### Report of Independent Registered Public Accounting Firm

The Board of Directors  
Eagle Fund Distributors, Inc.:

We have audited the accompanying statement of financial condition of Eagle Fund Distributors, Inc. (the Company) as of September 30, 2016 (the financial statement). The financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

**NOTES TO STATEMENT OF FINANCIAL CONDITION**  
September 30, 2016

**NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS**

Eagle Fund Distributors, Inc. (“EFD,” “we,” “our,” “ours,” or “us,”) is a Florida corporation and a wholly owned subsidiary of Eagle Asset Management, Inc. (“EAM” or “Parent”). EAM is a wholly owned subsidiary of Raymond James Financial, Inc. (“RJF”). We are a limited purpose broker-dealer registered with the Securities and Exchange Commission (“SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”). We serve as principal underwriter for the Eagle Family of Funds (the “Funds”) by promoting and soliciting orders for the purchase of shares of the Funds.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of presentation**

We conform to our Parent and RJF’s fiscal year end of September 30. The accompanying Statement of Financial Condition is prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”), the more significant of which are summarized below.

**Accounting estimates and assumptions**

The preparation of the financial statements in conformity with GAAP requires us to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Statement of Financial Condition. Actual results could differ from those estimates and could have a material impact on the Statement of Financial Condition.

**Cash and cash equivalents**

Our cash equivalents include money market funds or highly liquid investments with original maturities of 90 days or less.

**Receivables from affiliated mutual funds**

Receivables from affiliated mutual funds include receivables from the Funds for distribution fees and 12b-1 advances to financial advisors related to Class A and C share transactions. Distribution fees receivable are amounts due for marketing the Funds and are received monthly. The 12b-1 advances are collected either through quarterly 12b-1 fees received from Funds or through sales charges if shares are liquidated by the account holder within the eighteen month period from their date of purchase.

**Property and equipment**

Property and equipment, which consists primarily of office furniture and equipment, are stated at cost less accumulated depreciation. Property and equipment of \$7,681 is included in Prepaid expenses and other assets on the Statement of Financial Condition and has been fully depreciated. Additions, improvements and expenditures that extend the useful life of an asset are capitalized.

**Income taxes**

The results of our operations are included in the consolidated federal and certain consolidated state income tax returns of RJF. As a result of the inclusion in consolidated filings, the majority of income taxes receivable reported on the Statement of Financial Condition are receivable from RJF. Federal and state income taxes are computed, under a tax sharing agreement with RJF, based on the separate return method utilizing a benefits for losses approach.

The objectives of accounting for income taxes are to recognize the amount of taxes payable or refundable for the current year. We utilize the asset and liability method to provide income taxes on all transactions recorded in the financial statements. This method requires that income taxes reflect the expected future tax consequences of temporary differences between the carrying amounts of assets or liabilities for book and tax purposes. Accordingly, a deferred tax asset or liability for each temporary difference is

determined based on the tax rates that we expect to be in effect when the underlying items of income and expense are realized. Judgment is required in assessing the future tax consequences of events that have been recognized in our Statement of Financial Condition or tax returns. Variations in the actual outcome of these future tax consequences could materially impact our financial position. See Note 4 for further information on our income taxes.

**NOTE 3 – RELATED PARTY TRANSACTIONS**

We participate with our Parent, RJF, and affiliates in certain expense and tax sharing agreements, which result in receivables and payables to affiliates. Based on the terms in these agreements, our allocations may not be inclusive of all economic benefits received from our Parent, RJF, or affiliates.

Receivables from affiliates of \$171,472 are recorded in other receivables on the Statement of Financial Condition at September 30, 2016.

Payables to affiliates of \$132,241 at September 30, 2016, includes \$89,469 payable to our parent attributable to deferred taxes, as well as, amounts payable for the related party transactions reflected in the table above. Due to our operating losses, our Parent receives federal and state income tax benefits. Our Parent compensates us for these income tax benefits. The related party transactions that result in these receivables and payables are settled monthly with cash transfers.

