REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Bci Securities, Inc.

We have audited the accompanying statement of financial condition of Bci Securities, Inc. (the "Company") as of December 31, 2015, and the related statements of operations, cash flows and changes in stockholders' equity for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the financial position of Bci Securities, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The supplemental schedules I and II listed in the accompanying table of contents have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental schedules is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental schedules reconcile to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedules. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in compliance with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, such schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

BCI SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business and Organization — Bci Securities, Inc. (the "Company"), was incorporated on July 6, 2011, in the State of Florida. The Company is a wholly-owned subsidiary of Banco de Credito e Inversiones, S.A. ("BCI Chile and/or the "Parent"), and BCI Asesoria Financiera S.A., both of which are Chilean companies. On May 16, 2014 the Company was granted Financial Industry Regulatory Authority ("FINRA") membership as a registered broker dealer. The Company applied to the state of Florida to operate as a Registered Investment Advisor ("RIA"). On July 31, 2014, the Company was granted an RIA license by the Florida Office of Financial Regulation.

The Company has been authorized and intends to buy and sell equities, mutual funds, corporate debt, U.S. government bonds, sovereign debt and put and call options for its customers primarily residing in South America, in an agency capacity and charge a commission. The Company may enter into networking arrangements with banks, savings banks or credit unions. In addition, these arrangements may include kiosks which allow the Company to provide Bci Securities products and services at registered offices within banking institutions.

For the year ended December 31, 2015, the Company engaged in the preparation and adoption of various required FINRA membership policies including Know Your Client procedures, Anti-Money Laundering procedures, Written Supervisory procedures, External Audit of Anti-Money Laundering procedures, the hiring of compliance and sales staff, and held negotiations with a clearing firm.

As of December 31, 2015, the Company has not commenced sales operations. On November 25, 2015, the U.S. Federal Reserve approved non-banking activities for the Parent. This allows BCI Securities to engage in non-banking activities as a subsidiary of the Parent.

Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents — The Company has defined cash equivalents as those highly liquid financial instruments purchased with a maturity of three months or less at the time of acquisition.

Revenue Recognition — Interest income is recorded on an accrual basis.

Property and Equipment — Property and equipment are recorded at cost. Expenditures for major betterments and additions are charged to the asset accounts while replacements, maintenance, and repairs, which do not improve or extend the lives of the respective assets, are charged to expense currently.

Depreciation — Depreciation of property and equipment is computed using the straight-line method at various rates based upon the estimated useful lives of the assets. The Company's equipment is depreciated over 5 years.

BCI SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes — The Company accounts for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the financial statements. Under this method, deferred tax assets and liabilities are determined based on the differences between the financial statements and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

The Company records net deferred tax assets to the extent the Company believes these assets will more likely than not be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax-planning strategies, and results of recent operations. In the event the Company were to determine that the Company would be able to realize its deferred income tax assets in the future in excess of its net recorded amount, the Company would make an adjustment to the deferred tax asset valuation allowance, which would reduce the provision for income taxes.

As of December 31, 2015, the Company has a net operating loss deferred tax asset of \$1,183,000 and has recorded a valuation allowance of \$1,183,000 as management has determined on the weight of available evidence that it is more likely than not that the deferred tax asset will not be realized as of December 31, 2015.

As of December 31, 2015, the Company has federal and state income tax net operating loss (NOL) carry-forwards of \$3,144,162, which will begin to expire in 2031.

The Company accounts for uncertainty in income taxes by recognizing in its financial statements the tax effects of a position only if it is more likely than not to be sustained based solely on its technical merits; otherwise, no benefits of the position are to be recognized. Moreover, the more-likely-than-not threshold must continue to be met in each reporting period to support continued recognition of a benefit. As of December 31, 2015, the Company has not recorded any unrecognized tax benefits in the accompanying statements of assets, liabilities, and stockholder's equity. Management does not expect that unrecognized tax benefits will increase within the next 12 months. In the event the Company were to recognize interest and penalties related to uncertain tax positions, they would be recognized in the financial statements as income tax expense.

The Parent has committed to funding the Company up until three hundred and sixty-five (365) calendar days following the date on which the Company commences business as securities broker/dealer registered with FINRA. .

3. RELATED-PARTY TRANSACTIONS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Bci Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report under Rule 17a-5(d)(4) of the Securities and Exchange Commission, in which (1) Bci Securities, Inc. ("the Company") identified the following provisions of 17 C.F.R. § 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: paragraph (k)(2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the year ended December 31, 2015 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
