We have audited the accompanying statement of financial condition of SQN Securities LLC as of December 31, 2015, and the related statements of operations, changes in Members' equity, and cash flows for the year then ended. These financial statements are the responsibility of SQN Securities LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SQN Securities LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 CFR § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

SQN Securities LLC

(A LIMITED LIABILITY COMPANY)

Notes to Financial Statements

Year Ended December 31, 2015

1. Organization and Nature of Business

SQN Securities, LLC (the "LLC") was formed on January 14, 2010 as a Delaware limited liability company and is a majority-owned subsidiary of SQN Capital Management, LLC ("Management"). The LLC is a registered broker dealer, a member of the Financial Industry Regulatory Authority, Inc. and is exempt from the requirements of rule 15c3-3 of the Securities and Exchange Commission (the "SEC") since the LLC does not take custody of any customer funds or securities. The LLC's primary business activity is to underwrite and sell partnership interests in publically registered equipment leasing programs sponsored by Management.

2. Significant Accounting Policies

Basis of Accounting - The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized when earned, while expenses and losses are recognized when incurred.

Cash and cash equivalents - The LLC considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of funds maintained in checking and money market accounts held at financial institutions.

The LLC's cash and cash equivalents are held principally at one financial institution and at times may exceed federally insured limits. The LLC has placed these funds in a global institution in order to minimize risk relating to exceeding insured limits.

Revenue recognition - The LLC earns revenue equal to 3% of the dollar value of units of limited partnership interests of SQN Alternative Fund IV sold during the year and 2% of the dollar value of units of limited partnership interests of SQN Venture Income Fund sold during the year. The LLC receives monthly \$8,000 base fee from SQN Venture Income Fund LP.

Income taxes - The LLC is taxed as a partnership and no provision for income taxes is recorded since the liability for such taxes is that of each of the Members' rather than the LLC. The LLC's income tax returns are subject to examination by the federal and state taxing authorities, and changes, if any, could adjust the individual income tax of the Members.

See Independent Auditors' Report and
Notes to Financial Statements.

SQN Securities LLC

(A LIMITED LIABILITY COMPANY)

Notes to Financial Statements

Year Ended December 31, 2015

2. Significant Accounting Policies (Continued)

Uncertain tax positions - The LLC has adopted the provisions of Financial Accounting Standards Board (FASB) Topic 740, *Accounting for Uncertainty in Income Taxes* ("*Uncertain Tax Position*"). This accounting guidance prescribes recognition thresholds that must be met before a tax position is recognized in the financial statements and provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Under Uncertain Tax Position, an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The LLC has evaluated its tax position for the year ended December 31, 2015, and does not expect any material adjustments to be made. The tax years 2014, 2013, and 2012 (remain open to examination by the major taxing jurisdictions to which the LLC is subject).

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

3. Related Party Transactions

For the year ended December 31, 2015, the LLC earned \$1,115,693 as revenue for its services as selling agent for SQN Alternative Investment Fund IV L.P. and SQN Venture Income Fund L.P.

4. Net Capital Requirements

The LLC is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015, the LLC had net capital of \$97,446 which was \$92,446 in excess of its required net capital of \$5,000. The LLC's ratio of aggregate indebtedness to net capital was 190%.

See Independent Auditors' Report and
Notes to Financial Statements.

SQN Securities LLC

(A LIMITED LIABILITY COMPANY)

Notes to Financial Statements

Year Ended December 31, 2015

5. Significant customer

At December 31, 2015 and for the year then ended, 100% of net revenues were derived from two customers.

6. Indemnifications

In the normal course of its business, the LLC indemnifies and guarantees certain service providers against specified potential losses in connection with their acting as an agent of, or providing services to, the LLC. The maximum potential amount of future payments that the LLC could be required to make under these indemnifications cannot be estimated. However, the LLC believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

The LLC provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. The LLC may also provide standard indemnifications to some counterparties to protect them in the event additional taxes are owed or payments are withheld, due either to a change in or adverse application of certain tax laws. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the LLC could be required to make under these indemnifications cannot be estimated. However, the LLC believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

7. Subsequent Events

The LLC has evaluated all subsequent events from the date of the balance sheet through February 16, 2016 which represents the date these financial statements are available to be issued. There were no events or transactions occurring during the subsequent event reporting period which require recognition or disclosure in the financial statements.

See Independent Auditors' Report and
Notes to Financial Statements.

To Whom It May Concern:

SQN Securities LLC claims exemption from Rule 15c3-3 under SEA Rule 15c3-3 section (k) paragraph 2(j) for the period from January 1 – December 31, 2015. Paragraph 2 states "The provisions of this rule shall not be applicable to a broker or dealer who carries margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and its customers through one or more bank accounts each designed as "Special Account for the Exclusive Benefit of Customers of (name of the broker or dealer)". To our best knowledge and belief, we did not identify any exceptions to this exemption during this period.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Members
SQN Securities LLC
New York, New York

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) SQN Securities LLC identified the following provisions of 17 CFR § 15c3-3(k) under which SQN Securities LLC claimed an exemption from 17 CFR § 240.15c3-3: (2)(i) (the "exemption provisions") and (2) SQN Securities LLC stated that SQN Securities LLC met the identified exemption provisions throughout the most recent fiscal year without exception. SQN Securities LLC management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about SQN Securities LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
