**NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Organization*

Investment Visa Consultants, LLC (the "Company") was organized in the State of Delaware on May 1, 2008. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Success fees are recognized upon the execution of the transactions relating to those fees. Underwriting income is recorded at the time the underwriting is completed and the income is reasonably determined.

The Company, with the consent of its Members, has elected to be a Delaware Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company has adopted authoritative standards of accounting for and the disclosure of events that occur after the balance sheet date but before the financial statements are issued or are available to be issued. These standards require the Company to recognize in the financial statements the effects of all recognized subsequent events that provide additional evidence about conditions that existed at the date of the balance sheet. For non-recognized subsequent events that must be disclosed to keep the financial statements from being misleading, the Company is required to disclose the nature of the event as well as an estimate of its financial effect, or a statement that such estimate cannot be made. In addition, the Company is required to disclose the date through which subsequent events have been evaluated. The Company has evaluated subsequent events through the issuance of their financial statements (See Note 5).

**Investment Visa Consultants, LLC**  
**Notes to Financial Statements**  
**December 31, 2015**

**NOTE 2: INCOME TAXES**

As discussed in the Summary of Significant Accounting Policies (Note 1), all tax effects of the Company's income or loss are passed through to the members. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

**NOTE 3: COMMITMENTS AND CONTINGENCIES**

*Commitments*

In the normal course of business, the Company could be threatened with, or named as a defendant in, lawsuits, arbitrations, and administrative claims. Such matters that are reported to regulators such as the SEC or FINRA and investigated by such regulators, may, if pursued, result in formal arbitration claims being filed against the Company and/or disciplinary action being taken against the Company by regulators. Any such claims or disciplinary actions that are decided against the Company could harm the Company's business. The Company is also subject to periodic regulatory audits and inspections which could result in fines or other disciplinary actions. Unfavorable outcomes, in such matters, may result in a material impact to the Company's financial position, statement of income or cash flows. As of December 31, 2015, management is not aware of any commitments or contingencies that could have a material impact on the financial statements.

**NOTE 4: GUARANTEES**

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2015 or during the year then ended.

**Investment Visa Consultants, LLC**  
**Notes to Financial Statements**  
**December 31, 2015**

**NOTE 5: SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**NOTE 6: RECENTLY ISSUED ACCOUNTING STANDARDS**

For the year ending December 31, 2015, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**NOTE 7: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2015, the Company had net capital of \$101,482 which was \$96,482 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$0) to net capital was 0 to 1.

**NOTE 8: RECONCILIATION OF AUDITED NET CAPITAL TO UNAUDITED FOCUS**

There was no material difference between net capital computation shown here and the net capital computation shown on the Company's unaudited Form X-17A-5 report dated December 31, 2015.

**Report of Independent Registered Public Accounting Firm**

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Investment Visa Consultants, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Investment Visa Consultants, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) Investment Visa Consultants, LLC stated that Investment Visa Consultants, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Investment Visa Consultants, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Investment Visa Consultants, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

## Assertions Regarding Exemption Provisions

We, as members of management of Investment Visa Consultants, LLC (“the Company”), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer’s designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

### Identified Exemption Provision:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).

### Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period ending January 1, 2015 through December 31, 2015.
