Independent Auditor's Report

Board of Directors
Profinancial, Inc.
7902 Wrenwood Blvd.
Baton Rouge, LA 70809

Report on the Financial Statements

I have audited the accompanying statement of financial condition of Profinancial, Inc. as of April 30, 2016 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of Profinancial, Inc. management. My responsibility is to express an opinion on these financial statements based on my audit.

Auditor's Responsibility

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Profinancial, Inc. as of April 30, 2016, and results of its operations and its cash flows to the year then ended in conformity with accounting principles generally accepted in the United States.

Other Matters

The Supplemental Information has been subjected to audit procedures performed with audit of Profinancial, Inc. financial statements. Supplemental Information is the responsibility of Profinancial, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Net Capital Computation, including its

form and content is presented in conformity 17 C.F.R. # 240 17a-5. In my opinion, the Net Capital Computation is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE A – SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

Profinancial, Inc. (the Company) was incorporated in the State of Louisiana effective December 29, 1989. The Company has adopted a fiscal year ending April 30th

Description of Business

The Company, located in Baton Rouge, LA is a broker and dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of FINRA. The Company operates under SEC Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's customers are held by a clearing broker-dealer.

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable – Recognition of Bad Debt

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

Commission revenues are recorded by the Company on the settlement date reported by the clearing firm through submitted commission statements.

Depreciation

Depreciation is calculated using the straight line method.

PROFINANCIAL, INC.
NOTES TO FINANCIAL STATEMENTS
April 30, 2016

Income taxes

Effective December 29, 1989, the Company is considered to be a regular corporation status for federal income tax purposes.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at amount that approximate fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of Comprehensive Income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended April 30, 2016, the Company did not have any components of Comprehensive Income to report.

NOTE B – NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

The Company's ratio of aggregate indebtedness to net capital as defined in the Securities and Exchange Commission Uniform Net Capital Rule 15(c)3-1 was 4.63 to 1 at April 30, 2015. The company is required by regulatory authorities to maintain a ratio of less than 15 to 1. The Company had net capital, as defined, of \$29,426.00 at April 30, 2016, which exceeded the required net capital of \$5,000. There were no material inadequacies found to exist or found to have existed since the date of the previous audit.

PROFINANCIAL, INC.
NOTES TO FINANCIAL STATEMENTS
April 30, 2016

NOTE C – NET CAPITAL REQUIREMENT

Statement of Exemption of Reserve Requirement

The Company is subject to the Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum Net Capital. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintains minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not therefore calculate it's net capital requirement under the alternative reserve requirement method.

NOTE D – SIPC RECONCILIATION

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion-from-membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

NOTE E – POSSESSION OR CONTROL REQUIREMENTS

The Company does not have any possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c-3-3(k)(2)(ii) by promptly transmitting all customer funds or securities to the clearing broker who carries the customer accounts.

NOTE F – OTHER COMMITMENTS AND CONTINGENCIES

Included in the Company's clearing agreement with its clearing broker-dealer is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. At June 27, 2016, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware of any potential losses relating to this indemnification.

NOTE G – PROPERTY, EQUIPMENT AND LEASEHOLD IMPROVEMENTS

Property, equipment and leasehold improvements are stated at cost less accumulated depreciation. Expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is calculated on the double declining method. The following is a summary of property, equipment and leasehold improvements:

PROFINANCIAL, INC.
NOTES TO FINANCIAL STATEMENTS
April 30, 2016

Furniture and equipment	Estimated Useful Life 3 – 7 years	\$	4,730
Less – accumulated depreciation			<u>(4,630)</u>
Total		\$	100

Depreciation expense was \$648.00 for the year April 30, 2016 and is included in the operating expenses in the accompanying statement of income.

NOTE H – LEASES

The Company had a lease agreement for its office space for 5 months of this fiscal year. The amount was \$4,000.00. The amount was expensed as incurred.

NOTE I - SUBSEQUENT EVENT

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through June 27, 2016, which is the date the financial statement were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At April 30, 2016, the Company had net capital of [\$29,446] which was [\$24,446] in excess of its required net capital of [\$5,000]. The Company's net capital ratio was [10.57%]. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Exemptive Provision (Possession and Control)

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule [15c3-3(k)(2)(ii)]; All customer transactions cleared through another broker-dealer on a fully disclosed basis.

Statement Related to Material Inadequacies

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

Statement Related to SIPC Reconciliation

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions in which (1) Profinancial, Inc., identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Profinancial, Inc. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(ii), and (2) Profinancial, Inc. stated that Profinancial, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Profinancial, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Profinancial, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
