Note 1 - Summary of Significant Accounting Policies

The Fig Group, L.L.C. (the "Company") was formed under the laws of the State of Texas. Offices of the Company are located in Dallas, Texas. The Company became effective May 11, 2005 as a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The company operates under (SEC) Rule 15c3-3(k) (2)(ii), which provides that all funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. Substantially all of the Company's business is conducted with customers located in the United States.

The Company's members have limited personal liability for the obligations or debts of the Company.

Purchase and sales of securities are recorded on a trade date basis. Commission revenue and expense are recorded on a trade date basis.

Receivable from broker-dealer and due from broker-dealer are generally collected in full in the month following their accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables. Management records an allowance for bad debts based on a collectability review of specific accounts. Any receivables deemed uncollectible are written off against the allowance.

Securities owned and securities sold but not yet purchased are recorded at quoted market value. Securities and investments which are not readily marketable are carried at fair value as determined by management of the Company. Unrealized gains and losses are credited or charged to operations. The Company's securities are being held by the clearing broker-dealer. Should the clearing broker-dealer fail to deliver securities to the Company, the Company may be required to purchase identical securities on the open market.

The Company's net income is taxed at the member level rather than at the corporate level for federal income tax purposes. Income tax returns are generally subject to examination by the respective federal and state authorities over various statutes of limitations generally three to five years from date of filing.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Note 2- Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At June 30, 2016, the Company had net capital of approximately \$34,359 and net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .18 to 1. The SEC permits a ratio of no greater than 15 to 1.

Capital distributions to the Company's members can be made under a capital distribution policy approved by the Company's board of directors. Periodic distributions approved by the Company's board of directors are made to enable its members to pay federal income taxes on Company profits, among other purposes.

Note 3- Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4- Related Party Transactions

The Company leases office space from one of its members. Rent expense for the year ended June 30, 2016 was \$8,400.

Note 5- Commitments and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on any unsettled trades. At June 30, 2016, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of an potential losses relating to this indemnification.

Note 6- Subsequent Event

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through September 7, 2016, which is the date the financial statement were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) The Fig Group, LLC, identified the following provisions of 17 C.F.R. § 15c3-3(k) under which The Fig Group, LLC, claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(ii), and (2) The Fig Group, LLC, stated that The Fig Group, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. The Fig Group, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Fig Group, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
