	2016	2015
Deferred tax asset:		
Current:		
Commission and service fee payables	\$ 7,585	\$ 18,056

	<u>\$ 17,045</u>	<u>\$ 18,056</u>

Certain transactions of the Company may be subject to accounting methods for Federal income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for Federal income tax purposes may differ from net income in these financial statements.

During 2010, the Company adopted ASC 740-10 which prescribes when to recognize and how to measure the financial statement effects, if any, of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained.

Based on that evaluation, if it were not more than 50% probable that a material amount of income tax would be imposed at the entity level upon examination by the relevant taxing authorities, a liability would be recognized in the accompanying balance sheet along with any interest and penalties that would result from that assessment. Should any such penalties and interest be incurred, the Company's policy would be to recognize them as operating expenses.

Based on the results of managements' evaluation, adoption of ASC 740-10 did not have a material effect on the Company's financial statements. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2016.

NOTES TO FINANCIAL STATEMENTS

Note 5. Income Taxes (Continued)

The Company's Federal and Maryland tax returns for tax years 2013, 2014, and 2015 are subject to examination, generally for three years after they are filed.

At June 30, 2016 and 2015, the Company had \$61,933 and \$0, respectively, of net operating losses (NOL) for income tax purposes, which begin to expire in 2036. The Company elected to carryback net operating losses of \$21,245 to the tax return for fiscal year 2015 creating a Federal refund of \$3,187 and Maryland refund of \$1,752 which are reflected in other assets on the balance sheet as of June 30, 2016. The NOL balance of \$40,688 will be carried forward to future tax periods estimating a deferred federal tax asset of \$6,103 and deferred state tax asset of \$3,357.

Note 6. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and requires that the net capital be at least 6 2/3% of aggregate indebtedness or \$5,000, whichever is greater. At June 30, 2016, the Company had net capital of \$84,090 which was \$79,090 in excess of its required amount of \$5,000.

Note 7. Fair Value Measurement

The Company adopted ASC Topic 820 which provides a framework for measuring and disclosing fair value under generally accepted accounting principles. ASC Topic 820 requires disclosures about the fair value of assets and liabilities recognized in the statement of financial condition in periods subsequent to initial recognition, whether the measurements are made on a recurring basis or on a nonrecurring basis.

ASC Topic 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

Fair Value Hierarchy

- Level 1 - Quoted prices in active markets for identical assets or liabilities
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar assets or liabilities)
- Level 3 - Significant unobservable inputs (including the Company's own assumptions in determining the fair value of assets or liabilities)

In determining the appropriate levels, the Company performs a detailed analysis of assets and liabilities that are subject to ASC Topic 820.

NOTES TO FINANCIAL STATEMENTS

Note 7. Fair Value Measurement (Continued)

Fair value measurements on a recurring basis at June 30, 2016 and 2015 are as follows:

	Level 1	Level 2	Level 3	Fair Value
June 30, 2015:				
Securities available-for-sale	\$ 4,881	\$ -	\$ -	\$ 4,881
Activity:				
Securities available-for-sale:				
Unrealized gains included in other comprehensive income	1,586	-	-	1,586
June 30, 2016:				
Securities available-for-sale	\$ 6,467	\$ -	\$ -	\$ 6,467

Securities available-for-sale are based on quoted market prices, where available. If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments.

Note 8. Subsequent Events

The Company has evaluated subsequent events through August 22, 2016, the date the financial statements were available to be issued.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
ON EXEMPTION STATEMENT UNDER RULE 15c3-3

To the Board of Directors
International Money Management Group, Inc.

We have reviewed management's statements, included in the accompanying Statement Regarding Exemption Report Under Rule 15c3-3, in which (1) International Money Management Group, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which International Money Management Group, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) International Money Management Group, Inc. stated that International Money Management Group, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. International Money Management Group, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about International Money Management Group, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

ON INTERNAL CONTROL

As required by SEC Rule 17a-5(g)(1) for a Broker-Dealer
Claiming an Exemption from SEC Rule 15c3-3

Board of Directors
International Money Management Group, Inc.

In planning and performing our audit of the financial statements of International Money Management Group, Inc. (the Company), as of and for the year ended June 30, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons, and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended June 30, 2016, which were agreed to by International Money Management Group, Inc., and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating International Money Management Group, Inc.'s compliance with the applicable instructions of Form SIPC-7. International Money Management Group, Inc.'s management is responsible for International Money Management Group, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records in the general ledger noting no differences;

As a result of two year-end adjusting journal entries, the revenue as reported on the audited Form X-17A-5 for the year ended June 30, 2016 is \$10,886 less than the total revenue reported in Form SIPC-7.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers. As a result of two year-end adjusting journal entries, the total deductions as reported on the Form SIPC-7 are \$10,886 more than the revised supporting schedules and working papers.

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
