REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of GSV Advisors, LLC

We have audited the accompanying financial statements of GSV Advisors, LLC (a Illinois limited liability company), which comprise the statement of financial condition as of June 30, 2016, and the related statements of income, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. GSV Advisors, LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of GSV Advisors, LLC as of June 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule I has been subjected to audit procedures performed in conjunction with the audit of GSV Advisors, LLC's financial statements. The supplemental information is the responsibility of GSV Advisors, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

GSV ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

1. ORGANIZATION AND NATURE OF BUSINESS

GSV Advisors, LLC (the "Company") was organized on December 30, 2008 as an Illinois limited liability company to conduct business as a registered broker-dealer under the Securities Exchange Act of 1934. The Company's office is in Chicago, IL and the primary focus of the company is on private placements and investment banking. As a limited liability company the member's liability is limited to their investment.

The Company is a member of Financial Industry Regulatory Authority ("FINRA"). Additionally, it is a registered broker-dealer with the Securities and Exchange Commission ("SEC"), and is a member of the Securities Investor Protection Corporation ("SIPC").

Recent Issued Accounting Pronouncements

The Company does not believe that the adoption of any recently issued, but not yet effective, accounting standards will have a material effect on its financial position and results of operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in conformity with U.S generally accepted accounting principles ("GAAP") and the rules and regulations of the United States Securities and Exchange Commission (the "Commission"). It is management's opinion, that all material adjustments (consisting of normal recurring adjustments) have been made which are necessary for a fair financial statement presentation.

Cash and cash equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents are carried at cost, which approximates market value.

Accounting basis

The Company uses the accrual basis of accounting for financial statement and income tax reporting. Accordingly revenues are recognized when services are rendered and expenses realized when the obligation is incurred.

Income Taxes

The Company is a limited liability company, treated as a disregarded entity for Federal tax purposes, and thus, no federal income tax expense has been recorded in the financial statements. Taxable income and expenses of the Company are passed through to the member and reported on the member's individual tax return.

Pursuant to accounting guidance concerning provision for uncertain income tax provisions contained in Accounting Standards Codification ("ASC") 740-10, there are no uncertain income tax positions. The federal and state income tax returns are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.

GSV ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets, and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fixed Assets

Acquisitions of furniture and equipment are recorded at cost. Improvements and replacements of furniture and equipment are capitalized. Maintenance and repairs that do not improve or extend the lives of furniture and equipment are charged to expense as incurred. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts and any gain or loss is reported in the statements of income and retained earnings. Depreciation is provided over the estimated useful life of each class of depreciable assets and is computed using the straight-line method. Depreciation expense for the period ended June 30, 2016 was \$22,831.

Compensated Absences

Employees of the Company are entitled to paid vacations, paid sick days, and personal days off, depending on the job classification, length of service, and other factors. The accrual cannot be reasonably estimated, and accordingly, no liability has been recorded in the financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

Fair Values of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 825, "Financial Instruments," requires the Company to disclose estimated fair values for its financial instruments. Fair value estimates, methods, and assumptions are set forth below for the Company's financial instruments: The carrying amount of cash, accounts receivable, prepaid expenses and accounts payable and accrued expenses, approximate fair value because of the short maturity of those instruments.

Concentrations of Credit Risk

The Company places its cash with a high credit quality financial institution. The Company's account at this institution is insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. To reduce its risk associated with the failure of such financial institution, the Company evaluates at least annually the rating of the financial institution in which it holds deposits.

GSV ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

3. NET CAPITAL

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000, and requires that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 15 to 1. At June 30, 2016, the Company had net capital of \$183,520, which was \$178,520 in excess of the FINRA minimum net capital requirement of \$5,000.

4. COMMITMENTS AND CONTINGENCIES

On July 31, 2012 the Company signed a new lease for the office space and equipment effective as of June 1, 2013. The new lease also increased the amount of square footage the Company will have available, so the commitment for future minimum lease payments for the next four years changed as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2017	105,702
2018	108,864
2019	112,170
2020	<u>105,639</u>
Total	<u>\$432,375</u>

Base rent expense for the office space for the period ending June 30, 2016 was \$102,648.

LITIGATION

The Company may be involved in legal proceedings in the ordinary course of business. Such matters are subject to many uncertainties, and outcomes are not predictable with assurance. Currently, the Company is not involved in any legal proceedings which are not in the ordinary course of business.

5. RELATED PARTY TRANSACTIONS

The Company is under common control with GSV Events Media, LLC (the "Affiliate"). The managing director of the Company is also a managing director and owner of the Affiliate. The Company has an agreement with the Affiliate to provide and pay for specified administrative duties and other services for the Company and that the Affiliate will reimburse the Company for its share of the associated expenses. For the year ended June 30, 2016, the outstanding balance of reimbursed expenses from the Affiliate was \$455,459. The agreement terminates upon the mutual consent of the parties or the termination of the existence of either party.

6. SUBSEQUENT EVENTS

The Company evaluated events occurring between the end of its fiscal year, June 30, 2016, and August 24, 2016, when the financial statements were issued.
