DeFilippo Capitale Partners, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission ("SEC"), and members of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corp. For purposes of the Statement of Cash Flows, the Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents. As of December 31, 2015, there were no cash equivalents.

**(C) Use of estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could vary from those estimates.

**(D) Income taxes:**

The Company files income tax returns on the accrual basis as an "S" Corporation for federal and state income tax purposes. As such, the Company will not pay any income taxes, as any income or loss will be included in the income tax returns of the individual shareholders. At December 31, 2015, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.