**NOTE 4 – FEDERAL AND STATE INCOME TAXES**

The cumulative effects of temporary differences that give rise to significant portions of the deferred tax asset items are as follows:

	<u>September 30, 2016</u>
Deferred tax assets:	
State net operating loss carryover, net of federal tax	\$ 8,537
Fixed assets	47
Deferred compensation	31,329
Accrued expenses	58,093
Gross deferred tax assets	<u>98,006</u>
Less: valuation allowance	<u>(8,537)</u>
Total deferred tax asset, net	<u>\$ 89,469</u>

We have net operating loss carryforwards available to reduce state income tax of approximately \$13,133, offset by a federal income tax effect of \$4,596. These net operating loss carryforwards expire between fiscal year 2021 and fiscal year 2023. The valuation allowance for the fiscal year ended September 30, 2016 relates to net operating losses generated from our single entity state income tax filings and management’s belief that, based on our historical operating losses, projection of future losses, scheduled reversal of taxable temporary differences, and tax planning strategies, it is more likely than not that the loss carryforwards will expire unutilized. We believe that the realization of the remaining net deferred tax asset of \$89,469 is more likely than not based on the ability to net losses against consolidated taxable income of the affiliated group in accordance with the tax sharing agreement and carryback losses against prior year consolidated taxable income of the affiliated group.

At September 30, 2016, we did not have any liability for unrecognized tax benefits.

We recognize the accrual of interest and penalties related to income tax matters, if any, in interest expense and other expense, respectively.

We are included in the consolidated income tax returns of RJF in the U.S. federal jurisdiction and certain consolidated states. With few exceptions, we are generally no longer subject to U.S. federal, state and local income tax examination by tax authorities for years prior to fiscal year 2014 for federal tax returns and fiscal year 2012 for state and local tax returns. The various audits in process are expected to be completed in fiscal year 2017.

**NOTE 5 – COMMITMENTS AND CONTINGENCIES**

In the normal course of our business, we have been named, from time to time, as a defendant in various legal actions, including arbitrations, class actions and other litigation, arising in connection with our activities.

We are also subject, from time to time, to other reviews, investigations and proceedings (both formal and informal) by governmental and self-regulatory agencies regarding our business.

We cannot predict if, how or when such proceedings or investigations will be resolved or what the eventual settlement, fine, penalty or other relief, if any, may be.

We contest liability and/or the amount of damages as appropriate in each pending matter. Over the last several years, the level of litigation and investigatory activity (both formal and informal) by government and self-regulatory agencies has increased significantly in the financial services industry. There can be no assurance that material losses will not be incurred from claims that have not yet been asserted or are not yet determined to be material. Refer to Note 2 for a discussion of our criteria for establishing a range of possible loss related to such matters.

As of September 30, 2016, management currently estimates the aggregate range of possible loss is from \$0 to an amount of up to \$486 thousand in excess of the accrued liability (if any) related to these matters.

Subject to the foregoing, we believe, after consultation with counsel and consideration of the accrued liability amounts included in the accompanying financial statements, that the outcome of such litigation and regulatory proceedings will not have a material adverse effect on our financial condition.

**NOTE 6 – NET CAPITAL REQUIREMENTS**

As a registered broker-dealer, we are subject to the requirements of the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934. As a member firm of FINRA, we are subject to the rules of FINRA, whose capital requirements are substantially the same as Rule 15c3-1. Rule 15c3-1 provides for an “alternative net capital requirement,” which we have elected. Regulations require that the minimum net capital, as defined, be equal to the greater of \$250,000 or two percent of aggregate debit items arising from client balances. At September 30, 2016, we had no aggregate debit items and, therefore, the minimum net capital of \$250,000 is applicable. Our net capital position is as follows:

	<u>September 30, 2016</u>	
Net capital	\$	1,418,680
Less: Required net capital		(250,000)
Excess net capital	<u>\$</u>	<u>1,168,680</u>

**NOTE 7 — SUBSEQUENT EVENTS**

Management has considered subsequent events reviewed through November 22, 2016. There were no subsequent events that required recognition or disclosure.
