NOTE A – SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

The Company was incorporated on October 4, 1983 in the State of Illinois. The Company was incorporated as a "C" corporation.

Description of Business

The Company, located in Northbrook, Illinois, is a broker and dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of FINRA. Philip J. Greenblatt Securities, Ltd, (the Company), acts as agent for customers with respect to the purchase, sale and redemption of redeemable shares of registered investment companies and limited partnerships. In June, 2002, the Company became registered as a Municipal Securities Dealer with the MSRB in order to sell Section 529 College Savings Plans and has limited their sales activities to the sale of Section 529 College Savings Plans.

Basis of Accounting

The financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable – Recognition of Bad Debt

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

**PHILIP J GREENBLATT SECURITIES, LTD**

**NOTES TO FINANCIAL STATEMENTS**

**September 30, 2016**

Revenue Recognition

Commission revenues are recorded by the Company when the service is rendered.

Income taxes

The Company is recognized as a C Corporation for Federal tax purposes.

The Company has adopted the provisions of ASC Topic 605, "Accounting for Uncertainty in Income Taxes". Benefit from tax positions are recognized in the financial statements only when it is more likely than not that the tax position will be sustained upon examination by the appropriate taxing authority that would have full knowledge of all relevant information. Recognized income tax positions are measured at the largest amount that has a greater than 50% likelihood of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Based on its current evaluation the Company has concluded that there are no significant tax positions requiring recognition in the Company's financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent

assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at amounts that approximate fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of Comprehensive Income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales

amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not therefore calculate its net capital requirement under the alternative reserve requirement method.

**NOTE F – OTHER COMMITMENTS AND CONTINGENCIES**

The Company does not have and never had any commitments, guarantees, or contingencies (arbitrations, lawsuits, claims, etc.) that may result in a loss or future obligation or that may be asserted against the firm at a future date.

**NOTE G – FAIR VALUE MEASUREMENTS**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date (i.e., an exit price). The guidance includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

*Level 1* – Quoted, active market prices for identical assets or liabilities. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuation is obtained from readily available pricing sources for market transactions involving identical assets or liabilities. The Company did have Level 1 assets.

*Level 2* – Observable inputs other than Level 1, such as quoted market prices for similar assets or liabilities, quoted for identical or similar assets in inactive markets, and model derived valuations in which all significant inputs are observable in active markets. The Company did not have any Level 2 assets or liabilities.

*Level 3* – Valuation techniques in which one or more significant inputs are observable in the marketable. The company did not have any Level 3 assets or liabilities.

Fair values of assets measured on a recurring basis at September 30, 2016 are as follows:

Marketable Securities	136,769	136,769
Total	<u>\$ 136,769</u>	<u>\$ 136,769</u>

Fair values for short-term investments and long-term investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The income reported from these investments was dividend income of \$2,309.

The carrying amounts reflected in the balance sheet for cash, money market funds, and marketable securities approximate the respective fair values due to the short maturities of those instruments. Available-for-sale marketable securities are recorded at fair value in the balance sheet. A comparison of the carrying value of those financial instruments is as follows:

**Supplementary Schedules Pursuant to SEA Rule 17a-5**  
**Of the Securities and Exchange Act of 1934**

As of and for the Year-Ended September 30, 2016

**Statement Related to Uniform Net Capital Rule**

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At September 30, 2016, the Company had net capital of \$126,756 which was \$121,756 in excess of its required net capital of \$5,000.00. The Company's net capital ratio was 1.18%. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

**Statement Related to Exemptive Provision (Possession and Control)**

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule 15c3-3(k)(2)(i).

**Statement Related to Material Inadequacies**

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

**Statement Related to SIPC Reconciliation**

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) Philip J. Greenblatt Securities, Ltd identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Philip J. Greenblatt Securities, Ltd. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(i), and (2) Philip J. Greenblatt Securities, Ltd. stated that Philip J. Greenblatt Securities, Ltd. met the identified exemption provisions throughout the most recent fiscal year without exception. Philip J. Greenblatt Securities, Ltd.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Philip J. Greenblatt Securities, Ltd.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
