To The Members of HBW Securities LLC

We have audited the accompanying financial statements of HBW Securities LLC (the "Company" or "HBW"), which comprise the statement of financial condition as of August 31, 2016, and the related statements of operations, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. HBW Securities LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of HBW Securities LLC as of August 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental schedules listed below have been subjected to audit procedures performed in conjunction with the audit of HBW Securities LLC's financial statements.

- Schedule I, Computation of Net Capital Under Rule 15c3-1.
- Schedule II, Computation for Determination of Reserve Requirements Under Rule 15c3-3 (exemption).
- Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption).

The supplemental information is the responsibility of HBW Securities LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

HBW Securities LLC (the "Company") was incorporated in California on April 8, 2005 and began operation on January 1, 2006. The Company operates as a securities broker-dealer for mutual funds and variable annuities. The Company, under rule 15c3-3(k)(2)(i), is exempt from the customer reserve requirements of rule 15c3-3 of the Securities and Exchange Commission. In additions, the Company, under rule 15c3-3(k)(2)(i), is exempt from the possession or control requirements of rule 15c3-3 of the Securities and Exchange Commission. In additions, the Company, under rule 15c3-3(k)(2)(i), is exempt from the possession or control requirements of rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts or transactions.

Revenue Recognition

Revenue associated with mutual funds and variable annuity commissions and the related commission expense are recognized on an accrual basis.

Income Taxes

The Company made an election to be taxed as a limited liability company under the Internal Revenue Code. Accordingly, there is no provision for income taxes included in the accompanying financial statements except for state franchise taxes and fees. All income and expenses are reported by the Company's members on their respective tax returns.

The Company accounts for uncertain tax positions in accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 740-10, Accounting for Uncertainty in Income Taxes. FASB ASC Topic 740-10 establishes that a tax position taken or expected to be taken in a tax return is to be recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. The Company's returns from 2011 to 2015 are subject to review by the Internal Revenue Service.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Company considers investments with maturities less than three months to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement

The Company follows ASC 820, Fair Value Measurements and Disclosures which defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value. The Company does not hold any positions besides cash as of August 31, 2016.

NOTE 2 - NET CAPITAL AND MINIMUM CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under provision. At August 31, 2016, the Company had net capital and net capital requirements of \$55,416 and \$17,555, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 4.75 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Company has an expense sharing agreement with an affiliated company, HBW Insurance and Financial Services, Inc. ("Insurance"). Under the agreement, the Company pays Insurance a monthly amount based on an allocation of the expenses paid by Insurance, such as office space, equipment, telephone, salaries and other operational expenses, for which the Company receives benefit. During the year ended August 31, 2016, the Company paid Insurance \$105,590 to cover its portions of expenses paid by Insurance.

NOTE 4 - MEMBERS' EQUITY

The Company is authorized to issue up to 1,000,000 units, of which 660,000 are denominated as Class A Units and the remaining amount denominated as either Class B Units or Class C units as determined by the Managers. Class A units are deemed to be the managing units and accordingly, have all the voting rights to make management decisions. Class B and C units are non-voting units. All units held do not necessarily equal the proportional share of ownership in the Company.

Stock-based compensation expense for stock issued was recorded in the Statement of operations in the amount of \$17,040 for 13,400 shares of Class A issued to the President of HBW.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISKS AND UNCERTAINTIES

The Company's financial instruments, including cash, commissions receivable, deposits, prepaid expenses, other receivables, commissions payable, accounts payable and accrued expenses are carried at amounts that approximate fair value due to the short-term nature of those instruments.

The Company's registered representatives introduce client investor accounts to mutual fund companies and insurance companies, all of which are independent. The Company itself does not take discretionary control over any account or funds. The funds and companies, to which the Company introduces accounts, pay the Company a portion a commission and/or trail. In the event the Company does not satisfy its agreement terms, the agreement may be terminated.

There exists an investment risk that revenues may be significantly influenced by market conditions, such as volatility, resulting in investor-placed funds losing value. If the markets should move against positions held by a fund, and if the fund is not able to offset such losses, the fund could lose all of its assets and the introduced investors in the fund could realize a loss. The Company would, therefore, lose commissions and trail fees associated with the introduced capital of the investor to the fund.

The Company is subject to litigation and claims arising in the ordinary course of business. The Company accrues for such items when a liability is both probable and the amount can be reasonably estimated. In the opinion of management, the results of such pending litigation and claims will not have a material effect on the results of operations, the financial position, or the cash flows of the Company.

NOTE 6 - SUBSEQUENT REVIEW

The Company has performed an evaluation of subsequent events through October 21, 2016, which is the date the financial statements were available to be issued.
