REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders
Conners & Co. Inc.

We have audited the accompanying financial statements of Conners & Co. Inc. (the "Company"), which comprise the statement of financial condition as of June 30, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of June 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplementary information has been subjected to audit procedures performed in conjunction with the audit of The Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

AT JUNE 30, 2016

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Connors & Co., Inc. (the "Company") is a fully-disclosed introducing broker-dealer, located in Cincinnati, Ohio. The Company is primarily in the business of underwriting, brokering, and trading common stock and municipal bonds, and related investment services. The Company is registered with the Securities and Exchange Commission (SEC) and the states of Ohio, Kentucky, Florida, and Indiana, and is a member of the Financial Industry Regulatory Authority (FINRA).

It is the policy of the Company to employ U.S. generally accepted accounting principles (GAAP) in the preparation of its financial statements. A summary of the Company's significant accounting policies follows:

ACCOUNTING ESTIMATES-

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS-

The Company considers all highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents. Cash segregated under federal securities regulations for the benefit of customers is not included as a cash equivalent item.

DEPOSITS WITH CLEARING BROKER-

The Company is required to maintain a \$100,000 non-interest bearing deposit with the clearing broker who allows the Company to serve as an "introducing broker" into the clearing broker's system. The Company also maintains a trading deposit with the clearing broker to enable the Company to engage in security transactions. This deposit represents the amount in excess of the fair value of the securities maintained with the clearing broker.

RECEIVABLES FROM AND PAYABLE TO CLEARING AND OTHER BROKER-DEALERS-

Receivables from broker-dealer include commissions from security transactions. Payable to clearing broker are the amounts due for uncollateralized financing of proprietary inventory positions. Management assesses the collectability of receivable from the broker-dealers and records an allowance for bad debts when considered necessary. Based on these reviews, management has determined that an allowance is not necessary at June 30, 2016.

CONNERS & CO., INC.

NOTES TO FINANCIAL STATEMENTS

AT JUNE 30, 2016

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

FURNITURE AND EQUIPMENT-

Furniture and equipment are stated at cost and are depreciated over the estimated useful lives of the related assets ranging from five to fifteen years. Depreciation is computed using the accelerated method for financial reporting and income tax purposes.

Maintenance and repairs are expensed when incurred. Significant improvements and renewals are capitalized.

SECURITIES OWNED-

Securities owned are stated at fair value. Security transactions are recorded on a trade date basis.

FAIR VALUE MEASUREMENTS-

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities |
| Level 2 | Quoted prices in markets that are not active, or inputs that are observable either directly or indirectly, for substantially the full term of the asset or liability |
| Level 3 | Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e. supported by little or no market activity) |

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

INCOME TAXES-

Income taxes are accounted for using the liability method. Under this method, deferred income taxes are determined based upon enacted tax laws and rates applied to the differences between the financial statement and tax bases of assets and liabilities.

Deferred tax assets and liabilities result principally from temporary differences in the financial and tax bases of investment securities and net operating loss carryforwards.

CONNERS & CO., INC.

NOTES TO FINANCIAL STATEMENTS

AT JUNE 30, 2016

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. In determining its tax positions, the Company assumes that the positions will be examined by the appropriate taxing authority and the taxing authority would have full knowledge of all relevant information. The measurement of tax positions is based on managements' best judgment of the amount the Company would ultimately accept in a settlement with taxing authorities. The Company has no uncertain tax positions at June 30, 2016. The Company remains subject to examinations by the Internal Revenue Service, Ohio Department of Taxation, and various local municipalities for the years ended June 30, 2012 and after.

NOTE 2 - CASH AND CASH FLOW INFORMATION

At various times throughout the year, the Company may have cash in financial institutions in excess of insured limits. The Federal Deposit Insurance Corporation (FDIC) insures account balances in accounts up to \$250,000 for each business depositor. Using these criteria, the Company did not have any cash in excess of insured limits as of June 30, 2016.

