent accountant's audit report

shall not exceed 15 to 1. At March 31, 2016, CAPCO had a net capital of \$181,435, which was \$156,435 in excess of its required net capital of \$25,000. CAPCO's ratio of aggregate indebtedness to net capital was 0.41 to 1. The SEC requirements provide that stockholder's equity may not be withdrawn or cash distributions paid if certain minimum net capital requirements are not met.

NOTE E – SUBSEQUENT EVENTS

CAPCO has evaluated all events subsequent to the financial statements date through the date these financial statements were available to be issued, which was May 25, 2016.

CAPCO is to file an amended FOCUS Part IIA dated March 31, 2016 to reflect changes to the net capital computation due to an year-end tax entry adjustment.

Exemption Report Review

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Capstone Asset Planning Company (CAPCO)

I have reviewed management's statements, included in the accompanying Exemption Report, in which (1) CAPCO identified the following provisions of 17 C.F.R. §15c3-3(k) under which CAPCO claimed an exemption from 17 C.F.R. §240.15c3-3(k)(1) (the "exemption provisions") and (2) CAPCO stated that CAPCO met the identified exemption provisions throughout the most recent fiscal year without exception. CAPCO's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about CAPCO's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.

CAPSTONE ASSET PLANNING COMPANY
EXEMPTION REPORT
YEAR ENDED MARCH 31, 2016

This Exemption Report was prepared as required by 17 C.F.R. 240.17a-5(d)(1) and (4).

- Capstone Asset Planning Company (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission
- The Company claimed an exemption under paragraph (k)(1) of Rule 15c3-3 for the fiscal year ended March 31, 2016.
- CAPCO is exempt from the provisions of Rule 15c3-3 because it meets conditions set forth in paragraph (k)(1) of the rule, of which, the identity of the specific conditions are as follows:
 - The provisions of this rule shall not be applicable to a broker or dealer meeting all of the following conditions: (i) The broker's or dealer's transactions as dealer (as principal for its own accounts) are limited to the purchase, sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; except that a broker or dealer transacting business as a sole proprietor may also effect occasional transactions in other securities for its own account with or through another registered broker or dealer; (ii) The broker's or dealers transactions as broker(agent) are limited to: (a) the sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as investment company; (b) the solicitation of share accounts for savings and loan associations insured by an instrumentality of the United States; and (c) the sale of securities for the account of a customer to obtain funds for immediate reinvestment in redeemable securities of registered investment companies; and (iii) The broker or dealer promptly transmits all funds and delivers all securities received in connection with its activities as a broker or dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers. (iv) Notwithstanding the foregoing, this rule shall not apply to any insurance company which is a registered broker-dealer, and which otherwise meets all of the conditions in paragraphs (k)(1)(i),(ii) and (iii) of this section, solely by reason of its participation in transactions that are a part of the business of insurance, including the purchasing, selling or holding of securities for or on behalf of such company's general and separate accounts.
- The Company may file an Exemption Report because the Company had no obligations under 17 C.F.R. 240.15c3-3(k): (1) - Limited business - sale or redemption of registered investment companies.
- CAPCO has met the identified exemption provisions throughout the most recent fiscal year without exception.
- CAPCO has not recorded any exceptions to the exemption for the fiscal year ended March 31, 2016.
