#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members of The Bank Street Group LLC

We have audited the accompanying financial condition of The Bank Street Group LLC as of June 30, 2016, and the related statements of operations, changes in members' equity and cash flows for the year then ended. These financial statements are the responsibility of The Bank Street Group LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of The Bank Street Group LLC as of June 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital under Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of The Bank Street Group LLC's financial statements. The supplemental information is the responsibility of The Bank Street Group LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Computation of Net Capital under Rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016

#### 1. ORGANIZATION AND NATURE OF BUSINESS

The Bank Street Group LLC (the "Company"), formed in May 2001 is a broker-dealer registered with the Financial Industry Regulatory Authority (FINRA) and the Securities and Exchange Commission (SEC) and does not carry or hold securities for customer accounts. There are no liabilities subordinated to claims of general creditors during the year ended June 30, 2016.

As a boutique investment bank, the Company provides merger, acquisition and financial advisory services to its clients. The Company assists management teams with analyzing, structuring and executing a wide range of strategic and financial alternatives. The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

#### SIGNIFICANT CREDIT RISK AND ESTIMATES

The Company as a non-clearing broker does not handle any customer funds or securities. Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of temporary cash investments and accounts receivables. The Company places its temporary cash investments with financial institutions and limits the amount of credit exposure to any one financial institution. Concentrations of credit risk with respect to accounts receivables are limited due to the large number of customers comprising the Company's customer base and their dispersion across different industries and geographic areas. As of June 30, 2016, the Company had no significant concentrations of credit risk.

#### **USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

#### **REVENUE RECOGNITION**

Revenues consist of success fees and retainer fees, as well as other advisory fee revenues. The Company earns advisory fees from consulting services, which are recognized when services are completed. Success fee revenue is associated with the successful completion of a transaction and is recognized at closing. In connection with its advisory activities, the Company receives non-refundable retainer fees for services to be provided. Such retainers are recognized when received by the Company.

#### **CONCENTRATION OF CREDIT RISK**

Financial instruments that potentially subject the Company to credit risk consist primarily of cash and accounts receivable. The Company maintains cash with a major financial institution. At June 30, 2016, the Company had approximately \$2,922,000 in excess of FDIC insured limits. The Company has not experienced any losses in such accounts.

#### **PROPERTY AND EQUIPMENT**

Property is stated at cost. Expenditures that represent improvements (including replacements that extend the life of the asset) to property are capitalized, while repairs and maintenance are charged to operations. Depreciation is computed using rates adequate to depreciate the cost of applicable assets over their expected useful lives.

Property and equipment consist of the following as of June 30, 2016:

	Estimated <u>Useful lives</u>	Amount
Office equipment Less: Accumulated depreciation Fixed assets-net	5 years	\$17,674 <u>15,838</u> <u>\$ 1,836</u>

Depreciation expense for the year ended June 30, 2016 was \$483.

#### **INCOME TAXES**

The Company files its federal income tax as a limited liability company under the provisions of the Internal Revenue Code. Under these provisions, the Company's net income or loss is reported directly on the individual tax return of its members. The members are individually liable for Federal, state and local income taxes.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

#### INCOME TAXES (CONTINUED)

In addition, recently issued guidance by the Financial Accounting Standards Board (FASB) on Uncertainty in Income Taxes, which was adopted by the Company effective January 1, 2010, had no effect on the financial statements. Management concluded there were no material uncertain tax positions at June 30, 2016, principally because of its status as a non-taxable "pass-through" entity for federal and state income tax purposes.

The Company files U.S. federal income tax returns and state and local income tax returns in Connecticut. Returns filed in these jurisdictions for tax years ended on or after June 31, 2010 are subject to examination by the relevant taxing authorities.

#### SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 19, 2016, the date these financial statements were available to be issued.

#### 3. COMMITMENTS AND CONTINGENT LIABILITIES

The Company leases its office facilities under an agreement which provides for scheduled rent increases. The Company signed a new lease agreement which shall commence on November 1, 2014 and shall expire on May 31, 2018. For financial statement purposes, base rent payments are being accounted for on a straight-line basis. A deferred rent liability, representing the cumulative difference between the rent paid and the amount recognized under the straight-line method, has been recorded. There are also provisions for additional rent based upon real estate taxes and operating costs of the landlord.

Certain leases contain renewal options and escalation clauses. Rent expense for 2016 aggregated to \$181,872 and is included in the Occupancy expense line item on the statement of operations.

Future minimum annual rental commitments under operating leases as of June 30, 2016 are as follows:

<u>Year</u>	Amount
2017	\$244,000
2018	250,000

#### \$494,000

In the normal course of business, the Company enters into underwriting commitments. Transactions relating to such underwriting commitments that were open at June 30, 2016, and were subsequently settled had no material effect on the financial statements as of that date.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016

#### 4. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the securities Exchange Act of 1934, in that Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(ii) of the Rule.

#### 5. NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and which requires that the Company maintain minimum net capital, as defined, to be 6-2/3% of aggregate indebtedness of \$2,668,623 whichever is greater. Net capital and aggregate indebtedness change from day to day, but as of June 30, 2016, the Company had net capital of \$504,068 which exceeded requirements by \$326,160. The Company had a percentage of aggregate indebtedness to net capital of 529.00% as of June 30, 2016.

#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members of The Bank Street Group LLC Stamford, Connecticut

We have reviewed management's statements, included in the accompanying exemption report in which (1) The Bank Street Group LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which The Bank Street Group LLC claimed an exemption from 17 C.F.R. Section §240.15c3-3: (1), (2)(i), (2)(ii) or (3) (the "exemption provisions") and (2) The Bank Street Group LLC stated that The Bank Street Group LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) 1), (2)(i), (2)(ii) or (3) of Rule 15c3-3 under the Securities Exchange Act of 1934.
