These financial statements are the responsibility of Reynolds Advisory Partners, LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Reynolds Advisory Partners, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

In forming our opinion on the supplementary information contained in Schedules I and II, we evaluated whether the supplementary information contained in Schedules I and II, including its form and content is presented in conformity with 17 C.F.R. REYNOLDS ADVISORY PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

A. Summary of Significant Accounting Policies

Organization

Reynolds Advisory Partners, LLC (the Company) is a FINRA member Broker/Dealer specializing in mergers and acquisitions, capital raising and related financial advisory services focused on middle market clients nationwide.

Cash and cash equivalents

The Company considers cash in banks and investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable represent engagement fees billed and not collected less an allowance for doubtful accounts, if applicable. No allowance for doubtful accounts was deemed necessary at December 31, 2015.

Property and Equipment

Property and equipment are stated at cost. Depreciation is calculated principally by the straight-line method using a useful life of 3 to 5 years. Maintenance and repairs are expensed as incurred. Major betterments are capitalized.

Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred.

REYNOLDS ADVISORY PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

A. Summary of Significant Accounting Policies (Continued)

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentration of credit risk consist primarily of temporary cash investments. The Company restricts temporary cash investments to financial institutions with high credit standing. Such temporary cash investments are often in excess of the FDIC insurance limit.

Income Taxes

The Company is not a taxpaying entity for federal income tax paying purposes. The Company does file a Limited Liability Company Return of Income for the state of California. Accordingly, no federal income tax expense has been recorded in the financial statements. Income of the Company is taxed on the federal level to the member in its tax return.

Uncertain Tax Positions

The Company records a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The Company's evaluation on December 31, 2015 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2012 through 2014 tax years remain subject to examination by the IRS. The Company does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

REYNOLDS ADVISORY PARTNERS LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

A. Summary of Significant Accounting Policies (Continued)

Income Statement Classification of Interest and Penalties

Interest and penalties associated with the Company's tax positions are reflected as interest expense in the financial statements. There were no interest or penalties incurred during the year ended December 31, 2015.

B. Subsequent Events

Management has reviewed subsequent events through February 19, 2016, which is the date the financial statements were available to be issued.

C. Significant Clients

The Company derived 81% of their revenue from two key clients during the year ended December 31, 2015. However, the makeup of the Company's client base will vary from year to year. Accordingly, an annual concentration in revenue from the same clients is remote.

D. Statutory Requirements

Pursuant to Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital as defined under such rule. At December 31, 2015, the Company's net capital was \$419,712 and the required net capital was \$5,000.

The Company is exempt from certain provisions of Rule 15c3-3 of the Securities Exchange Act of 1934 and, accordingly, is not required to maintain a "Special Account for Exclusive Benefit of Customers". Such exemption is in accordance with paragraph (k) (2) (i) of the Rule.
