#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors

J.K.R. & Company Inc.

Laguna Beach, California

I have audited the accompanying statement of financial condition of J.K.R. & Company Inc. as of June 30, 2016 and the related statements of income, changes in shareholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of J.K.R. & Company Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of J.K.R. & Company Inc. as of June 30, 2016 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended June 30, 2016 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of J.K.R. & Company Inc.'s financial statements. The supplemental information is the responsibility of J.K.R. & Company Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Accounting Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

No allowance for potential credit losses was considered necessary at June 30, 2016.

#### 2. Fair Value Measurements

The Company follows a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

#### **Notes to Financial Statements**

- Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included with level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own
  assumptions about the assumptions that market participants would use in pricing the asset
  or liability.

The following is a description of the valuation methodologies used for assets measured at fair value.

- Debt securities: Valued at quoted market prices.
- Equity securities: Valued at quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Company's assets at fair value as of June 30, 2016:

	Level I	Le	vel 2	Le	vel3	Total
Securities owned						
Money market funds	\$ 81,854	\$	-	\$	-	\$ 81,854

US Treasury Securities Cost Basis Equity Securities Cost Basis	sis					\$ 29,813 \$ 347,273

I, as Director of Management of JKR & Company, Inc. ("The Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. ## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors

J.K.R. & Company Inc.

Laguna Beach, California

I have reviewed management's statements, included in the accompanying. Exemption Report in which (1) J.K.R. & Company Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which J.K.R. & Company Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provision") and (2) J.K.R. & Company Inc., stated that J.K.R. & Company Inc., met the identified exemption provision throughout the most recent fiscal year without exception. J.K.R. & Company Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about J.K.R. & Company Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
