Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the financial position of SFI Investments, LLC dba SFI Capital Group, LLC as of September 30, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. SFI CAPITAL GROUP, LLC

We have reviewed management's statements, included in the accompanying Report of a Broker-Dealer Claiming Exemption from SEC Rule 15c3-3, in which (1) SFI Investments, LLC dba SFI Capital Group, LLC (the Company), identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: paragraph (k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. SFI CAPITAL GROUP, LLC

NOTES TO THE FINANCIAL STATEMENTS

1. ORGANIZATION

SFI Investments, LLC dba SFI Capital Group, LLC (the Company), an Ohio Limited Liability Company, is a non-carrying broker-dealer registered with the Securities and Exchange Commission (SEC) and the states of Ohio, California, Florida, Michigan, New York, and Indiana and is a member of the Financial Industry Regulatory Authority (FINRA), specializing in providing professional services to its clients. The Company shall continue in perpetuity unless it is dissolved or terminated pursuant to its operating agreement or involuntarily pursuant to any regulatory action.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Revenue Recognition

The Company is engaged as a securities broker-dealer, which comprises several classes of services, including primary investment banking. The Company's services include business acquisition advisory services. Specifically, it includes any one or more of the following items: sale of a company, divestiture, acquisition searches, managed buy-outs or leveraged buy-outs, joint ventures, strategic alliances, or raising capital.

For investment banking services, contingent fee work is recorded as revenue upon closing of the transaction and funding of financing requirements by the buyer or seller. Non-refundable retainers charged at the beginning of investment banking services are recorded as revenue when the engagement letter is signed. Monthly retainers and hourly billings are recorded as revenue when invoiced.

Concentration of Credit Risk

The Company is engaged in various brokerage activities in which counterparties primarily include businesses. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Accounts Receivable and Credit Policies

Accounts receivable are due under specific terms outlined in engagement letters. The Company generally collects receivables in monthly or quarterly installments.

Accounts receivable are stated at the amount billed to the customer. Payments of accounts receivable are allocated to the specific invoices identified on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable and Credit Policies (continued)

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all accounts receivable balances that exceed 30 days from the invoice date and based on an assessment of current credit worthiness, estimates the portion, if any, of the balance that will not be collected. Additionally, management estimates an allowance for the aggregate remaining accounts receivable based on historical collectability. In the opinion of management, at September 30, 2016 all accounts were considered collectible and no allowance was deemed necessary.

Income Taxes

The Company is an Ohio Limited Liability Company and has elected to be treated as a partnership for federal income tax purposes. Under this election, the taxable income or loss of the Company is taxed directly to the members. Accordingly, the Company records no provision for federal income taxes.

The Company accounts for uncertainties in income taxes in accordance with accounting principles generally accepted in the United States of America, which provides for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return that have a greater than 50% chance of not being allowed under examination. No such positions have been recorded in the September 30, 2016 financial statements. If such positions were taken, the resulting interest and penalties would be recognized as income tax expense.

Subsequent Events

Management has evaluated subsequent events through November 28, 2016, the date the financial statements were available to be issued. No subsequent events were identified for disclosure in the financial statements.

Accounting Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

SFI INVESTMENTS, LLC DBA
SFI CAPITAL GROUP, LLC

NOTES TO THE FINANCIAL STATEMENTS

3. RELATED PARTIES

The Company has a management services agreement (the Agreement) with League Park Advisors, whereby League Park Advisors provides subcontracted employee services, administrative functions, support services, and the use of facilities for the benefit of the Company. For the year ended September 30, 2016, \$64,320 of expenses were allocated to the Company under the agreement.

The Company entered into a producer commission agreement on March 1, 2010, with an individual owner of MMI Capital Partners, LLC, a fifty percent owner of the Company, whereby the Company will pay a producer's commission to this individual based on certain revenue generated, as agreed. The commission percentage is ninety percent of the first three hundred thousand of revenue plus five percent of all revenue in excess of three hundred thousand. In return, this individual agreed to reimburse the Company for certain direct costs incurred plus a quarterly fee. The percentage thresholds and the quarterly fee are adjusted based on the total number of office locations that are under the supervision of this individual.

For the year ended September 30, 2016, registered representative fee revenues net of producer commissions totaled \$79,320.

4. NET CAPITAL PROVISION OF RULE 15c3-1

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital balance, as defined, under such provisions.

The Company's minimum capital requirement is the greater of \$5,000 or 6-2/3% of aggregate indebtedness, as defined, under Securities and Exchange Commission Rule 15c3-1(a)(1), as it does not maintain customer accounts. Net capital may fluctuate on a daily basis. At September 30, 2016, the Company exceeded all net capital requirements.

In addition to the minimum net capital provisions, Rule 15c3-1 requires that the Company maintain a ratio of aggregate indebtedness, as defined, to net capital, of not more than 15 to 1. At September 30, 2016, the ratio was .87 to 1.

ASSERTIONS REGARDING EXEMPTION PROVISIONS

I, as member of management of SFI Investments, LLC dba SFI Capital Group, LLC ("we" or "the Company"), am responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). Pursuant to that requirement, the management of the Company hereby makes the following assertions:

Identified Exemption Provision:

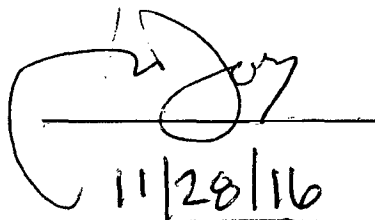

The Company claims exemption from the custody and reserve provisions of 17 C.F.R. § 15c3-3(k) by operating under the exemption provided by 17 C.F.R. § 240.15c3-3: paragraph (k)(2)(i) (the "exemption provisions").

Statement Regarding Meeting Exemption Provision:

We have met the identified exemption provisions throughout the most recent fiscal year ended September 30, 2016 without exception.

SFI CAPITAL GROUP, LLC

We have reviewed management's statements, included in the accompanying Report of a Broker-Dealer Claiming Exemption from SEC Rule 15c3-3, in which (1) SFI Investments, LLC dba SFI Capital Group, LLC (the Company), identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: paragraph (k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 (FOCUS Report) for the year ended September 30, 2016, as applicable, with the amounts reported in Form SIPC-7 for the year ended September 30, 2016, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