NOTE 3 - FURNITURE AND EQUIPMENT

Furniture and equipment consist of the following at June 30, 2016:

Furniture and fixtures	\$ 34,183
Equipment	112,470
Leasehold improvements	<u>49,294</u>
	195,947
Accumulated depreciation	<u>(164,583)</u>
Total furniture and equipment, net	\$ <u>31,364</u>

NOTE 4 - FAIR VALUE

The following table presents the Company's fair value hierarchy for those assets measured at fair value on a recurring basis as of June 30, 2016:

	Level 1	Level 2
Equity Securities	\$155,208	-
Municipal bonds	-	<u>357,538</u>
Total Fair Value	<u>\$155,208</u>	<u>\$357,538</u>

Level 2 investments may be valued using inputs other than quoted prices, such as interest rates or yield curves that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data.

NOTE 5 - INCOME TAXES

The Company has net operating loss carryforwards of approximately \$690,000 due to expire in the years 2026 to 2033. Due to the uncertainty of the future realization of the net operating loss carryforward, a valuation allowance has been recorded at June 30, 2016. The components of deferred income taxes are as follows:

Deferred tax asset	\$ 75,000
Valuation allowance	<u>(45,000)</u>
Net deferred tax asset	\$ <u>30,000</u>

NOTE 6 - LEASE COMMITMENTS

Operating Lease

The Company currently leases certain office space under an operating lease that expires August 31, 2019. Rental expense, including utilities and taxes, charged to operations for the year ended June 30, 2016 was \$53,228. Future minimum non-cancellable lease payments are as follows:

Year ending June 30,

CONNERS & CO., INC.

NOTES TO FINANCIAL STATEMENTS

AT JUNE 30, 2016

NOTE 7 - CAPITAL STOCK RESTRICTIONS

The Company and its stockholders have entered into an agreement which defines the rights and obligations of the stockholders with respect to the encumbering and disposition of the Company's capital stock. The agreement sets forth the method of establishing the price to be paid and the terms of payment by the Company.

NOTE 8 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, may not exceed 15 to 1. The rule also provides that equity may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company's minimum capital requirement is the greater of \$250,000 or 6 2/3% of its aggregate indebtedness. At June 30, 2016, the Company had net capital, as computed under Rule 15c3-1, of \$764,393 which was \$514,393 greater than its required net capital of \$250,000. The Company had aggregate indebtedness of \$115,221 as of June 30, 2016. The Company's net capital ratio was .1507 to 1.

NOTE 9 - PROFIT SHARING PLAN

The Company has a qualified profit sharing plan covering all employees meeting certain conditions. Contributions to the plan are determined annually by the Board of Directors. An employee earns a vested interest in the plan after completing two full years of employment. No contribution was made to the plan in the year ended June 30, 2016.

CONNERS & CO., INC.

NOTES TO FINANCIAL STATEMENTS

AT JUNE 30, 2016

NOTE 10 - FINANCIAL INSTRUMENTS AND CONCENTRATIONS

Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents, receivables from clearing brokers and securities owned. The Company places its cash investments with high-credit-quality financial institutions located in Cincinnati, Ohio. At times, balances may exceed the federally insured limits. In addition, the Company maintains a cash account with the clearing broker. Management does not believe significant concentrations of credit risk exists with respect to these financial instruments.

The Company invests in various investment securities on its own account. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported within the financial statements.

The Company's activities involve the execution, settlement, and financing of various customer securities transactions through a clearing broker. These activities may expose the Company to off-balance sheet risk in the event the customer or other broker is unable to fulfill its contractual obligations. In the event counterparties do not fulfill their obligations, the Company may be required to purchase, or sell, financial instruments underlying the contract, which could result in a loss.

NOTE 11 - SUBSEQUENT EVENTS

The Company has evaluated the impact of events that have occurred subsequent to June 30, 2016 through August 12, 2016, the date the financial statements were available to be issued, for purposes of recognition and disclosure in the financial statements.
