Allen, Mooney & Barnes Brokerage Services, LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Allen, Mooney & Barnes Brokerage Services, LLC as of December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in the Supplemental Information contained in pages 9 and 10 has been subjected to audit procedures performed in conjunction with the audit of Allen, Mooney & Barnes Brokerage Services, LLC's financial statements. The supplemental information is the responsibility of Allen Mooney & Barnes Brokerage Services, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. 240.17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

ALLEN, MOONEY & BARNES BROKERAGE SERVICES, LLC  
(A WHOLLY OWNED SUBSIDIARY OF FAIM INVESTMENTS, LLC)  
NOTES TO FINANCIAL STATEMENTS  
AS OF DECEMBER 31, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization and Nature of Operations**

Allen, Mooney & Barnes Brokerage Services, LLC (AMBBS) is a registered broker-dealer with the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority (FINRA), the Securities Investor Protection Corporation (SIPC), and in thirty-five U.S. states. It has branch or affiliate offices in Thomasville and Saint Simons Island, Georgia; Tallahassee, Florida; and Charleston, South Carolina. It is a limited liability company (formed in Georgia) that is wholly owned by FAIM Investments, LLC (FAIM). The company was approved by the SEC and FINRA on March 29, 2007.

The accounting principles followed by the company and the method of applying those principles conform with generally accepted accounting principles and to general practice within the securities dealers industry.

**Cash and Cash Equivalents**

Cash includes amounts in checking and money market accounts at commercial banks. The balances of these accounts, from time to time, exceed the federally insured limits. Management believes it is not exposed to any significant credit risk on these accounts.

Cash includes a \$100,000 clearing deposit held by its clearing agent, First Clearing, LLC. These funds are held by the clearing agent as agreed to in Fully Disclosed Clearing and PAIB (proprietary account of an introducing broker/dealer) Agreements. The assets in this account are allowable assets in the firm's net capital computations.

**Receivables**

Receivables include commissions that are amounts due for securities trades from the Company's clearing broker-dealer and consulting charges from investment banking clients. An allowance for uncollectible accounts (of \$30,000) has been established for the investment banking revenue receivable. Management's best judgement as to the collectability of the accounts receivable was used in determining the amount of the allowance. No allowance was deemed necessary for the commissions receivable because these receivables are all current and collected after year end.

**Revenue Recognition**

The company prepares its financial statements on the accrual basis of accounting. Revenue is primarily comprised of selling commissions and referral fees earned as compensation in connection with securities transactions, which are recognized on a trade-date basis, and investment banking consulting revenue that is recognized when billed to the client.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted account principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ALLEN, MOONEY & BARNES BROKERAGE SERVICES, LLC  
(A WHOLLY OWNED SUBSIDIARY OF FAIM INVESTMENTS, LLC)  
NOTES TO FINANCIAL STATEMENTS  
AS OF DECEMBER 31, 2015

2. SECURITIES

Securities consist of 2,800 shares of Thomasville Bancshares, Inc. They are carried at their fair value of \$80,500 as determined by reference to quoted market prices in active markets for identical assets (Level 1 within the fair value hierarchy established by financial accounting standards). The shares cost \$21,317.

3. NET CAPITAL REQUIREMENTS

The Company is a registered broker-dealer that may transact more than ten transactions for its own account(s) in one calendar year and is therefore subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of a minimum net capital of 6 2/3% of aggregate indebtedness, as defined, or the minimum dollar amount of \$100,000 whichever is greater, as of December 31, 2015.

4. INCOME TAXES

The Company is included in the consolidated income tax returns filed by the parent company, FAIM Investments, LLC. As a limited liability company, taxable income or loss flows through to the members on their individual tax returns rather than at the corporate level. The tax returns of the parent company for the years ending in 2015, 2014, and 2013 are subject to examination by the Internal Revenue Service, generally for three years after they are filed.

5. RELATED PARTY TRANSACTIONS

The Company and Allen, Mooney & Barnes Investment Advisors, LLC (AMBIA), which is also wholly owned by FAIM Investments, LLC, have an expense sharing agreement for the year 2015. The agreement requires the Company to reimburse AMBIA for its share of management and administrative services on a monthly basis. The cost is recalculated quarterly based on the actual costs incurred for the prior three months. The services provided by AMBIA include payroll, professional fees, information services, occupancy expenses, advertising, travel, and general office expenses. The total paid for these services in 2015 was \$1,412,239.
