Board of Directors
Carr, Riggs & Ingram Capital Advisors, LLC
Enterprise, Alabama

We have audited the accompanying statement of financial condition of Carr, Riggs & Ingram Capital Advisors, LLC (the "Company") as of December 31, 2015, and the related statements of operations, changes in members' deficit, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Carr, Riggs & Ingram Capital Advisors, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The Supplemental Information contained in the Supplemental Schedule of Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission (the Supplemental Information) has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the Supplemental Information contained in the Supplemental Schedule of Computation of Net Capital and Net Capital Ratio Under Rule 15c3-1 of the Securities and Exchange Commission is fairly stated, in all material respects, in relation to the financial statements as a whole.

As discussed in Note 7 to the financial statements, members' equity as of December 31, 2014, has been restated to correct a misstatement.

Notes to Financial Statements

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Carr, Riggs & Ingram Capital Advisors, LLC (the Company), a limited liability company organized in August 2010, is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the Financial Industry Regulatory Authority, Inc. (FINRA). The Company commenced operations on November 10, 2011 upon obtaining its broker-dealer registration. During 2015 the Company changed its name from Carr, Riggs & Ingram Transaction Advisors, LLC to Carr, Riggs & Ingram Capital Advisors, LLC. The Company acts as an agent in merger and acquisition transactions and arranging debt and equity financing. The Company also provides general financial advisory services to corporate clients.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Banking

Investment banking revenues include fees earned from providing merger and acquisition and financial restructuring advisory services. Revenue is generally computed based upon agreed-upon percentages of the sales price for the businesses sold by the Company, and is reported as revenue earned upon consummation of the sale transaction. Revenue from consulting projects is reported when earned. Revenue from commitment fees, generally paid in advance and credited against the final sales transaction fee, is recognized on the straight line method over the term of the contract, usually twelve months.

Income Taxes

The Company is a limited liability company taxed as a partnership for federal income tax purposes. Accordingly, no provision for federal income taxes has been recorded in the accompanying financial statements since the taxable income or loss is included in the income tax returns of the members. As the Company is not liable for federal income tax, the Company has recorded no liability associated with uncertain tax positions. The Company files income tax returns in the US federal jurisdiction. The statute of limitations for Internal Revenue Service ("IRS") examination of the Company's federal tax returns is determined by the statute governing the tax returns of its members.

The Company's policy is to record interest and penalties relating to taxes in interest expense on the financial statements. There were no significant interest or penalties related to taxes incurred as of year-end.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Company maintains cash on deposit with one banking institution. At times, deposits may exceed Federal Deposit Insurance Corporation (FDIC) coverage limits.

For the purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Concentrations

The Company is project based and generally does not have recurring sources of revenue.

NOTE 3 – LEGAL CONTINGENCIES

The Company was not aware of or involved in any current or pending legal actions during the reporting period.

NOTE 4 – RELATED PARTIES

A company where the members serve as principals provides related party consulting, analyst and other services. The Company paid \$29,798 for these services during 2015. This related company also leases office space to the Company under a sublease on a month to month basis. Rent expense for 2015 totaled \$2,500. The Company had outstanding obligations of \$240,142 payable to this related party as of December 31, 2015.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015, the Company had a tentative net deficit of \$3,330, which was \$21,021 below its required net capital of \$17,691, and the Company's net capital ratio is -79.7 to 1. The Company filed a 17A-11 notification with FINRA on February 26, 2016 regarding this deficiency.

The Company leases an office space in Montgomery, Alabama, under an agreement that expires in December 2016. The Company also leases an office space in Mooresville, North Carolina, under an agreement that expires in April 2016. Total rent expense on these leases was \$34,442 in 2015.

As of December 31, 2015, the future minimum lease payments under these leases are as follows:

<u>Year Ending</u>	<u>Amount</u>
2016	\$ 37,200

NOTE 7 – PRIOR PERIOD ADJUSTMENT

During 2015, the Company discovered financial statement errors that caused an understatement of December 31, 2014 deferred revenues and overstatement of members' equity of \$13,808. Accordingly, this amount was adjusted to restate members' equity at the beginning of the year.

NOTE 8 – SUBSEQUENT EVENTS

The Company has evaluated all events and transactions that occurred after December 31, 2015 through the date the financial statements were available to be issued. During this period, the Company received a capital contribution in the amount of \$175,000 from Carr, Riggs & Ingram Capital, LLC.
