REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Foreside Investment Services, LLC
(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)

We have audited the accompanying statement of financial condition of Foreside Investment Services, LLC (a wholly-owned subsidiary of Foreside Financial Group, LLC) as of September 30, 2016 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. Foreside Investment Services, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Foreside Investment Services, LLC as of September 30, 2016 in accordance with accounting principles generally accepted in the United States of America.

FORESIDE INVESTMENT SERVICES, LLC
(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)

NOTES TO FINANCIAL STATEMENT

SEPTEMBER 30, 2016

NOTE 1 - ORGANIZATION

Foreside Investment Services, LLC (the “Company”), a limited liability company, is an indirect wholly-owned subsidiary of Foreside Financial Group, LLC (“Foreside”) and a direct subsidiary of Foreside Distributors, LLC (the “Parent”). The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker-dealer and is a member of both the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The Company is approved by FINRA to engage in certain activities, including the wholesaling and marketing of private placements of securities in addition to providing FINRA Series 79 registration and related services to the investment banking industry.

The limited liability company operating agreement provides for the Company to exist into perpetuity.

The accompanying financial statement has been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with affiliated entities, may not necessarily be indicative of the financial condition that would have existed, or the results that would have been obtained from operations, had the Company operated as an unaffiliated entity.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of the financial statement in conformity with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of this financial statement. Actual results could differ from those amounts.

CASH EQUIVALENTS

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased to be cash equivalents.

At September 30, 2016, the Company had no cash equivalents.

NOTES TO FINANCIAL STATEMENT

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECEIVABLES

The Company extends unsecured credit in the normal course of business to its clients. The determination of the amount of uncollectible accounts is based on the amount of credit extended and the length of time each receivable has been outstanding. The allowance for uncollectible amounts reflects the amount of loss that can be reasonably estimated by management. As of September 30, 2016, the Company had not recorded an allowance for any potential non-collection as all receivables are deemed collectible.

INCOME TAXES

The Company is organized as a limited liability company (“LLC”) that has elected to be treated as a single member LLC under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to Foreside. Foreside is organized as an LLC that has elected to be treated as a partnership under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to its member and taxed at the member level.

NOTE 3 - FAIR VALUE

The Company defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The standard establishes the following hierarchy used in fair value measurements and expands the required disclosures of assets and liabilities measured at fair value:

- Level 1 - Inputs use quoted unadjusted prices in active markets for identical assets or liabilities that the Company has the ability to access.
- Level 2 - Fair value measurements use other inputs that are observable, either directly or indirectly. These inputs include quoted prices for similar assets and liabilities in active markets as well as other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.
- Level 3 - Inputs that are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset or liability.

The inputs or methodology used for valuing assets and liabilities are not necessarily an indication of the risk associated with investing in those assets and liabilities.

NOTES TO FINANCIAL STATEMENT

NOTE 3 - FAIR VALUE (CONTINUED)

At September 30, 2016, the Company did not hold any Level 2 or Level 3 assets or liabilities.

NOTE 4 - RELATED PARTY TRANSACTIONS

The financial statement has been prepared from the separate records maintained by the Company. The Company shares office space and equipment with affiliates, which are under common control of Foreside. Accordingly, the Company has been allocated a portion of such shared costs. Also, the Parent provides administrative, legal, human resource and other general support services, the cost of which is allocated to the Company. For the year ended September 30, 2016, these allocated expenses totaled \$296,856. At September 30, 2016, amounts due to the related party totaled \$8,609, which is included in "Due to related party" on the Statement of Financial Condition.

NOTE 5 - NET CAPITAL REQUIREMENT

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and the ratio of aggregate indebtedness to net capital not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn, or cash distributions paid, if the resulting net capital ratio would exceed 10 to 1. At September 30, 2016, the Company had net capital of \$269,669, which was \$244,669 in excess of its minimum required net capital of \$25,000. The Company's ratio of aggregate indebtedness to net capital at September 30, 2016 was 0.09 to 1.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

INDEMNIFICATIONS

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The Company's maximum exposure under these arrangements cannot be known; however, the Company expects any risk of loss to be remote.

CREDIT RISK

The Company maintains a checking account in a financial institution. The account is insured by the Federal Deposit Insurance Corporation ("FDIC"). At times, cash may be uninsured or in deposit accounts that exceed the FDIC insurance limit. The Company has not experienced any losses in the account.
