**BDA ADVISORS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015**

1. ORGANIZATION AND NATURE OF BUSINESS

BDA Advisors Inc. (the "Company") is registered as a broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company has 200 shares authorized and 20 shares issued and outstanding.

The Company is engaged in mergers and acquisitions ("M&A") advisory services, and is licensed to do private placements. The Company acts as a broker-dealer and is exempt from Securities and Exchange Commission Rule 15c3-3 under paragraph k(2)(i). The Company is not required to have any arrangement with a clearing broker.

2. SIGNIFICANT ACCOUNTING POLICIES

Accrual Basis of Accounting

The Company's financial statements are prepared using the accrual method of accounting. The Company's year-end is December 31.

Revenue Recognition

The Company earns revenues through various services it provides to its clients, which includes customary financial advisory and investment banking services. Investment banking fees and expenses are recorded on an accrual basis. Advisory fees are on a contractual basis with the fee stipulated in the contract and are recognized based on the terms of the contract during the period the service is provided.

Cash and Cash Equivalents

The Company considers all demand and time deposits and all highly liquid financial instruments purchased with original maturities of three months or less to be cash equivalents.

Use of Estimates

The financial statements are presented in accordance with generally accepted accounting principles and prevailing industry practices, both of which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at December 31, 2015, as well as the reported amounts of revenues and expenses during the year then ended. Estimates, by their nature, are based on judgment and available information. Management believes that the estimates utilized in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

3. NET CAPITAL REQUIREMENTS

The Company is a member of FINRA and subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1(a)(2)(vi)), which requires the maintenance of minimum net capital of \$5,000 and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015 the Company had net capital of \$35,114, which was \$29,779 in excess of its required minimum capital requirement.

4. INCOME TAXES

The Company has not elected to be taxed as an S corporation and, as a result, files federal Form 1120 U.S. Corporation Income Tax Return and NYS CT-4 General Business Corporation Franchise Tax Return. The Company recorded Federal and NYS income tax expense of \$5,892 in 2015. The Company was also subject to the NYC General Corporation Tax, and the General Business Corporation MTA Surcharge.

Management has determined that the Company had no uncertain tax positions that would require financial statement recognition. Currently, the 2012, 2013, and 2014 tax years are open and subject to examination by the taxing authorities. The Company is not currently under audit nor has the Company been contacted by any of the taxing authorities.

5. RELATED PARTY TRANSACTIONS

Expense Sharing Agreement

The Company revised its expense agreement with Business Development Asia (HK) Inc. ("Affiliate") on January 1, 2016. Affiliate will continue to pay for the following expenses (salaries, benefits, IT, information and telecom, equipment, office supplies, travel and entertainment, furnishings, leasehold improvements, postage and delivery) on behalf of the Company.

The expenses paid by the Affiliate will be billed directly to the Affiliate by the vendor or other party and any contracts or leases will be between the Affiliate and the vendor or other party. The Company has no obligation, directly or indirectly, to reimburse or otherwise compensate the Affiliate for paying these expenses. As of December 31, 2015, the amount receivable from the Affiliate was \$23,123, which has been included in receivables on the balance sheet.

The expense agreement will be continuous until amended in writing by either party at their sole discretion.

BDA ADVISORS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

5. RELATED PARTY TRANSACTIONS (CONTINUED)

Lease Agreement

The Company also entered a month to month lease agreement with the Affiliate on October 1, 2013, which the Company will pay rent to Affiliate of \$7,000 per month. Rent expense was \$84,000 for the year ended December 31, 2015.

Consulting Arrangements with Related Parties

The Company has a consulting agreement with Business Development Asia (HK) Ltd., its Hong Kong based Parent.

The Parent, in connection with its subsidiaries, will perform consulting work in Asia and Europe, from time to time, in connection with the Company's M&A engagements. A fee is paid to the Parent by the Company in relation to the volume of work performed by the Parent, as determined each calendar quarter. The consulting fees, if any, are included in the income statement as part of professional and consulting fees. The Company did not pay any consulting fees to the Parent and its subsidiaries during the year ended December 31, 2015.

The Company will perform M&A advisory work in the United States, from time to time, in connection with the Parent's M&A engagements. A fee is paid to the Company from the Parent in relation to the volume of work performed by the Company, as determined each calendar quarter. 6. CREDIT RISK CONCENTRATION

Financial instruments which potentially subject the Company to concentrations of credit risk consist principally of cash and cash equivalents. The Company maintains its cash with a financial institution. The Company monitors the credit quality of the financial institution and does not anticipate any exposure. The cash balance in each financial institution is insured by the FDIC up to \$250,000. There were no uninsured funds as of December 31, 2015.

BDA ADVISORS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

7. FAIR VALUE MEASUREMENTS

The Company follows the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Section 820 for fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in valuing assets and liabilities.

As of December 31, 2015, none of the assets and liabilities was required to be reported at fair value on a recurring basis. Carrying values of non-derivative financial instruments, including cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, approximate fair values due to the short term nature of these financial instruments. There were no changes in methods or assumptions during the years ended December 31, 2015.

8. RETIREMENT PLAN

The Company maintains a defined contribution qualified 401(k) plan for eligible employees, who have six months of service and who are at least 21 years of age. Employees may contribute to the plan an amount ranging from 1% to 92% of their compensation with a maximum of \$18,000 for 2015. Participants who have attained age 50 before the close of the plan year are eligible to make additional contributions up to \$6,000. The Company provides a matching contribution of 100% of the first 3% of employee contributions for the year, plus 50% of employee deferrals that exceed 3% but do not exceed 5% of total compensation for the year. Employee contributions and Company matching contributions are invested at the direction of the employee into one or more of the plan's investment funds. The Company's total matching contributions were \$26,593 for the year ended December 31, 2015.

9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 19, 2016, the date on which these statements were available to be issued. The Company did not identify any material subsequent events requiring adjustment to or disclosure in its financial statements.

The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountant. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the net amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment, if any, applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
of BDA Advisors Inc.

We have reviewed management's statements, included in the accompanying Statement of Exemption Form SEC Rule 15c3-3, in which (1) BDA Advisors Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) BDA Advisors Inc. stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Assertions Regarding Exemption Provisions

We, as members of management of BDA Advisors Inc. (the “Company”), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements require a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer’s designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent registered public accounting firm based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

Identified Exemption Provision:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).

Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period ending January 1, 2015 through December 31, 2015.
