I have audited the accompanying statement of financial condition of INNOVA Securities, Inc. as of December 31, 2015 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of INNOVA Securities, Inc. management. My responsibility is to express an opinion on these financial statements based on my audit.

### **Auditor's Responsibility**

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). I believe that my audit provides a reasonable basis for my opinion.

### **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of INNOVA Securities, Inc. as of December 31, 2015, and results of its operations and its cash flows to the year then ended in conformity with accounting principles generally accepted in the United States.

### **Other Matters**

My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Net Capital Computation, including its form and content is presented in conformity with 17 C.F.R. # 240 17a-5. **Notes to Financial Statements**  
As of and for the Year-Ended December 31, 2015

---

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**NOTE 1 – ORGANIZATION** - The Company is a registered broker/dealer of securities. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of Financial Industry Regulatory Authority (FINRA).

**Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Property and Equipment** - Depreciation is computed using primarily the straight-line method calculated to amortize the cost of the assets over their estimated useful lives. At December 31, 2015, all of the fixed assets (\$15,060) were fully depreciated.

**Revenue Recognition** - Commission revenues are recognized on a trade date basis.

**Income Taxes** - Federal and state income taxes are accounted for in accordance with the provisions of Statement of Financial Accounting Standards (SFAS) No. 109. The provision for deferred federal and state income tax expense or benefit represents the net change during the year in the Company's deferred federal and state income tax assets or liabilities.

Deferred federal and state income tax assets (based on current tax laws) represent the amount of federal and state taxes recoverable in future years resulting from future net tax deductions arising from temporary differences in the reporting of certain types of income and expense items for financial statement and for income tax purposes.

Deferred federal and state income tax liabilities represent the amount of taxes payable in future years (based on current tax laws) resulting from future net taxable amounts arising from temporary differences in the reporting of certain types of income and expense items for financial statement and for income tax purposes.

The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes that requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year.

The accompanying notes are an integral part of these financial statements.

**Concentrations of Credit Risk** - Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of accounts receivable. The Company's accounts receivable are primarily due from securities broker/dealers.

#### **NOTE 2 - NET CAPITAL REQUIREMENT**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) that requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015, the Company had net capital of \$6,490, which was \$1,490 over of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .15 to 1.

#### **NOTE 3 - OTHER REGULATORY REQUIREMENTS**

The Company does not hold any funds or securities for the accounts of customers and clears all its customers' transactions through another broker-dealer on a fully disclosed basis. It is therefore exempt for the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(2)(ii).

#### **NOTE 4 - STOCKHOLDERS' EQUITY**

**Preferred Stock** - The Company has 500 shares of \$1 par restricted non-voting preferred stock authorized. There are 22.22 shares issued and outstanding.

**Common Stock** - The Company has 8,000 shares of \$1 par common stock authorized with 200 shares issued and outstanding.

#### **NOTE 5 - PROFIT-SHARING- RETIREMENT PLAN**

The Company has in effect a contributory, incentive profit-sharing retirement plan for all eligible employees. Company contributions to the plan are at the discretion of the Board of Directors, but may not exceed the maximum allowable deduction permitted under the Internal Revenue Code at the time of the contribution. The Company did not make a contribution to the plan for the year ended December 31, 2015.

While the Company expects to continue the plan indefinitely, it has reserved the right to modify, amend or terminate the plan. In the event of termination, the entire amount contributed under the plan must be applied to the payment of benefits to the participants or their beneficiaries.

#### **NOTE 6 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 17, 2016, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

The accompanying notes are an integral part of these financial statements.

**Statement Related to Uniform Net Capital Rule**

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2015, the Company had net capital of \$6,490, which was \$1,490 in excess of its required net capital of \$5,000. The Company's net capital ratio was .15 to 1. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

**Statement Related to Exemptive Provision (Possession and Control)**

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule [15c3-3(k)(2)(ii)]; all customer transactions were cleared through another broker-dealer on a fully disclosed basis.

**Statement Related to Material Inadequacies**

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

**Statement Related to SIPC Reconciliation**

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report that includes procedures related to the broker-dealer's SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) INNOVA Securities, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which INNOVA Securities, Inc. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(ii), and (2) INNOVA Securities, Inc. stated that INNOVA Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. INNOVA Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about INNOVA Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
