REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of Consensus Securities LLC

We have audited the accompanying financial statements of Consensus Securities LLC (a Massachusetts limited liability company), which comprise the statement of financial condition as of September 30, 2016, and the related statements of income, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Consensus Securities LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Consensus Securities LLC as of September 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Schedule I has been subjected to audit procedures performed in conjunction with the audit of Consensus Securities LLC's financial statements. The supplemental information is the responsibility of Consensus Securities LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

The Company was organized on May 25, 2007 as a Massachusetts Limited Liability Company to conduct business as a registered broker-dealer under the Securities Act of 1934. As a Limited Liability Company the member's liability is limited to their investment. It was founded to provide specialized capital raising and investment banking advisory services to mid-sized companies. The term of the company is for 40 years, terminating in May 2047, unless terminated earlier.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Organizational Structure

The Company has been organized as a Limited Liability Company. Under this form of organization, the member is not liable for the debts of the Company.

Compensated Absences

Employees of the Company are entitled to paid vacations, paid sick days, and personal days off, depending upon the job classification, length of service, and other factors. The accrual cannot be reasonably estimated, and accordingly, no liability has been recorded in the accompanying financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

Management's Review for Subsequent Events

Management had evaluated subsequent events through November 21, 2016, the date which the financial statements were available to be issued.

The Company's net capital as computed under SEC Rule 15c3-1 was \$54,755 at September 30, 2016, which exceeded required net capital of \$5,000 by \$49,755. The ratio of aggregate indebtedness to net capital at September 30, 2016 was 7.0%.

NOTE 3- INCOME TAXES

The Company is considered a disregarded entity for tax purposes and therefore is not a taxpaying entity for federal or state income tax purposes. Accordingly, no income tax expense has been recorded in the statements. All income or losses will be reported on the member's income tax returns.

NOTE 4 - RELATED PARTY TRANSACTIONS

The Company shares office space and utilizes the office supplies, furniture, equipment and employees of its member, Consensus Advisors LLC and its affiliate Consensus Advisory Services LLC. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of Consensus Securities LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Consensus Securities LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Consensus Securities LLC claimed an exemption from 17 C.F.R. §240.15c3-3: ((2)(i)) (the "exemption provisions") and (2) Consensus Securities LLC stated that Consensus Securities LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Consensus Securities LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Consensus Securities LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
