**Notes to Financial Statements, Continued**

**December 31, 2015**

**(1) Organization**

CapWealth Investment Services, LLC (the "Company") is engaged in the securities business. The Company is a broker-dealer which sells general securities on a fully disclosed basis through a clearing broker, direct participation programs and variable contracts on a "best efforts" and subscription basis, and mutual funds with all orders cleared through the sponsoring institution. The Company is registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA").

The Company is organized in the State of Tennessee as a limited liability company formed pursuant to the Tennessee Revised Limited Liability Company Act.

As of June 2, 2014, the Company's then existing single member transferred his ownership to a newly established company, CapWealth Group, LLC. The new company is organized in the State of Tennessee as a limited liability company formed pursuant to the Tennessee Revised Limited Liability Company Act. This new ownership structure did not have any impact on the control or management of the Company. CapWealth Group, LLC was established as a holding company for the Company and its affiliates.

**(2) Summary of Significant Accounting Policies**

**(a) Cash and Cash Equivalents**

For the purpose of the statement of cash flows, the Company considers all cash and highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company places its cash and cash equivalents with financial institutions management considers to be of a high quality. There were no bank deposits in excess of the federally insured limits at December 31, 2015.

**(b) Revenue Recognition**

The financial statements are prepared on the accrual basis. The Company recognizes commission income on a trade date basis.

**(c) Income Taxes**

As a single-member limited liability company, income from the Company is combined with the income and expenses of the single member from other sources and reported in the single member's income tax return. The financial statements, therefore, do not include a provision for income taxes. The federal and state income tax returns associated with the single member for 2015, 2014, 2013, and 2012 are subject to examination by the federal and state tax authorities generally for three years after they were filed.

*(a wholly-owned subsidiary of CapWealth Group, LLC)*

*Notes to Financial Statements, Continued*

*December 31, 2015*

(2) *Summary of Significant Accounting Policies, Continued*

(d) *Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) *Advertising Costs*

Advertising costs are expensed as incurred.

(f) *Fair Value of Financial Instruments*

Accounting Standards Codification No. 823, "Financial Instruments", requires disclosures of information about the fair value of certain financial instruments for which it is practicable to estimate that value. For purposes of this disclosure, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than a forced sale or liquidation. The carrying amounts of the Company's short-term financial instruments approximate fair value due to the relatively short maturity period for these instruments.

(3) *Net Capital Requirements and Other Restrictions*

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1) which requires that a broker-dealer's aggregate indebtedness, as defined, shall not exceed fifteen times net capital subject to a minimum capital equal to \$5,000. At December 31, 2015, the Company had net capital as defined of \$99,672, which was \$94,672 in excess of its required net capital of \$5,000.

The Company maintains an agreement for clearing services with a clearing broker registered with the SEC. In accordance with the agreement between these parties, a \$15,000 cash balance is maintained with the clearing broker and is reflected as deposit with clearing organization in the statement of financial condition.

(4) *Due To Affiliate*

The due to affiliate of \$2,740 at December 31, 2015 represents the amount due to the affiliated company, CapWealth Advisors, LLC for clearing of expense allocation between the Company and its affiliate.

**CAPWEALTH INVESTMENT SERVICES, LLC**  
*(a wholly-owned subsidiary of CapWealth Group, LLC)*

**Notes to Financial Statements, Continued**

**December 31, 2015**

**(5) Related Party Transactions**

Substantially all expenses of the Company, except commission expense and clearing charges represent allocations of such expenses from an affiliated company, CapWealth Advisors, LLC. The allocation is based on the expense sharing agreement established between the Company and the affiliated company. Expenses allocated to the Company for the year ended December 31, 2015, were approximately \$203,000.

During the year ended December 31, 2010, the Company and its affiliate relocated their operations to a new expanded office facility. In conjunction with this move, the affiliated company entered into a lease agreement for this office facility from August, 2010 through October, 2020. Lease payments under this agreement began on November, 2010 with the remaining required base rent lease obligation payable as follows:

<u>Year Ended</u> <u>December 31,</u>	<u>Amount</u>
2016	\$ 195,132
2017	199,035
2018	203,016
2019	207,076
Thereafter	<u>175,430</u>
	<u>\$ 979,689</u>

The Company shares in the rental obligation charges through the affiliated company's allocation of expenses. Rental expense of \$24,570, associated with the lease agreement was allocated to the Company during 2015, and is included within occupancy expense.

The affiliated company maintains a savings incentive match plan associated with a simple IRA plan for the benefit of its employees. The plan is limited to those individual employees who have received at least \$5,000 in compensation during each of the previous and current years. Under the terms of the plan, the affiliated company will make matching contributions to eligible employees up to 3% of the employee's annual compensation. The Company shares in the expense of the matching provision of the plan and was allocated \$3,686 of this expense during 2015, and is included within salaries and benefits.

Member Distributions to the parent company, CapWealth Group, LLC, totaling \$210,000 were made during the current year. Subsequent to December 31, 2015, on January 19, 2016, a member distribution of \$40,000 was made to the parent company.

**CAPWEALTH INVESTMENT SERVICES, LLC**  
*(a wholly-owned subsidiary of CapWealth Group, LLC)*

**Notes to Financial Statements, Continued**

**December 31, 2015**

**(6) Receivable from Fund Companies and Clearing Organization and Payable to Registered Representatives**

Amounts receivable from fund companies and clearing organization and payable to registered representatives at December 31, 2015, consist of the following:

	<u>Receivable</u>	<u>Payable</u>
Fees and commissions receivable/payable	\$ <u>44,247</u>	<u>6,663</u>

Fees payable to registered representatives at December 31, 2015 of \$6,663 are included within accounts payable and accrued expenses.

**(7) Commission Concentrations**

During 2015, three registered representatives accounted for approximately 99% of the total commission revenue for the current year totaling \$682,149. The Company's Chairman and Chief Executive Officer is included within the three representatives and alone accounted for approximately 57% of the total commission revenue. No commissions were paid to the Company's Chairman during the current year; however, amounts totaling \$210,000 were distributed to the parent company, CapWealth Group, LLC during 2015, as a member distribution. The other two registered representatives, operating under current independent contractor agreements with the Company incurred \$100,900 in commissions for 2015 and is reflected as commission expense for the current year.

**(8) Legal**

The Company, from time to time, may be involved in litigation, disputes and claims arising in the ordinary course of business. These matters arise from a variety of sources including the day-to-day operations of the business, governmental compliance and contracts/agreements related to its customers and vendors. There were no matters outstanding as of December 31, 2015, that were known to management.

**(9) Exemption of SEC Rule 15c3-3 Reserve Requirement**

The Company is exempt from the provisions of SEC Rule 15c3-3, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

**(10) Subsequent Events**

Subsequent to December 31, 2015, on January 19, 2016, an amount of \$40,000 was distributed to the Company's parent company, CapWealth Group, LLC, as a member distribution.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To The Member  
CapWealth Investment Services, LLC  
(a wholly-owned subsidiary of CapWealth Group, LLC)  
Franklin, Tennessee

We have reviewed management's statements, included in the accompanying CapWealth Investment Services, LLC Exemption Report, in which (1) CapWealth Investment Services, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which CapWealth Investment Services, LLC claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii), (the "exemption provisions") and (2) CapWealth Investment Services, LLC stated that CapWealth Investment Services, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. CapWealth Investment Services, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about CapWealth Investment Services, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
