NOTE A – SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by Liberty Tree Advisors, LLC (the Company) and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

Liberty Tree Advisors, LLC (the "Company") was organized on February 22, 2006 under the laws of the State of Massachusetts as a Limited Liability Company. David K. Stone was Company's sole member until January 1, 2015, when Anne Enna was admitted as the second member.

The Company's registration as a broker-dealer with the Securities and Exchange Commission ("SEC") and as a member of the Financial Industry Regulatory Authority ("FINRA") was approved on August 8, 2007. The Company provides business consulting, private placement and other investment banking services for its clients in Massachusetts and elsewhere in the United States.

Description of Business

The Company is engaged in business as a securities broker dealer for private placements of securities, acting as a placement agent and as an intermediary between buyers and sellers of private equity funds in the secondary market.

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

The Company considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable – Recognition of Bad Debt

The Company considers its accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

Commission revenues are recorded by the Company when the service is rendered.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents. All of the Company's cash and cash equivalents are held at high credit quality financial institutions.

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at an amount that approximates fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of comprehensive income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended December 31, 2015, the Company did not have any components of comprehensive income to report.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations

The company has revenue concentrations. In 2015, revenue from a single customer represents 21% of total revenues, and the Company's three largest customers represented 51% of total revenues.

NOTE B – NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. There were no material differences in the net amount reported as Net Capital in the audited Computation of Net Capital and the broker-dealer's corresponding unaudited Part IIA of the FOCUS report required under Rule 15c3-1.

NOTE C – POSSESSION OR CONTROL REQUIREMENTS

The Company does not have any possession or control of customer's funds or securities, There were no material inadequacies in the procedures followed in adhering to the exceptive provisions of SEC Rule 15c-3-3(k)(ii).

NOTE D – ADVERTISING

The advertising expense for the year was \$239.40; the entire amount was expensed as incurred.

NOTE E – RELATED PARTY

The Company operates from the home office space of its Managing Member. No occupancy costs are charged to the Company for the use of this space.

NOTE F – SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 22, 2016, which is the date the financial statement were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions in which (1) Liberty Tree Advisors, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Liberty Tree Advisors, LLC claimed an exemption from 17 C.F.R. § 15c3-3(k)(2(i)), and (2) Liberty Tree Advisors, LLC stated that Liberty Tree Advisors, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Liberty Tree Advisors, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Liberty Tree Advisors, LLC's compliance with the exemption provisions. Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
